But it is much more useful to give a good or well-meaning word to our loved ones while they are still alive. Coworkers, children, spouses, and friends all need uplifting messages when they can hear, receive, and be transformed by them. With wisdom, personal anecdotes, and hands-on exercises, Lord teaches readers everything they need to know to deliver powerful words with life-changing impact today. He discusses the scriptural basis for blessing others, describes how readers can receive their own blessing from God, and teaches them to weave the practice of blessing into their everyday lives.
