JAMAL LIZETH

SETI I.B. Tauris

On the eve of his thirtieth birthday, Miguel Santos leaves his high-powered life behind for a visit to the small town he grew up in... and the high school sweetheart whose wild passion he's never stopped craving. Faith Bennett loved Miguel the moment she saw him. But she always knew his future was in New York, while hers was tied to the auto shop that was her close-knit family's livelihood. Pushing him away nearly broke her, but when he took her heart with him, he left something precious behind. Now he's back, demanding her body, her desire, her very soul as retribution for the pain he still carries. He won't settle for anything less than everything she's got, but she still can't leave with him and he still can't stay, and their past has secrets too explosive to share.

Standard Albanian Stanford University Press

What will Omri find inside the eaves of his new home? Will there be more little figures that come to life?

Atlas Shrugged Quirk Books

The authors point out the entire business orientated automotive value chain. With regard to the finance perspective these elements of the value chain are scrutinized chapter by chapter. Current trends in new mobility concepts, cross-industry strategic alliances as well as requirements for product launch, especially in the BRIC countries, are highlighted. The book provides the link between science and business practice in the automotive industry. It can be used as a textbook. Many practitioners might also use it as a guideline in the field of automotive management.

1001 Algebra Problems Learning Express (NY)

Translated from the Josef Vrioni's French version of the Albanian original, this is the author's own vision of totalitarianism.

Fighting Ruben Wolfe Skyhorse

It's hard to be five. Just yelled at my brother. My mind says do one thing. My mouth says another.

It's fun to be five! Big changes are here! My body's my car, and I'm licensed to steer. Learning not to hit? Having to wait your turn? Sitting still? It's definitely hard to be five. But Jamie Lee Curtis's encouraging text and Laura Cornell's playful illustrations make the struggles of self-control a little bit easier and a lot more fun! This is the sixth inspired book from the #1 New York Times best-selling team of Today I Feel Silly: & Other Moods That Make My Day and I'm Gonna Like Me: Letting Off a Little Self Esteem.

The Palace of Dreams HarperCollins UK

Two destinies intersect in this novel -- that of Gjorg, a young mountaineer who has just killed a man in order to avenge the death of his older brother, and who expects to be killed himself in keeping with the code of the highlands; and that of a young couple who have come to study the age-old customs, including the blood feud.

Cognitive Pragmatics Walter de Gruyter

From Ismail Kadare, winner of the inaugural Man Booker International Prize - a novelist in the class of Coetzee, Pamuk, Márquez, and Rushdie - the stunning new translation of one of his major works. In the early fifteenth century, as winter falls away, the people of Albania know that their fate is sealed. They have refused to negotiate with the Ottoman Empire, and war is now inevitable. Soon enough, dust kicked up by Turkish horses is spotted from a citadel. Brightly coloured banners, hastily constructed minarets, and tens of thousands of men fill the plain below. From this moment on, the world is waiting to hear that the fortress has fallen. The Siege tells the enthralling story of the weeks and months that follow - of the exhilaration and despair of the battlefield, the constantly shifting strategies of war, and those whose lives are held in the balance, from the Pasha himself to the artillerymen, astrologer, blind poet, and harem of women who accompany him. "Believe me," the general said. "I've taken part in many sieges but this," he waved towards the castle walls, "is where the most fearful carnage of our times will take place. And you surely know as well as I do that great massacres always give birth to great books. You really do have an opportunity to write a thundering chronicle redolent with pitch and blood, and it will be utterly different from the graceful whines composed at the fireside by squealers who never went to war." Brilliantly vivid, as insightful as it is compelling, The Siege is an unforgettable account of the clash of two great civilisations, and a portrait of war that will resonate across the centuries.

Digital Logic John Wiley & Sons

When a young Algerian named Meursault kills a man, his subsequent imprisonment and trial are puzzling and absurd. The apparently amoral Meursault--who puts little stock in ideas like love and

God--seems to be on trial less for his murderous actions, and more for what the authorities believe is his deficient character.

