FRENCH GONZALES

False Witness Simon and Schuster
This is a frank, compassionate book written to those who contemplate suicide as a way out of their situations. The author issues an invitation to life, helping people accept the imperfections of their lives, and opening eyes to the possibilities of love.

Casting Light on the Dark Web Thomas & Mercer

TRUE CRIMEA Minnesota dog trainer is found dead of an apparent suicide after detectives find her details on a dark web murder-for-hire site. But who paid \$13,000 in Bitcoin to kill this devout Christian and beloved wife and mother? An extraordinary tale of infidelity, betrayal and a shadowy hitman who may not be all he seems.?A Page-3 glamour model is drugged, kidnapped and listed for sale on a dark web human trafficking site. A secret society called Black Death demands a ransom for her safe return, or else she will be sold to sadistic

millionaires to use before feeding to the tigers. ?True tales from the dark side of the internet

Smallpox: the Death of a Disease
Bantam

His name is Farden.They whisper that he's dangerous.Dangerous is only the half of it.Something has gone missing from the libraries of Arfell. Something very old, and something very powerful. Five scholars are now dead, a country is once again on the brink of war, and the magick council is running out of time and options.Entangled in a web of lies and politics and dragged halfway across icy Emaneska and back, Farden must unearth a secret even he doesn't want to know, a secret that will shake the foundations of his world. Dragons, drugs, magick, death, and the deepest of betrayals await.Welcome to EmaneskaTHE WRITTEN is the debut book release from Ben Galley, a young author from sunny England. This is the first part of the Emaneska Series, a dark fantasy trilogy set in the ancient and brutal world of Emaneska. Brimming with intrigue, mystery, and violence, the

Emaneska Series is set to be a thrilling and twisting ride. The eagerly awaited sequel PALE KINGS is due for release in 2012. If you'd like to find out more about THE WRITTEN, its sequels, or more about the author Ben Galley, go to www.bengalley.com.

Dopeworld Rowman & Littlefield
 ONE OF BARACK OBAMA'S FAVORITE BOOKS OF THE YEAR NAMED A BEST BOOK OF THE YEAR BY NPR, PARADE, REAL SIMPLE, and BUZZFEED AN INSTANT NEW YORK TIMES BESTSELLER A GOOD MORNING AMERICA BOOK CLUB PICK "[Moore's] careful balance of the hard-bitten with the heartfelt is what elevates Long Bright River from entertaining page-turner to a book that makes you want to call someone you love." – The New York Times Book Review "This is police procedural and a thriller par excellence, one in which the city of Philadelphia itself is a character (think Boston and Mystic River). But it's also a literary tale narrated by a strong woman with a richly drawn personal life – powerful and genre-defying." – People "A thoughtful, powerful novel by a writer who displays enormous compassion for her characters. Long Bright River is an outstanding crime novel... I absolutely loved it." —Paula Hawkins, #1 New York Times bestselling author of The Girl on the Train Two sisters travel the same streets, though their lives couldn't be more different. Then one of them goes missing. In a Philadelphia neighborhood rocked by the opioid crisis, two once-inseparable sisters find themselves at odds. One, Kacey, lives on the streets in the vise of addiction. The other, Mickey, walks those same blocks on her police beat. They don't speak anymore, but Mickey never stops worrying about her sibling. Then Kacey disappears, suddenly, at the same time that a

mysterious string of murders begins in Mickey's district, and Mickey becomes dangerously obsessed with finding the culprit--and her sister--before it's too late. Alternating its present-day mystery with the story of the sisters' childhood and adolescence, Long Bright River is at once heart-pounding and heart-wrenching: a gripping suspense novel that is also a moving story of sisters, addiction, and the formidable ties that persist between place, family, and fate.

John Dies at the End HarperCollins Book one in the hit series that's soon to be a major motion picture starring Amandla Stenberg and Mandy Moore-- now with a stunning new look and an exclusive bonus short story featuring Liam and his brother, Cole. When Ruby woke up on her tenth birthday, something about her had changed. Something alarming enough to make her parents lock her in the garage and call the police. Something that got her sent to Thurmond, a brutal government "rehabilitation camp." She might have survived the mysterious disease that killed most of America's children, but she and the others emerged with something far worse: frightening abilities they cannot control. Now sixteen, Ruby is one of the dangerous ones. But when the truth about Ruby's abilities--the truth she's hidden from everyone, even the camp authorities--comes out, Ruby barely escapes Thurmond with her life. On the run, she joins a group of kids who escaped their own camp: Zu, a young girl haunted by her past; Chubs, a standoffish brainiac; and Liam, their fearless leader, who is falling hard for Ruby. But no matter how much she aches for him, Ruby can't risk getting close. Not after what happened to her parents. While they journey to find the one safe haven left for kids like them--

East River--they must evade their determined pursuers, including an organization that will stop at nothing to use Ruby in their fight against the government. But as they get closer to grasping the things they've dreamed of, Ruby will be faced with a terrible choice, one that may mean giving up her only chance at a life worth living.

