**Monster** Thorndike Striving Reader

On a beautiful day at the beach, a young boy brings his bucket,

shovel, and imagination, and builds a perfect sand castle. Right away, a dragon moves in. The boy decides to befriend his dragon and they spend time roaming the shore, flying a kite, braving the waves, defying bullies, and roasting marshmallows—all while Dad is busy sunbathing and Mom is engrossed in her book.

Unfortunately, no one believes the boy when he tries to share the news of this magnificent creature. That's when the mischief begins, and the dragon becomes a force to be reckoned with. While adults will recognize the naughty antics as a ploy for attention, children will dissolve into giggles as the dragon devours every last sandwich, blows bubbles in the lemonade, and leaves claw prints in the brownies. Maybe the dragon really is running amok on the beach, or maybe it's a little boy's imagination that is running wild.

For fans of *How to Babysit a Grandpa* comes a tongue-in-cheek story that is a step-by-step manual for putting your monster to bed. If you have a monster that won't go to bed, don't bother asking your parents to help. They know a lot about putting kids to bed, but nothing about putting monsters to bed. It's not their fault; they're just not good at it. Read this book instead. It will tell you what to feed your monster before bed (it's not warm milk), and what to sing to your monster (it's not a soothing lullaby), and what to read to your monster to send him off to dreamland in no time (the scarier, the better). Just make sure you don't get too good at putting monsters to bed—or you might have a BIG problem on your hands!
