Now available in a deluxe keepsake edition! A Time Best YA Book of All Time (2021) Run away to the Metropolitan Museum of Art with E. L. Konigsburg's beloved classic and Newbery Medal-winning novel From the Mixed-Up Files of Mrs. Basil E.

Frankweiler. When Claudia decided to run away, she planned very carefully. She would be gone just long enough to teach her

parents a lesson in Claudia appreciation. And she would go in comfort—she would live at the Metropolitan Museum of Art. She saved her money, and she invited her brother Jamie to go, mostly because he was a miser and would have money. Claudia was a good organizer and Jamie had some ideas, too; so the two took up residence at the museum right on schedule. But once the fun of settling in was over, Claudia had two unexpected problems: She felt just the same, and she wanted to feel different; and she found a statue at the Museum so beautiful she could not go home until she had discovered its maker, a question that baffled the experts, too. The former owner of the statue was Mrs. Basil E. Frankweiler. Without her—well, without her, Claudia might never have found a way to go home.

Franklin's Christmas Gift Kids Can Press Ltd

Who will be brave enough to make friends with the boy named Queen? Sara Cassidy's acclaimed novel, *A Boy Named Queen*, is now available in paperback! Evelyn is both aghast and fascinated when a new boy comes to grade five and tells everyone his name is Queen. Queen wears shiny gym shorts and wants to organize a chess/environment club. His father plays weird loud music and has tattoos. How will the class react? How will Evelyn? Evelyn is an only child with a strict routine and an even stricter mother. And yet in her quiet way she notices things. She notices the way bullies don't seem to faze Queen. The way he seems to live by his own rules. When it turns out that they take the same route home from school, Evelyn and Queen become friends, even if she finds Queen irritating at times. Why doesn't he just shut up and stop attracting so much attention to himself. Yet Queen is the most interesting person she has ever met. So when she receives a last-minute invitation to his birthday party, she knows she must somehow persuade her mother to let her go, even if Queen's world upends everything her mother considers appropriate. Correlates to the Common Core State Standards in English Language Arts: CCSS.ELA-LITERACY.RL.4.3 Describe in depth a character, setting, or event in a story or drama, drawing on specific details in the text (e.g., a character's thoughts, words, or actions).

Franklin Goes to the Hospital Open Road Media

"Churchill and Roosevelt: The Big Sleepover at the White House" received the 2018 Author Academy Award in Historical Fiction. A London playwright has converted the work to a stage play with plans to premiere in England in 2019 or early 2020. This book was written for those who enjoy history and political intrigue. It will appeal to those who enjoy reading about leadership, particularly in an arena where differences in political views, temperament, and agenda had to be overcome. Without collaboration and compromise, the world as we presently know it might be considerably different. Even though the story occurred over 75 years ago, the protagonists speak in first person voice, not knowing the outcome of the crisis they must confront. Readers may not have known that Winston Churchill visited Franklin Roosevelt two weeks after Japan bombed Pearl Harbor. Roosevelt insisted that Winston sleep in the White House. The

two men had much in common—more than they realized. There are plenty of other surprises along the way—a chance encounter with Adolph Hitler, a fishing expedition, a shared mentor, a favorite movie, a movie producer spy, Commander Ian Fleming’s visit to the Oval Office, and canine diplomacy to name but a few. During their time together, Churchill and Roosevelt shared many private moments as they forged a bond of friendship, trust, and cooperation that enabled them to defeat their countries’ common enemies. How their relationship evolved is dramatized and personified in this book. Most of the narrative is based on documentation, but what went on behind the view of the public eye is subject to the imagination and suspense. The author fleshes out the story with conversations that may have occurred over the course of three weeks but not necessarily provable. Lastly, the writer sets out to humanize these two epic leaders of the 20th century. He reveals not only their fears and tears but also their joys, humor, passions, temperaments, and schemes. He attempts to “break into their minds” as the two men join together to save the Western world from ruin. The author has also published: “Paw Tracks Here and Abroad: A Dog’s Tale,” (2014) and “Mr. Froggy’s Dilemma,” (2018). Website: www.jamesmikelwilson.com

Franklin's Bad Day Darby Creek™

In this stand-alone sequel to *The Mealworm Diaries*, Aaron is anxiously waiting for his father to return for the first time since Aaron's mother's death eight years earlier. Aaron works hard with a counselor at school, but he still has problems getting along with and understanding other kids, and he's worried that his dad will think he's weird. As well as having to confront Tufan, the class bully, Aaron must find ways to cope with the fact that his dad now has a pregnant wife and his beloved Gran needs surgery. In the end, his greatest strength is not his intelligence or his sense

of humor, but the openness and warmth of his heart.
