The magical world of Harry Potter and his friends (and enemies!) is one that is host to a wealth of wonderful information. Over seven books, J K Rowling has introduced us to a fantastical place where I am sure many of us would love to live - despite the risks of coming across dark wizards or scary

beasts! This book contains 400 questions to test the knowledge of any Harry Potter fan. From questions even a muggle should know all the way through to trivia that would test Dumbledore himself, this is an excellent way to enjoy the wizarding world even more. These quiz questions are generally based on the world as told to us in the books, rather than the series of films, as the two are sometimes quite different! Perhaps you will read this book - newly updated and revised for a third edition - on the bus home after a long day at work or school, or maybe you will test your friends and family to see if they are as much of a magical expert as you are.

Quiz Kids was a network radio program that aired from 1940 to 1953 featuring smart children answering difficult questions submitted by listeners. Part of radio history during its "golden age," Quiz Kids thrived during a period of dramatic change in America. Audiences marveled at the speed with which the Kids answered the most difficult questions, vaulting the show beyond the producers' wildest expectations. Eleanor Roosevelt invited the Kids to the White House to meet with them. Their appearance at the Senate is discussed in the Congressional Record. During World War II, they toured America and raised \$120 million in war bonds. They were guests on Jack Benny's radio show for three consecutive weeks. Walt Disney, Bob Hope, Fred Allen, the Lone Ranger, Gene Autry and other famous people were on their program. This thorough history describes the creation of the program, its national popularity and the children who made it such good listening.
