 This pattern is written to fit nearly all child sized feet. This particular pattern will fit a foot that is 4 inches (10 cm) up to 8 3/4 inches (22 cm) in length. That is a toddler size 1 up to a nearly adult size 5, in US sizing. Please note, this isn't a pattern for beginners, but if you know how to knit a

stitch, pick up stitches and knit two stitches together, you should be okay. I've added a TON of photos and a how-to video to help you along with any of the more confusing parts. And please take note, you use 2 (two) sets of single point needles to make this. Because these are made for little feet, they often don't need much yarn and are quick to make. Awesome cozy slippers with a delightful cable owl motif. The inspiration came to me while scrolling through the wonders of the internet

and stumbling on slippers that were made in one piece on circular needles, but back and forth. I couldn't for the life of me figure it out, the pattern wasn't in English, so I decided to design my own! I came up with a very basic design, but then was inspired to make the top of the toe something special. I loved the look of a knitted cable owl on hats, mitts and scarves and next thing

you know, this pattern was born! The pattern itself will make slipper for women's sizes 6-13 and men's sizes 5-12. Please take note, this is not a pattern for beginners. I used a very different technique involving 2 sets of single pointed needles. I included photos to demonstrate how I'm using the extra set and it totally works! Trust me.
