Broken comes in all ways and all sizes.

Over all of our broken chaos there's

Jesus hanging on the cross, Jesus agonizing over all our brokenness, Jesus bleeding here in our mess. Our brokenness is made whole by His brokenness.

In this study of the Biase, a small ethnic

group living in Nigeria's Cross River State, David Uru Iyam attempts to resolve a long-standing controversy among development theorists: must Third World peoples adopt Western attitudes, practices, and technologies to improve their standard of living or are indigenous beliefs, technologies, and strategies better suited to local conditions? The Biaze today face social and economic pressures that seriously strain their ability to cope with the realities of modern Nigeria. Iyam, an anthropologist and a Biaze, examines the relationship between culture and development as played out in projects in local communities. Western technologies and beliefs alone cannot ensure economic growth and modernization, Iyam shows, and should not necessarily

be imposed on poor rural groups who may not be prepared to incorporate them; neither, however, is it possible to recover indigenous coping strategies given the complexities of the postcolonial world. A successful development strategy, Iyam argues, needs to strengthen local managerial capacity, and he offers suggestions as to how this can be done in a range of cultural and social settings.

No matter how close you are to them, there are certain things you just don't say. No matter how lonely you feel, there are certain people you just don't befriend. No matter how much you've fallen, there's always a guy you shouldn't give your heart to... Sadly for me, I learned the last one only after I had gotten my heart broken. They say you shouldn't look down upon anyone, or you will be put in their situation and

made to experience the crisis. When I was fourteen, I had looked disdainfully at a girl who was sobbing hysterically over a guy who liked her best friend. For which, I was probably paying the price now. However, I was trying my best to fit my feet in the shoes I had been given. I was trying and I was managing just fine. What I didn't need was a troublemaker who entered my life without permission. He was the guy who claimed to be bowled over by me, the one with a broken heart. Little did he know, I had entrusted myself to Al Malik, The Owner of me and my heart. If he had to reach me, he had to do so by pleasing Allah, which wasn't possible for a guy like him. Or so I thought.

For twenty years Dan O'Brien struggled to make ends meet on his cattle ranch in South Dakota. But when a neighbor invited him to lend a hand at the annual buffalo roundup, O'Brien was inspired to convert his own ranch, the Broken Heart, to buffalo. Starting with thirteen calves, "short-necked, golden balls of wool," O'Brien embarked on a journey that returned buffalo to his land for the first time in more than a century and a half. Buffalo for the Broken Heart is at once a tender account of the buffaloes' first seasons on the ranch and an engaging lesson in wildlife ecology. Whether he's describing the grazing pattern of the buffalo, the thrill of watching a falcon

home in on its prey, or the comical spectacle of a buffalo bull wallowing in the mud, O'Brien combines a novelist's eye for detail with a naturalist's understanding to create an enriching, entertaining narrative.

Patrick Leigh Fermor recounts the last leg of his epic walk across Europe as he makes his way through Bulgaria,

Romania, and finally Greece. In the winter of 1933, eighteen-year-old Patrick ("Paddy") Leigh Fermor set out on a walk across Europe, starting in Holland and ending in Constantinople, a trip that took him almost a year. Decades later, Leigh Fermor told the story of that life-changing journey in *A Time of Gifts* and *Between the Woods and the Water*, two books now celebrated as among the most vivid, absorbing, and beautifully written travel books of all time. *The Broken Road* is the long-awaited account of the final leg of his youthful adventure that Leigh Fermor promised but was unable to finish before his death in 2011. Assembled from Leigh Fermor's manuscripts by his prizewinning biographer Artemis Cooper and the travel writer Colin Thubron, this is

perhaps the most personal of all Leigh Fermor's books, catching up with young Paddy in the fall of 1934 and following him through Bulgaria and Romania to the coast of the Black Sea. Days and nights on the road, spectacular landscapes and uncanny cities, friendships lost and found, leading the high life in Bucharest or camping out with fishermen and shepherds—in the *The Broken Road* such incidents and escapades are described with all the linguistic bravura, odd and astonishing learning, and overflowing exuberance that Leigh Fermor is famous for, but also with a melancholy awareness of the passage of time, especially when he meditates on the scarred history of the Balkans or on his troubled relations with his father. The book ends, perfectly, with

Paddy's arrival in Greece, the country he would fall in love with and fight for.

Throughout it we can still hear the ringing voice of an irrepressible young man embarking on a life of adventure.

Only 2 in 10 Americans under 30 believe attending a church is important or worthwhile. Well over half of young adults raised in the Church have dropped out with many having a strong anti-Church stance, many even believing the Church does more harm than good. Fr. Josh Johnson was one of these people. In Broken and Blessed he tackles the harsh realities facing the Church in the 21st century. With charity and courage he speaks to his own generation of Catholic “Millennials,” who often feel their needs and concerns are not being

addressed by the Church, or who simply do not believe the Catholic Faith has any relevance to their lives. Using his own experiences, both as a former struggling young Catholic and as a priest, Fr. Josh offers an inspiring witness of how he came to know God, rather than just knowing about him—and presents practical ways for us to truly know God as well. Broken and Blessed: Addresses head-on Millennials’ most pressing issues with the Catholic Faith Presents powerful and inspiring stories from Fr. Josh’s own faith journey Shows how one can truly encounter Jesus in a personal way Offers practical insights on how to overcome habitual sins Discusses the nature of prayer, as well as the challenges to prayer and how to overcome them

Writer Lisa Jones went to Wyoming for a four-day magazine assignment. She was committed to a long-term relationship, building a career and searching for something she could not name. At a dusty corral on the Wind River Indian Reservation, she met Stanford Addison, a Northern Arapaho who seemed to transform everything around him. He gentled horses rather than breaking them. It was said he could heal people of everything from cancer to bipolar disorder. He did all this from a wheelchair; he had been a quadriplegic for more than twenty years. As Lisa returned to the ranch time and time again, Stanford slowly revealed his story.

He'd spent his teenage years busting broncos, seducing girls and dealing drugs. At twenty, he left the house for another night of partying. By morning, a violent accident had robbed him of his physical prowess and in its place left unwelcome spiritual powers – an exchange so shocking that Stanford spent several years trying to kill himself. Eventually he surrendered to his new life

and mysterious gifts. Lisa was a frequent visitor to Stanford's place over the years, the reservation and its people worked on her, exposing and healing the places where she too was broken. This is her story, intertwined with Stanford's, and it explores powerful spirits, material poverty, spiritual wealth, friendship, violence, confusion, death, and above all else, love.
