What separates happy marriages from miserable ones? Surprisingly, it's not healthy communication. It's not conflict resolution skills. It's actually the size of the marriage's joy gap . Joy Gap/joi gap/ (n.)-1. The length of time between moments of shared joy When the joy gap gets bigger, problems are more likely to overwhelm you, resentment creeps in, and you start to feel distant and alone in your marriage. When the joy gap is smaller, you regularly feel connected and happy, problems feel manageable, and your marriage becomes a reliable source of joy. But how do you ensure that you're experiencing joy regularly? Marcus Warner and Chris Coursey have studied relationships (and neuroscience) and discovered four habits that keep joy regular and problems small. Some couples do them naturally, but anyone can learn. That's why each chapter includes 15-minute exercises that boost joy and re-train your brain to make joy your default setting. You'll learn new skills including how to: return to joy more quickly after disconnection create stronger bonds and elongate times of happiness boost your enjoyment of physical and emotional intimacy Find out what your marriage looks like after a little work and a whole lot of joy.

Thirsty people are looking to the church for fountains of life-giving water. Too often, they find leaky buckets instead. Pastors and church leaders, often running on empty themselves, are enticed by the latest fad rather than seeking to serve in the power of the Spirit. And thirsty people walk away empty, convinced the church has nothing unique to offer. Pastor Mark Wilson says it's time for the church to rise up in the power of the Holy Spirit to serve this present age. In *Filled Up, Poured Out*, he challenges and inspires fellow pastors and all Christians to prepare their hearts to be filled with the Holy Spirit, so that they can in turn pour out God's presence, promise, peace, and power in their congregations and communities. Filled with personal, inspirational stories from Mark's experience with growing a thriving congregation in a Wisconsin Northwoods town, this book will inspire you to seek the replenishing waters of God's Spirit and show you the pathway to revival for your parched soul.

On every hand a lack of something is being felt and expressed by God's people. Their Christian experience is not what they expected it would be. Instead of expected victory, it is oft-recurring, dreaded defeat; instead of soul satisfaction it is soul hunger; instead of deep, abiding heart rest, it is disquiet and discontent; instead of advancing, it is losing ground. Is this all Christ meant when He said, "Come unto Me"? Is this life of constant disappointment the normal life of the Bible Christian? To these sad questionings the Divine Word answers with an emphatic "No.,," -from *The Spirit-Filled Life* This little classic of late-19th-century Protestantism, first published in 1896, is a clearly written introduction to the theology of the Holy Spirit for "born-again" Christians seeking to be "filled with the spirit of Christ." The author explains: . why unity with the Holy Spirit is every Christian's birthright . how to cleanse oneself of sin in preparation for the Holy Spirit's arrival . how to consecrate the soul of sin in order to welcome the Holy Spirit . how to claim communion with the Holy Spirit . what impure motives to avoid when building a new relationship with the Holy Spirit . and more. What beliefs are core to the Christian faith? This book is here to help you understand the reason for your hope as a Christian so that you can see it with fresh sight and invite others into the conversation. A lot of Christians take their story—the narratives that give rise to their beliefs—for granted. They pray, go to church, perhaps even read their Bible. But they might be stuck if a stranger asked them to explain what they believe and why they believe it. Author, pastor, and theologian Mike Horton unpacks the essential and basic beliefs that all Christians share in a way that is easy to understand and applicable to our lives today. And in a way that will make you excited to be a Christian! Core Christianity covers topics like: Jesus as both fully God and fully man. The doctrine of the Trinity. The goodness of God despite a broken world. The ways God speaks. The meaning of salvation. What is the Christian calling? Includes discussion questions for individual or group use. This introduction to the basic doctrines of Christianity is perfect for those who are new to the faith, as well as those who have an interest in deepening their understanding of what it means to be a follower of Jesus Christ.

On August 14, 2011, when I was in Kandergrund in the Bernese Highlands in Switzerland an important connection became very clear to me. I recognized a spiritual cause for why we are losing part of our youth. I was very shocked. I thought of my children and grandchildren. Since then I have been intensively occupied with this subject. Now I believe that the same spiritual cause is behind many of our problems; specifically the personal problems, in the local churches and the world-wide church. It is the lack of the Holy Spirit. If this is the cause, then we should urgently address this issue. If the cause can be eliminated or considerably reduced, then many problems will become superfluous or will be resolved.

How You Can Be Filled with the Holy Spirit David C Cook

Through the history of God's people, the constant element has been the manifest presence of the Almighty. Baptism in the Holy Spirit galvanized the young church, equipping and empowering the believers for action, particularly for proclamation. This transformative experience boosted courage, fostered fluency, and granted insights to ordinary men and women--and still does today. The Spirit gives particular gifts. Terry clarifies the distinction between pastors, apostles, and prophets. Every fellowship needs a pastor, someone who can keep the flock close to the Shepherd Himself. Beyond that there is the role of the apostle, whose calling is to act as the master builder. But we are all called to be a prophetic people, able to speak God's word into the current situation, bringing direction, comfort, solutions, and action. This warm and loving description of the work of the Spirit is a delightful articulation of the passion that has driven Terry's life and ministry.
