Unity Vol. 4; The United TPB Valiant Entertainment
 It turns out that nightmares are just dreams too. Heading west, the Renegades have found themselves at the end of Route 66 in a little town called Los Angeles, California. But the war they left behind is still waging, somehow, unseen just below the surface of the sun and surf. What if it will never end?

What if there is no escape? What if wherever they go, they carry the war inside them? It has long been said that the City of Angels is a place where anything can happen? where reality is pliable and dreams are made real in the blink of an eye. Now, like the decades of wannabe starlets and rockers before them, the Renegades are about to find out that having your dreams come true is severely underrated.