Side Effects HarperCollins

This book is an easy-to-read and comprehensive guide to understanding how the Dark Web works and why you should be using it! Readers are led on a tour from how to download the platform for personal or public use, to how it can best be utilized for finding information. This guide busts myths and informs readers, remaining jargon-free.

The Darkest Web One World

New York Times bestselling author Nora Roberts deftly blends romance and suspense in this compelling novel of a woman whose career, marriage, and very life are threatened by the truth about her own past. Emma McAvoy may have grown up in the limelight, but some secrets are hidden in a darkness no light can reach. Now on the verge of a successful career, and having fallen in love with the man of her dreams, Emma is looking to the future. Yet it's the past that is about to catch up with her. For Emma, her childhood had been almost like a rags-to-riches fairy tale—until the tragic night that changed her family forever. But what Emma thinks she knows about that terrible night and the man she's about to marry is only half the truth. The other half is locked away in the last place she'd ever think to look: her own memories. It's a mystery a handsome and relentlessly driven homicide detective needs to solve in a case that's haunted him for years—and a secret someone will kill to keep.

Long Bright River Disney Electronic Content

How to be a great online searcher, demonstrated with step-by-step searches for answers to a series of intriguing questions (for example, "Is that plant poisonous?"). We all know how to look up something online by typing words into a search engine. We do this so often that we have made the most famous search engine a verb: we Google it—"Japan population" or "Nobel Peace Prize" or "poison ivy" or whatever we want to know. But knowing how to Google something doesn't make us search experts; there's much more we can do to access the massive collective knowledge available online. In *The Joy of Search*, Daniel Russell shows us how to be great online researchers. We don't have to be computer geeks or a scholar searching out obscure facts; we just need to know some basic methods. Russell demonstrates these methods with step-by-step searches for answers to a series of intriguing questions—from "what is the wrong side of a towel?" to "what is the most likely way you will die?" Along the way, readers will discover essential tools for effective online searches—and learn some fascinating facts and interesting stories. Russell explains how to frame search queries so they will yield information and describes the best ways to use such resources as Google Earth, Google Scholar, Wikipedia, and Wikimedia. He shows when to put search terms in double quotes, how to use the operator (*), why metadata is important, and how to triangulate information from multiple sources. By the end of this engaging journey of discovering, readers will have the definitive answer to why the best online searches involve more than typing a few words into Google.

All Your Twisted Secrets UN

The award-winning creators of National Public Radio's "Ghetto Life 101" and "Remorse: The 14 Stories of Eric Morse" combine talents with a young photographer to show what life is like in one of the country's darkest places: Chicago's Ida B. Wells housing project. Photos.

The Dark Web Dive Gollancz

Jon Dies at the End is a genre-bending, humorous account of two college drop-outs inadvertently charged with saving their small town--and the world--from a host of supernatural and paranormal invasions. Now a Major Motion Picture. "[Pargin] is like a mash-up of Douglass Adams and Stephen King... 'page-turner' is an understatement." —Don Coscarelli, director, Phantasm I-V, Bubba Ho-tep STOP. You should not have touched this flyer with your bare hands. NO, don't put it down. It's too late. They're watching you. My name is David. My best friend is John. Those names are fake. You might want to change yours. You may not want to know about the things you'll read on these pages, about the sauce, about Korrok, about the invasion, and the future. But it's too late. You touched the book. You're in the game. You're under the eye. The only defense is knowledge. You need to read this book, to the end. Even the part with the bratwurst. Why? You just have to trust me. The important thing is this: The sauce is a drug, and it gives users a window into another dimension. John and I never had the chance to say no. You still do. I'm sorry to have involved you in this, I really am. But as you read about these terrible events and the very dark epoch the world is about to enter as a result, it is crucial you keep one thing in mind: None of this was my fault.

Wasted Allen & Unwin

"Side Effects: Death" is the true story of corruption, bribery, and fraud written by the man called the Big Pharma Insider. During his 35 years in the pharmaceutical industry, most notably as general manager of Eli Lilly and Company in Sweden, Virapen was responsible for the marketing of several drugs, all with side effects.

