DID THE GREAT FLOOD OF INDIAN LEGEND ACTUALLY HAPPEN? WHY DID THE BUDDHA WALK TO SARNATH TO GIVE HIS FIRST SERMON? HOW DID THE EUROPEANS MAP INDIA? The history of any country begins with its geography. With sparkling wit and intelligence, Sanjeev Sanyal sets off to explore India and look at how the country’s history was shaped by, among other things, its rivers, mountains and cities. Traversing remote mountain passes, visiting ancient archaeological sites, crossing rivers in shaky boats and immersing himself in old records and manuscripts, he considers questions about Indian history that we rarely ask: Why do Indians call their country Bharat? How did the British build the railways across the subcontinent? Why was the world’s highest mountain named after George Everest? Moving from the geological beginnings of the subcontinent to present-day Gurgaon, Land of the Seven Rivers is riveting, wry and full of surprises. It is the most entertaining history of India you will ever read.

Princeton Alumni Weekly Renaissance Books

In this distinctive book, Philip Joseph considers how regional literature can remain relevant in a modern global community. Why, he asks, should we continue to read regionalist fiction in an age of expanding international communications and increasing nonlocal forms of affiliation? With this question as a guide, Joseph places the regionalist tradition of the late nineteenth and early twentieth centuries at the center of a contemporary conversation about community. Part of the challenge, Joseph shows, is to distinguish between versions of regionalism that speak nostalgically to modern readers and those that might enter actively into a more progressive collective dialogue. Examining the works of well-known writers including Hamlin Garland, Abraham Cahan, Willa Cather, Zora Neale Hurston, and William Faulkner, Joseph argues that these regionalist authors share a vision of local communities in open discourse with the external world -- capable of shaping public thought and policy and also of benefiting from the knowledge and experiences of outsiders. Their fiction depicts a range of localities, from Jewish American neighborhoods and midwest farming communities to southern African American towns and southwestern mixed-race parishes. Their characters are often associated with the literary-artistic process, a method stressing open-ended critique that -- unlike journalistic, philosophical, or legal processes -- ensures open dialogue. Joseph takes his argument beyond the boundaries of literary scholarship by engaging with art critics such as Lucy Lippard, distance-learning opponents such as David Noble, and civil society proponents such as Robert Putnam and Michael Sandel. Like civil society advocates today, regionalist writers used the idea of community as a discursive topos and explored how values including home and neighborhood were reconciled with such democratic ideals as individual self-determination and collective empowerment.

Young Indiana Jones and the Titanic Adventure National Library Australia

When political protest is read as epidemic madness, religious ecstasy as nervous disease, and angular dance moves as dark and uncouth, the 'disorder' being described is choreomania. At once a catchall term to denote spontaneous gestures and the unruly movements of crowds, 'choreomania' emerged in the nineteenth century at a time of heightened class conflict, nationalist policy, and colonial rule. In this book, author K lina Gotman examines these choreographies of unrest, rethinking the modern formation of the choreomania concept as it moved across scientific and social scientific disciplines. Reading archives describing dramatic misformations-of bodies and body politics-she shows how prejudices against expressivity unravel, in turn revealing widespread anxieties about demonstrative agitation. This history of the fitful body complements stories of nineteenth-century discipline and regimentation. As she notes, constraints on movement imply constraints on political power and agency. In each chapter, Gotman confronts the many ways choreomania works as an extension of discourses shaping colonialist orientalism, which alternately depict riotous bodies as dangerously infected others, and as curious bacchanalian remains. Through her research, Gotman also shows how beneath the radar of this colonial discourse, men and women gathered together to repossess on their terms the gestures of social revolt.

By scheming and theft, the Thief of Eddis has become King of Attolia. Eugenides wanted the queen, not the crown, but he finds himself trapped in a web of his own making. Attolia's barons seethe with resentment, the Mede emperor is returning to the attack, and the king is surrounded by the subtle and dangerous intrigue of the Attolian court. When a naive young guard expresses his contempt for the king in no uncertain terms, he is dragged by Eugenides into the center of the political maelstrom. Like the king, he cannot escape the difficulties he makes for himself. Poor Costis knows he is the victim of the king's caprice, but he discovers a reluctant sympathy for Eugenides as he watches the newly crowned king struggle against his fate. Fans of the Newbery Honor Book *The Thief and The Queen* of Attolia will recognize Megan Whalen Turner's signature plot twists and turns in the third exquisitely crafted tale about Eugenides.

