From the Orange Prize-winning author of *WE NEED TO TALK ABOUT KEVIN* comes the new novel everyone will be talking about. It all hinges on one kiss. Whether Irina McGovern does or does not lean in to a particular pair of lips in London will determine whether she stays with the disciplined intellectual Lawrence, her partner of nearly ten years, or runs off with Ramsey, a hard-living snooker player. Shriver's playful parallel-universe structure allows Irina's departing futures to unfold side-by-side under the influence of two drastically different men. Where Lawrence is supportive if

repressed, Ramsey is volatile and spontaneous. these many contrasts have ramifications for Irina's relationships with friends and family, for her career as an illustrator and, most importantly, for the texture of her daily life. For Shriver, love is about trade-offs. Both men in Irina's dual destinies are worthy of her affection but - like real people - marred by severe shortcomings. Yet often the very allure of our mates is what is wrong with them, a truth conveyed with all the subtlety, perceptiveness and drama that made *WE NEED TO TALK ABOUT KEVIN* an international bestseller.

Waguih Ghali was raised in Cairo but spent much of his adult life studying and working in Europe. In *Beer in the Snooker Club*, Ghali chronicles the lives of Cairo's upper crust who, after the fall of King Farouk, are thoroughly unprepared to change its neo-feudal ways. *Beer in the Snooker Club* was the only book written by Ghali before his suicide in 1968. "Ghali's novel reproduces a cultural state of shock with great accuracy and great humor."-James Marcus of *The Nation*

At last--this is the book that makes the most spectacular snooker trick shot a piece of cake! In John Virgo's "Amazing Snooker Trick Shots -Secrets From the Best!" 100 trick shots are included together with full color photographs and diagrams. Each trick shot is clearly explained with step-by-step diagrams and John Virgo's trademark droll, quick-fire wit. Size is no problem as all trick shots shown can be played on any snooker table, large or small. The inspiration for John Virgo's "Amazing Snooker Trick Shots" came from the weekly trick shot segment performed by John on the iconic UK TV program "Big Break". Divided into three sections - Absolute Beginners, Trickier Trick Shots and Try 'em If You Dare!, there is something for everyone. Even if you're a

beginner with some practice you'll be able to perform every shot in the book. *Behind The White Ball* The History Press For fans of *Bringing Down the House* and *Positively Fifth*—a *Sports Illustrated* writer shares the story of a heavysset, bipolar, and charming pool hustler. In most sports the pinnacle is Wheaties-box notoriety. But in the world of pool, notoriety is the last thing a hustler desires. Such is the dilemma that faces one Danny Basavich, an affable, generously proportioned Jewish kid from Jersey, who flounders through high school until he discovers the one thing he excels at—the felt—and hits the road. *Running the Table* spins the outrageous tale of Kid Delicious and his studly—if less talented—set-up man, Bristol Bob. Never was there a more entertaining or mismatched pair of sidekicks, as together they go underground into the flavorfully seamy world of pool to learn the art of the hustle and experience the highs and lows of life on the road. Their four-year odyssey takes them from Podunk pool halls to slick urban billiard rooms across America, as they manage one night to take down as much as \$30,000, only to lose so much the next night that they lack gas money to get home. With every stop, the action gets hotter, the calls get closer, and Delicious's prowess with a cue stick becomes known more and more widely. Ultimately, Delicious sheds his cover once and for all and becomes professional pool's biggest sensation since Minnesota Fats. "A tremendously satisfying road story. What makes *Running the Table* so special is not the pool prowess of its protagonist but the unlikely bond between two wildly different young men who find each other through an exhilarating, often infuriating game."—Los Angeles Times

The Little Book of Snooker Houghton Mifflin Harcourt

STEPHEN HENDRY became the youngest professional snooker player in 1985 aged 16 and, in 1990, he was the youngest ever snooker World Champion, at the age of 21. Widely regarded by fans and pundits alike as one of the greatest players of all time in the sport, over a 27-year career, Hendry went on to win the World Championship seven times, and was snooker's world number one for eight consecutive seasons between 1990 and 1998. Hendry retired in 2012 with a record-breaking seven World Champion titles under his belt, a record that remains to this day. He's now ready to tell his life story for the first time - from a childhood spent climbing the ranks of the sport, through the highs of the '90s and lows of the 2000s, to his life now as a sports pundit and commentator. With an insight into the world of the man behind the cue, and what made him such a top-class player, this is the definitive autobiography of the legend that is Stephen Hendry.

You might be wondering what Ronnie O'Sullivan is doing writing a book like this. What do I know about eating healthy, right? I'm a champion snooker player, not a personal trainer or a chef and although I've always loved running, I've come to realise that any success in sport is directly related to my attitude towards food as well as fitness. Snooker

is all about sharpness, focus, and concentration - how can I do any of those things if I'm not eating well and treating my body right? My game is only as good as I am, so making that link between my mental and brain health and my physical fitness was a lightbulb moment for me and I hope this book will be a wake-up call for you too. We hear lots about mindfulness and self-care these days, but really good physical health starts with the best computer any of us could ever hope for - our noggin (aka our brains!). Written with top celebrity nutritionist Rhiannon Lambert, *Top of Your Game* is about showing you how to eat, think, and work your way to being your very best - and staying there. *A Billiards and Snooker Compendium* New Amsterdam Books

(SOFTCOVER SECOND EDITION, 5.8" X 8.3") Poolology is a breakthrough aiming method for pool players. I was once asked, "How do you aim?" and I couldn't answer. I said I didn't know, and I'm sure the player that asked me that

thought I was holding out on him, keeping some great secret to myself. But it was true - other than to call it instinct, I had no idea how to aim. I'd never been taught how to aim. I just shoot balls into the pocket. This question, "How do you aim?" is what prompted me to write Poolology. After experimenting with various aiming systems, I learned that most aiming systems don't work for most people. That explains why so many pool players struggle to be consistent shot makers. I wanted to fix that. I wanted to find a system that could teach players how to aim any shot on the table, how to develop a feel for pocketing balls. No such system existed, until now. It's called Poolology!

Jason Francis is the man who created the Snooker Legends Tour and who's been at Ronnie O'Sullivan's side on tour for the past 6 years. This is his story, sharing tales on the road with "the Rocket" and some of the game's greatest ever snooker legends like Jimmy White and Stephen Hendry. From his initial idea, to meeting and staging the last ever snooker show with Alex "Hurricane" Higgins to taking over the World Seniors Tour, Jason reveals what he learnt about the players themselves and also the sport as it developed over the years under the guidance of Barry Hearn. Through his tour, Jason was at the center of it all, able to bring the former players together again to renew old rivalries and create new memories. He struggled against those in the game who didn't want him to succeed but never gave up. This is his story, a snooker fan's story.