Darkest Web RosettaBooks

A thrilling debut, reminiscent of new fan favorites like One of Us Is Lying and the beloved classics by Agatha Christie, that will leave readers guessing until the explosive ending. "Welcome to dinner, and again, congratulations on being selected. Now you must do the selecting." What do the queen bee, star athlete, valedictorian, stoner, loner, and music geek all have in common? They were all invited to a scholarship dinner, only to discover it's a trap. Someone has locked them into a room with a bomb, a syringe filled with poison, and a note saying they have an hour to pick someone to kill...or else everyone dies. Amber Prescott is determined to get her classmates and herself out of the room alive, but that might be easier said than done. No one knows how they're all connected or who would want them dead. As they retrace the events over the past year that might have triggered their captor's ultimatum, it becomes clear that everyone is hiding something. And with the clock ticking down, confusion turns into fear, and fear morphs into panic as they race to answer the biggest question: Who will they choose to die?

The Mastermind Crossroad Publishing Company

Dark... A kingpin willing to murder to protect his dark web drug empire. A corrupt government official determined to avoid exposure. The death of a dark

web drugs czar in mysterious circumstances in a Bangkok jail cell, just as the author arrives there. Who is Variety Jones and why have darknet markets ballooned tenfold since authorities shut down the original dark web drugs bazaar, Silk Road? Who are the kingpins willing to sell poisons and weapons, identities and bank accounts, malware and life-ruining services online to anyone with a wallet full of Bitcoin? Darker... A death in Minnesota leads detectives into the world of dark web murder-for-hire where hundreds of thousands of dollars in Bitcoin is paid to arrange killings, beatings and rapes. Meanwhile, the owner of the most successful hitman website in history is threatening the journalists who investigate his business with a visit from his operatives - and the author is at the top of his list. Darkest... People with the most depraved perversions gather to share their obscene materials in an almost inaccessible corner of the dark web. A video circulates and the pursuit of the monsters responsible for 'Daisy's Destruction' lead detectives into the unimaginable horror of the world of hurtcore. There's the world wide web - the internet we all know that connects us via news, email, forums, shopping and social media. Then there's the dark web - the parallel internet accessed by only a select few. Usually, those it connects wish to remain anonymous and for good reason. Eileen Ormsby has spent the past five years exploring every corner of the Dark Web. She has shopped on darknet markets, contributed to forums, waited in red rooms and been threatened by hitmen on murder-for-hire sites. On occasions, her dark web activities have poured out into the real world and she has attended trials, met with criminals and the law

enforcement who tracked them down, interviewed dark web identities and visited them in prison. This book will take you into the murkiest depths of the web's dark underbelly: a place of hitmen for hire, red rooms, hurtcore sites and markets that will sell anything a person is willing to pay for - including another person. The Darkest Web.

The Darkest Web Hachette UK

In 2009 Elspeth Muir's youngest brother, Alexander, finished his last university exam and went out with some mates on the town. Later that night he wandered to the Story Bridge. He put his phone, wallet, T-shirt and thongs on the walkway, climbed over the railing, and jumped thirty metres into the Brisbane River below. Three days passed before police divers pulled his body out of the water. When Alexander had drowned, his blood-alcohol reading was almost five times the legal limit for driving. Why do some of us drink so much, and what happens when we do? Fewer young Australians are drinking heavily, but the rates of alcohol abuse and associated problems—from blackouts to sexual assaults and one-punch killings—are undiminished. Intimate and beautifully told, *Wasted* illuminates the sorrows, and the joys, of drinking. Elspeth Muir is a Brisbane author whose writing has appeared in the *Lifted Brow*, *The Best of the Lifted Brow: Volume One*, *Griffith Review*, *Voiceworks* and *Bumf*. She is a postgraduate student at the University of Queensland. 'Deeply personal and unflinchingly honest, Muir's debut book is among the best long-form explorations of how and why some Australians drink alcohol to excess...It is a striking work and among the strongest debut books I have read.' Australian 'Intricately crafted...An intimate portrait of a grieving family and a nation unable to