*Book Review Index* Rowman & Littlefield

Nothing is overdone and not a word is out of place in this auspicious debut," wrote Kirkus in a starred review of *Instead of Three Wishes*, the first book by Megan Whalen Turner. Her second book more than fulfills that promise. The king's scholar, the magus, believes he knows the site of an ancient treasure. To attain it for his king, he needs a skillful thief, and he selects Gen from the king's prison. The magus is interested only in the thief's abilities. What Gen is interested in is anyone's guess. Their journey toward the treasure is both dangerous and difficult, lightened only imperceptibly by the tales they tell of the old gods and goddesses. Megan Whalen Turner weaves Gen's stories and Gen's story together with style and verve in a novel that is filled with intrigue, adventure, and surprise.

Books on intercultural communication are rarely written with an intercultural readership in mind. In contrast, this multinational team of authors has put together an introduction to communicating across cultures that uses examples and case studies from around the world. The book further covers essential new topics, including international conflict, social networking, migration, and the effects technology and mass media play in the globalization of communication. Written to be

accessible for international students too, this text situates communication theory in a truly global perspective. Each chapter brings to life the links between theory and practice and between the global and the local, introducing key theories and their practical applications. Along the way, you will be supported with first-rate learning resources, including:

- theory corners with concise, boxed-out digests of key theoretical concepts
- case illustrations putting the main points of each chapter into context
- learning objectives, discussion questions, key terms and further reading framing each chapter and stimulating further discussion
- a companion website containing resources for instructors, including multiple choice questions, presentation slides, exercises and activities, and teaching notes.

This book will not merely guide you to success in your studies, but will teach you to become a more critical consumer of information and understand the influence of your own culture on how you view yourself and others.

Fight Club 2 is available exclusively as a Graphic Novel! Some imaginary friends never go away . . . Ten years after starting Project Mayhem, he lives a mundane life. A kid, a wife. Pills to keep his destiny at bay. But it won't last long, the wife has seen to that. He's back where he started, but this go-round he's got more at stake than his own life.The time has arrived . . .Rize or Die. New York Times bestselling novelist Chuck Palahniuk and acclaimed artist Cameron Stewart have collaborated for one of the most highly anticipated comic book and literary events-the return of Tyler Durden. The first rule of Fight Club 2 might be not to talk about it, but Fight Club 2 is generating international headlines and will introduce a new generation of readers to Project Mayhem. Praise for the comics that comprise Fight Club 2: “At turns deeply poignant and very funny, Palahniuk’s freakish fables capture a twisted zeitgeist and add an oddly inspirational and subversive voice to the contemporary canon.... In the post-9/11 present, a hyperactive, Internet-obsessed, war- and recession-weary America apparently needs Tyler again.”—THE ATLANTIC “The book is fantastic, my highest recommendation.... Excellent work by Cameron Stewart and David Mack, and by our awesome friends at Dark Horse Comics.”—Brian Michael Bendis “If Tyler Durden needed a resurgence, there’s no time like the present for his return... Fight Club 2 is a comic that taps back into everything great about the source material, and one that makes Tyler Durden’s warm nihilistic embrace a welcome draw back into a familiar world of cynicism, violence, and anarchy....“Tyler Lives,” and I couldn't be happier by the prospect of more bedlam.”—NEWSARAMA “Palahniuk is delivering a worthy sequel to his most beloved story.”—THE NERDIST “Entertaining.”—COMIC BOOK RESOURCES “Excellent.”—THE BEAT “An amazing piece of work. You do not want to miss out on this.”—COMICVINE “Perfect.”—FORCES OF GEEK “We have a worthy sequel on our hands.... A must read.”—COMICOSITY “Cameron Stewart truly outdoes himself on every level in this book.”—BLOODY DISGUSTING “Clever and beautiful.”—COMICS ALLIANCE

