Toronto bears many titles-one of the globe's most culturally diverse cities, the heartbeat of the country's business community, and the first stop on the itinerary of the majority of travelers to Canada. The city has transformed itself in recent years into one of North America's largest metropolises, brimming with a breadth of nightlife, dining, theatre and entertainment that rivals any on the continent. A wave of investment has led to the unveiling of a new generation of cultural institutions and high-end hotels that are pushing the city to the forefront of the global tourism destinations. Frommer's Toronto Day by Day will guide readers through this new Toronto, quickly and with an insider's knowledge of the one-of-a-kind experiences that lurk in the city's many vibrant neighborhoods. With hundreds of color photos, dozens of annotated maps and walking tours, thematic tours for every taste and star-rated advice on where to eat, stay, shop, and have fun, this book is the perfect accompaniment to any visit to the city.

Based on the blockbuster movie starring Meryl Streep and Kevin Bacon. To help heal a marriage on the rocks, river-rafting expert Gail, her husband Tom, and their son embark on a white water adventure in Montana. Along the way, they encounter two inexperienced rafters supposedly looking for their friends downriver. Little do they know that the men are escaped convicts whose bid for freedom has a body count. Things take a turn when the young family learns that they are now the captives of two armed killers, and it becomes clear that there is much more at stake than a marriage. Desperate to evade both the police and federal marshals, the men force the family down the river and into the mouth of a deadly class 5 white-water rapid. Careening towards mortal peril, Gail and Tom must bond together to save their family from the brutality of nature and the savageness of man. This high-stakes thriller is both a testament to the power of mother nature and a classic adventure story that is perfect for fans of CJ Box and Craig Johnson. Denis O'Neill, the screenwriter for the movie The River Wild, brings the striking beauty of the film into his writing and ratchets up the danger that races forward to a breathtaking conclusion.

The New Apologists for Poetry was first published in 1956. Minnesota Archive Editions uses digital technology to make long-unavailable books once again accessible, and are published unaltered from the original University of Minnesota Press editions. The author's purpose is to clear the ground for a systematic aesthetics of poetry consistent with the insights of our most influential contemporary literary critics. The book is concerned with those of the so-called "new critics" who are trying to answer the need, forced on them by historical and cultural pressures, to justify poetry by securing for it a unique function for which modern "scientism" cannot find a substitute. This volume provides intensive analyses of work by critics of several persuasions: T. E. Hulme, T. S. Eliot, I. A. Richards, John Crowe Ransom, Yvor Winters, Allen Tate, and Cleanth Brooks, and, for purposes of contrast, D. G. James, R. S. Crane, Elder Olson, and Max Eastman. Allen Tate, the poet and critic, writes: "Mr. Krieger's book is the most searching in scholarship and the most profound in critical analysis of the existing books in this field." Robert B. Heilman, critic and teacher, comments: "The author's knowledge of a complex field and his mastery of the analytical techniques which he is applying to a chosen set of critical positions are very impressive. He not only clarifies the positions of various contemporary critics by examining them in the light of the same set of general principles, but also provides some helpful, at times brilliant, insights into the works of various critics from the Greeks up to the present. He traces the history of concepts and thus establishes relationships among individual critics and critical schools."

Today, humanity is caught up in the mad complexity of the mind and there is an urgent need to rediscover simplicity and innocence. Here, the contemporary mystic Osho brings to life the inherent and timeless wisdom of traditional Zen stories, showing that Zen is a way of dissolving philosophical problems, not of solving them -- a way of getting rid of philosophy, because philosophy is a sort of neurosis. Zen is for those intelligent enough to understand the limitations of the intellect and ready to recognize the significance of intuition in the world of mysticism.

Physics of Nuclei and Particles, Volume II explores the prevalent descriptive methods used in nuclear and particle physics, with emphasis on the phenomenological and model-based aspects. The interactions of nuclear particles are discussed, along with nuclear forces and potentials and scattering and reaction models employed in nuclear physics. The nuclear structure and models of the nucleus are also considered. Comprised of four chapters, this volume begins with a review of the characteristics of nucleons and other particles that play a role in nuclear interaction processes in order to gain further insight into the underlying physical problems. Neutron physics, antineutrons, deuteron physics, and two-body nuclear forces are highlighted, together with three- and four- nucleon systems and heavy-ion physics. The next three chapters deal with nuclear forces and potentials, as deduced from nuclear dynamics (scattering and polarization); scattering and reaction models used in nuclear physics; and nuclear models such as the shell model, models of deformed nuclei, and many-body self-consistent models. The book concludes with an analysis of the Brueckner-Bethe-Goldstone theory of nuclear matter. This book will be of interest to physicists.

[Rise: The Brand New Autobiography](#) Harper Collins

The business leadership coaching classic, revised and updated for today's workplace. The world of leadership has changed dramatically since 100 Ways to Motivate Others was written, and now Chandler and Richardson have revised and refreshed their organizational classic to meet the times. They have crafted a vital, user-friendly, inspirational guide for executives, managers, and professionals . . . and those aspiring to reach their level. 100 Ways to Motivate Others is based on years of successful live workshops, seminars, and personal coaching programs on communication and leadership. This new edition includes fresh insights into communication and rapid decision-making, the importance of personal self-leadership and physical energy, and exciting new methods for enrolling clients and selling to customers in service-oriented ways that leave behind the old paradigm of manipulation and persuasion. The authors will help you learn: How to slow down and enjoy a new level of focus. How to build on your peoples' strengths. A simple and creative way to hold people accountable. How to enjoy cultivating the art of supportive confrontation. "Steve Chandler's coaching has had a tremendous impact in my life. He was vital to my personal transformation from a man of ideas and dreams to a person of action and reality." —Radames Soto, former managing director, The Wall Street Journal "Steve Chandler lights you up with the glow of his internal neon . . . what he proposes is so rock solid and reassuring." —Lisa Schnebly, The Arizona Republic