reconcile itself to the harmful effects of its drinking culture...Reminiscent of writers such as Chloe Hooper and Helen Garner...This book will help you think critically and compassionately about those who seek solace in alcohol.' Books + Publishing 'Wasted barrels headfirst into the alcohol-soaked heart of Australia to report on our fraught love affair with drinking.' Liam Pieper 'There is no lapse in urgency in Wasted; this conversation is a crucial one to have. Five stars.' Good Reading 'The prose style of this unheralded writer...is so achingly beautiful and assured, Helen Garner might be pleased to hand her the keys to the creative nonfiction kingdom and ride off into the Carlton sunset.' Saturday Paper '[Muir] gifts readers gorgeously evocative passages which convey a depth of emotion...Wasted is a haunting read.' Readings 'Elspeth writes beautifully and honestly, documenting the shocking loss...in such heartbreaking circumstances.' Mamamia '[Muir] concludes of her brother's death, "What a waste of a life that was." Yet by determinedly documenting the drinking culture that coddled him, she has opened vital new lines of enquiry into our duty of care towards drinkers. It's a tragedy, but now, not entirely a waste.' Lifted Brow 'Interweaving brilliant reportage with memoir, Wasted delves into Australia's complicated relationship with alcohol...Timely and eye-opening.' Canberra Weekly 'The strongest new Australian voice I've come across this year.' Readings, Our Favourite Books of 2016 (so far) 'Wasted is a book that every New Zealander and Australian needs to read...If I had my way, I'd give this to everyone in their last year of high school, and their parents too.' Booksellers New Zealand 'Elspeth Muir's memoir begins after her younger

brother's night of heavy drinking culminates with him jumping from a bridge and drowning in the Brisbane River. Her handling of the subject is, by turn, heartbreaking, evocative and, in parts, refreshingly weird, and her assured voice makes this a sobering read.' Best Non-Fiction Books of 2016, Readings 'This devastating personal story of loss and grief is also an unflinching examination of the damaging drinking habits of young Australians, and of a society that not only permits, but encourages them.' Junkee *American Kingpin* Macmillan Notorious. Illegal. Avoid if you can. These are words most commonly used to describe what some mistakenly call 'The Deep Web'. Yet, the Deep Web is where your banking information sits. Your shopping profile, your saved searches, and your passwords. What they're really referring to is THE DARK WEB, and I'll take you there--with the proper preparation and knowledge of its history. Learn who created the Dark Web and how long it's been in existence. Discover the people who dedicated their lives to the technology that runs the Dark Web, and why they made such sacrifices. You'll read about those who rose to dizzying heights plumbng riches in the darknet, and who fell because of their vanity and overconfidence. In *The Dark Web Dive*, you'll unbury the facts about: The secret origin of Tor and the Tor Project The uncensored history of the Dark Web, Arpanet and its dark siblings Who provides funding for the Dark Web? (You'll be surprised.) The stories behind the Silk Road, Hansa, and other infamous Dark Web marketplaces. The truth about the Surface Web and why Google is not to be trusted with your information, and what you can do about it? The technology you need to keep

your internet identity safe on a daily basis. The chilling tales of the Dark Web. Are the urban legends coming from the darknets based in truth? Who are the heroes, and who are the villains of hidden service sites? And how to tell one from another? A step-by-step guide to suit up before you embark on your own Dark Web Dive. The answers you've always wanted to the questions you were perhaps too afraid to ask are here, along with a wealth of knowledge to open your eyes as to what's really happening below the surface of the Internet every day. Be one of the ones who know the truth and has the facts to arm themselves against identity theft and data farming. Dare to take The Dark Web Dive today!

Between the World and Me Penguin
The shocking, gripping, and at times darkly hilarious bestselling memoir of Nikki Sixx's yearlong war with a vicious heroin addiction, featuring exclusive new content. When Mötley Crüe was at the height of its fame, there wasn't any drug Nikki Sixx wouldn't do. He spent days—sometimes alone, sometimes with other addicts, friends, and lovers—in a coke- and heroin-fueled daze. The highs were high, and Nikki's journal entries reveal some euphoria and joy. But the lows were lower, often ending with Nikki in his closet, surrounded by drug paraphernalia and wrapped in paranoid delusions. Here, Nikki shares the diary entries—some poetic, some scatterbrained, some bizarre—of those dark times. Joining him are Tommy Lee, Vince Neil, Mick Mars, Slash, Rick Nielsen, Bob Rock, and a host of ex-managers, ex-lovers, and more. Brutally honest, utterly riveting, and surprisingly moving, *The Heroin Diaries* follows Nikki during the year he plunged to rock bottom—and his courageous decision to

pick himself up and start living again.

Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history

and free ourselves from its burden? Between the World and Me is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bravely confronts our present, and offers a transcendent vision for a way forward.