Discover and rediscover the world of the Queen's Thief, from the acclaimed novel *The Thief* to the thrilling, twenty-years-in-the-making conclusion, *The Return of the Thief*. The epic novels set in the world of the Queen's Thief can be read in any order. *Thick as Thieves* is the fifth novel set in the world of the Queen's Thief. New York Times-bestselling author Megan Whalen Turner's entrancing and award-winning Queen's Thief novels bring to life the world of the epics and feature one of the most charismatic and incorrigible characters of fiction, Eugenides the thief. Megan Whalen Turner's Queen's Thief novels are rich with political machinations and intrigue, battles lost and won, dangerous journeys, divine intervention, power, passion, revenge, and deception. Perfect for fans of Leigh Bardugo, Marie Lu, Patrick Rothfuss, and George R. R. Martin. Kamet, a secretary and slave to his Mede master, has the ambition and the means to become one of the most powerful people in the Empire. But with a whispered warning the future he envisioned is wrenched away, and he is forced onto a very different path. Set in the world of the Queen's Thief, this epic adventure sees an ordinary hero take on an extraordinary mission. The Queen's Thief novels have been praised by writers, critics, reviewers, and fans, and have been honored with glowing reviews, "best of" citations, and numerous awards, including the Los Angeles Times Book Prize, a Newbery Honor, the Andre Norton Award shortlist, and the Mythopoeic Fantasy Award. *Thick as Thieves* includes two maps, a map of the world of the Queen's Thief, and a map of Kamet's journey. "The Queen's Thief books awe and inspire me. They have the feel of a secret, discovered history of real but forgotten lands. The plot-craft is peerless, the revelations stunning, and the characters flawed, cunning, heartbreaking, exceptional. Megan Whalen Turner's books have a permanent spot on my favorites shelf, with space waiting for more books to come."—Laini Taylor, New York Times-bestselling author of the *Daughter of Smoke and Bone* novels and *Strange the Dreamer* "Unforgettable characters, plot twists that will make your head spin, a world rendered in elegant detail—you will fall in love with every page of these stories. Megan Whalen Turner writes vivid, immersive, heartbreaking fantasy that will leave you desperate to return to Attolia again and again."—Leigh Bardugo, #1 New York Times-bestselling author of *Six of Crows* and *Crooked Kingdom* "Megan Whalen Turner has constructed a clever world filled with suspense and intrigue and characters that will never be forgotten. Once you dive into the world of the Queen's Thief, prepare to have your life stolen from you until you finish them all." —Joelle Charbonneau, New York Times-bestselling author of the *Testing* trilogy

How to rewire your brain to improve virtually every aspect of your life-based on the latest research in neuroscience and psychology on neuroplasticity and evidence-based practices Not long ago, it was thought that the brain you were born with was the brain you would die with, and that the brain cells you had at birth were the most you would ever possess. Your brain was thought to be "hardwired" to function in predetermined ways. It turns out that's not true. Your brain is not hardwired, it's "softwired" by experience. This book shows you how you can rewire parts of the brain to feel more positive about your life, remain calm during stressful times, and improve your social relationships. Written by a leader in the field of Brain-Based Therapy, it teaches you how to activate the parts of your brain that have been underactivated and calm down those areas that have been hyperactivated so that you feel positive about your life and remain calm during stressful times. You will also learn to improve your memory, boost your mood, have better relationships, and get a good night sleep. Reveals how cutting-edge developments in neuroscience, and evidence-based practices can be used to improve your everyday life Other titles by Dr. Arden include: *Brain-Based Therapy-Adult*, *Brain-Based Therapy-Child*, *Improving Your Memory For Dummies* and *Heal Your Anxiety Workbook* Dr. Arden is a leader in integrating the new developments in neuroscience with psychotherapy and Director of Training in Mental Health for Kaiser Permanente for the Northern California Region Explaining exciting new developments in neuroscience and their applications to daily living, *Rewire Your Brain* will guide you through the process of changing your brain so you can change your life and be free of self-imposed limitations.  
[I Know Why the Caged Bird Sings](#) University of Michigan Press

Celebrates the accomplishments of YA authors acclaimed for producing high-quality comedies, who have not yet been treated in a book-length bio-critical study. Simultaneously, it reminds readers that no matter how funny an author of fiction may be, if he shows off his wit in ways that fail to play a natural role in advancing his narrative, he is not writing good fiction. To demonstrate this, humorous passages are presented to illustrate the contribution a sense of humor can make to a work of fiction. The book is arranged topically to facilitate a comparison of distinctive treatments by various authors of adolescent life events, such as sibling rivalry, bullies, and first dates.

**Act Like a Man** John Wiley & Sons

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern

American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin From the Paperback edition.

*Megan's Year* Routledge

The western American landscape has always had great significance in American thinking, requiring an unlikely union between frontier mythology and the reality of a fragile western environment. Additionally it has borne the burden of being a gendered space, seen by some as the traditional "virgin land" of the explorers and pioneers, subject to masculine desires, and by others as a masculine space in which the feminine is neither desired nor appreciated. Both Wallace Stegner and Cormac McCarthy focus on this landscape and environment; its spiritual, narrative, symbolic, imaginative, and ideological force is central to their work. In this study, McGilchrist shows how their various treatments of these issues relate to the social climates (pre- and post-Vietnam era) in which they were written, and how despite historical discontinuities, both Stegner and McCarthy reveal a similar unease about the effects of the myth of the frontier on American thought and life. The gendering of the landscape is revealed as indicative of the attempts to deny the failure of the myth, and to force the often numinous western landscape into parameters which will never contain it. Stegner's pre-Vietnam sensibility allows the natural world to emerge tentatively triumphant from the ruins of frontier mythology, whereas McCarthy's conclusions suggest a darker future for the West in particular and America in general. However, McGilchrist suggests that the conclusion of McCarthy's *Border Trilogy*, upon which her arguments regarding McCarthy are largely based, offers a gleam of hope in its final conclusion of acceptance of the feminine.