Anastasia Has the Answers Walter de Gruyter

Many books that challenge religious belief from a skeptical point of view take a combative tone that is almost guaranteed to alienate believers or they present complex philosophical or scientific arguments that fail to reach the average reader. This is undoubtedly an ineffective way of encouraging people to develop critical thinking about religion. This unique approach to skepticism presents fifty commonly heard reasons people often give for believing in a God and then raises legitimate questions regarding these reasons, showing in each case that there is much room for doubt. Whether you're a believer, a complete skeptic, or somewhere in between, you'll find this review of traditional and more recent arguments for the existence of God refreshing, approachable, and enlightening. From religion as the foundation of morality to the authority of sacred books, the compelling religious testimony of influential people, near-death experiences, arguments from Intelligent Design, and much more, Harrison respectfully describes each rationale for belief and then politely shows the deficiencies that any good skeptic would point out. As a journalist who has traveled widely and interviewed many highly accomplished people, quite a number of whom are believers, the author appreciates the variety of belief and the ways in which people seek to make religion compatible with scientific thought. Nonetheless, he shows that, despite the prevalence of belief in God or religious belief in intelligent people, in the end there are no unassailable reasons for believing in a God. For skeptics looking for appealing ways to approach their believing friends or believers who are not afraid to consider a skeptical challenge, this book makes for very stimulating reading.

Focus AME 4 Students' Book and MyEnglishLab Pack Editora Record

An old woman is awoken in the dead of night by knocks at her front door. The woman opens it to find her daughter, Doruntine, standing there alone in the darkness. She has been brought home from a distant land by a mysterious rider she claims is her brother Konstandin. But unbeknownst to her, Konstandin has been dead for years. What follows is chain of events which plunges a medieval village into fear and mistrust. Who is the ghost rider?

50 Reasons People Give for Believing in a God Sylvia Day, LLC

Click On is a five-level course consisting of five modules each for learners of English from complete beginner to intermediate level. In full colour, the course combines active English language learning with a variety of lively topics presented in themed units. Its well-organised syllabus promotes the gradual development of all four language skills needed by learners to communicate effectively in English. The cross-cultural approach of the course stimulates learners' interest, focusing on topics carefully chosen to motivate. The Student's Book and the Workbook for each level are designed to be covered in approximately 70 to 80 hours of classroom work.

Baudolino Canongate Books

BAUDOLINO gravita em torno dos prazeres da corte de Federico Hohenstaufen, conhecido como Barbarossa, à época da Terceira Cruzada. A história engloba justamente o período entre 1152 e 1204, começando com a ascensão de Barbarossa ao trono e terminando com a conquista de Constantinopla pela temida ordem dos cavaleiros templários. A trama é protagonizada por Baudolino - adolescente, criativo e mentiroso que dá título à obra - e Niceta Coniate, personagem inspirado em um historiador e orador que viveu na corte de Constantinopla. A narrativa retrocede, enquanto Baudolino conta a Niceta suas aventuras e desventuras, numa mistura de fantasia e realidade, História e faz-de-conta. Tudo isso temperado por inúmeras situações cômicas. No intervalo, Eco embaralha os seus personagens inventados e produz o mais recorrente efeito de seu texto: interferir em acontecimentos históricos conhecidos por meio de atos ou circunstâncias vividas pelos personagens fictícios.

Writing American Style Harper Collins

Learn the skills of the world's most famous detective in this how-to guide for Sherlock enthusiasts and amateur sleuths—from the author of the Miss Peregrine books This reader's companion to the casework of Sherlock Holmes explores the methodology of the world's most famous consulting detective. From analyzing fingerprints and decoding ciphers to creating disguises and faking one's own death, readers will learn how Holmes solved his most celebrated cases—plus an arsenal of modern techniques available to today's armchair sleuths. Along the way, readers will discover a host of trivia about the master detective and his universe: • Why did Holmes never marry? • How was the real Scotland Yard organized? • Was cocaine really legal back then? • Why were the British so terrified of Australia? For die-hard Sherlockians and amateur investigators alike, this handbook is nothing less than . . . elementary.

The Ghost Rider Learning Express (NY)

Approximately five million people worldwide speak Albanian. The opening of Albania in the 1990s to broader trading and diplomatic relations with other nations has created a need for better knowledge of the language and culture of this country. This book teaches the student to communicate in everyday situations in the language, with each chapter introducing a new situational context. Students learn to discuss work, vacations, health, and entertainment. Students also learn to practice basic skills such as shopping, ordering tickets, and renting an apartment. Upon completing this textbook, students will be at the A2/B1 level of proficiency on the scale provided by the Common European Framework of Reference for Languages (CEFR). The textbook includes: • eighteen lessons based on real-life situations, including three review lessons • dialogues to help introduce vocabulary and grammatical structures • comprehension questions and exercises • related readings at the end of each chapter • full translations for all examples discussed in grammar sections • a series of appendixes with numerous charts summarizing main classes of nouns, adjectives, and verbs • an appendix with the solutions to most of the exercises in the book • a glossary with all the words in the dialogs and readings.

Focus BrE 3 Student's Book HarperCollins

A systematic analysis of the transformation and utilization of language as an instrument of communist politics in Albania.
