New Jerome Biblical Commentary  
InterVarsity Press

The New Covenant is full of God's grace. In order to enjoy such grace each one who belongs to the Lord must know what this New Covenant is. How sad that many of the Lord's people today neither appreciate nor understand this New Covenant. For this reason we have a burden to release some messages on the New Covenant. Even so, the New Covenant is such a comprehensive subject that we cannot exhaust its richness with our limited

learning, experience and words. Still, we look to God's grace and are willing to share with His children the little we have received. Our earnest prayer is that God would enable us to know something of the New Covenant and lead us into its spiritual reality.

In this astute mix of cultural critique and biblical studies, John H. Walton presents and defends twenty propositions supporting a literary and theological understanding of Genesis 1 within the context of the ancient Near Eastern world and unpacks its implications for our modern scientific understanding of origins. Ideal for students, professors, pastors and

lay readers with an interest in the intelligent design controversy and creation-evolution debates, Walton's thoughtful analysis unpacks seldom appreciated aspects of the biblical text and sets Bible-believing scientists free to investigate the question of origins. The books in the Lost World Series follow the pattern set by Bible scholar John H. Walton, bringing a fresh, close reading of the Hebrew text and knowledge of ancient Near Eastern literature to an accessible discussion of the biblical topic at hand using a series of logic-based propositions. **Biblioteca de ideas: Reuniones** Moody Publishers

Tragic confrontations at schools throughout the past two decades are striking evidence that teens need help and training in peaceful conflict resolution. God knows each conflict a teen goes through--with their families, friends, and teachers--and he is in control. In this student edition of *The Peacemaker*, Ken Sande and Kevin Johnson show teens, youth leaders, parents, and pastors, how they can apply biblical principles to conflict situations, allowing for forgiveness and reconciliation instead of hatred or violence. Every girl is a beautiful creation, uniquely equipped by God to do His work in the world. But as girls are growing, changing, and making choices about the kinds of lives they will lead, they are bombarded with conflicting messages about what it means to be a woman. The media says one thing, boys say another, and friends seem obsessed with whatever is newest and coolest. As a result, girls too often hand their decisions over to those least qualified to make them. Into the breach steps Elizabeth George, bestselling author and beloved Bible teacher. With wisdom, gentleness, and tremendous grace, she guides tween girls ages 8 to 12 through the most challenging decisions they face, teaching them to let God—not the world—define who they are. Discussing such topics as attitude, friendships, crushes, parents, school, and avoiding bad situations, Elizabeth helps girls see that the very best choice of all is a choice to

live within God's will. Perfect for individuals, small groups, and mentoring.

**The Youth Worker's Guide to Helping Teenagers in Crisis** Vida

It doesn't take a long list of statistics to convince you that our world is broken. Mission trips, service projects, and supporting children through relief organizations are just a few of the ways that many youth workers engage their students in serving the least, the last, and the lost. As good and helpful as these things may be on the surface, that's where they remain—at the surface. The problems run far deeper than an occasional paint job or fundraising project can solve. But it's not hopeless. Deep social justice is possible in your youth ministry. Following their bestselling book, *Deep Ministry in a Shallow World*, Kara Powell and Chap Clark provide you with research and insights that will help your ministry get to the next level. In addition to helping you further understand the Deep Design method (introduced in their previous book), their practical Kingdom of God theology will help you go beyond simply trying to motivate your students to serve those in need, and invite your students (and

maybe even your leaders) to wrestle with why those people are in need in the first place. You'll hear from well-known social justice leaders and youth workers who are making a difference in urban, suburban, and small town settings including: • Jim Wallis (Sojourners) • Tony Campolo (Eastern University) • Lina Thompson (World Vision/Vision Youth) • John Perkins (Christian Community Development Association) • Shane Claiborne (The Simple Way) • Larry Acosta (Urban Youth Workers Institute) • Rudy Carrasco (Harambee Christian Family Center) • Jeremy Del Rio (Community Solutions, Inc.) • Noel Castellanos (Christian Community Development Association), and more In addition to expanding your personal justice commitments, *Deep Justice in a Broken World* will help you reflect with your own leadership team, and will provide you with online resources to take you even deeper into the journey. So go ahead, dig deeper into what it means to heal the broken world in which we live. Take your ministry deeper into social justice.

Most preaching and teaching in the church

engages only one of the senses—hearing. In *The Power of Multisensory Preaching and Teaching*, Rick Blackwood shows how recognizing and engaging the multiple senses of the congregation can lead to greater impact. Blackwood presents both biblical evidence and scientific research showing that the more senses we stimulate in teaching and preaching, the greater the levels of learner attention, comprehension, and retention. Blackwood addresses both the “why” and the “how” of multisensory communication.

Regardless of one’s current skill level, this practical book can help anyone add multisensory elements to messages in order to take communication to the next level—more compelling, clear, and memorable. As a result of reading this book readers can be more effective as a communicator and teacher. The book includes tools, examples, and worksheets.

*Deep Ministry in a Shallow World* will show you a new way to prayerfully reflect on the questions you face in your youth ministry every day so you can find the answers that will take it to deeper places. That’s because authors Chap Clark and Kara Powell have gathered significant research findings that will help shift your ministry paradigm. Did you know that: • the typical strategies we use to build relationships with kids might actually cause them to trust us less because of what this generation has endured? • recent research on communication could help us move past the witty talks and funny stories we work so hard to develop and instead actually connect the Bible to kids’ lives? • studies show that offering students “just Jesus” and not helping them at home, school, and in their neighborhoods might not help them very much at all? The authors’ research also led to their development of the Deep Design problem-solving process—a revolutionary model

that will give you better tools than ever before to address every last issue you'll encounter in youth ministry.
