**Les principes de droit international** Nabu Press

L'ouvrage met en évidence toute l'amplitude des principes

matriciels du droit, qui forment les règles cardinales de fonctionnement de nos sociétés politiques. L'analyse offre une lecture conceptuellement graduée. Celle-ci repose sur une présentation des fondements théoriques des principes, systématiquement décryptés au moyen d'une étude transversale des différentes sphères nationales et internationales d'application du droit.

Principes du droit politique Legare Street Press

Excerpt from Principes du Droit Le livre que nous donnons au public n'est qu'un traité de droit naturel. Après les savants et volumineux ouvrages que le dix - septième siècle a produits, on pourrait croire que la matière est épuisée. Il n'en est rien cependant les sciences morales sont une mine où il y aura toujours à exploiter des filons nouveaux. Et d'ailleurs, n'eût - on rien à enseigner, il est toujours opportun de répéter la vérité et de réfuter l'erreur; car les idées et les systèmes sont éphémères en toutes choses la vérité s'oublie vite, quand par hasard on l'a saisie, a besoin d'être souvent rappelée, tandis que l'erreur, au

contraire, comme le miasme dans le corps humain, germant incessamment d'elle-même, besoin d'être aussi incessamment combattue. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.

*Principes du droit politique. Pour servir de suite aux principes du droit naturel*

Les principes occupent en droit une place majeure et leur très grande vitalité n'a nul besoin d'être soulignée. Tous les champs disciplinaires sont concernés, des plus classiques comme le droit

civil ou le droit administratif, aux plus jeunes tels le droit communautaire ou le droit de l'environnement. Pourtant le concept même de principe s'avère délicat à appréhender : différentes écoles existent, voire s'affrontent à cet égard, et il est difficile de s'accorder sur une définition du principe en droit. Ceci n'empêche nullement les différents acteurs du droit, au premier rang desquels les juges - quelle que soit leur juridiction - de se saisir des principes, voire d'en dégager de nouveaux : car les principes en droit remplissent de multiples fonctions. Prenant acte de ces diverses caractéristiques le présent ouvrage. issu d'un colloque organisé à l'Université Jean Moulin-Lyon 3 les 13 et 14 décembre 2007, adopte une approche globale et transdisciplinaire qui associe, aux côtés de la doctrine en droit public et privé, en droit communautaire et international ainsi qu'en histoire du droit, les réflexions de plusieurs théoriciens du droit. A ces diverses contributions s'ajoute bien sûr la voix des juges, au travers des analyses de représentants des plus hautes juridictions.
