KERR GIOVANNA

The Tiny Seed Bloomsbury Publishing USA

This highly acclaimed biography from the author of *Last Train to Memphis* illuminates the extraordinary life of one of the most influential blues singers of all time, the legendary guitarist and songwriter whose music inspired generations of musicians, from Muddy Waters to the Rolling Stones and beyond. The myth of Robert Johnson's short life has often overshadowed his music. When he died in 1938 at the age of just twenty-seven, poisoned by the jealous husband of a woman he'd been flirting with at a dance, Johnson had recorded only twenty-nine songs. But those songs would endure as musical touchstones for generations of blues performers. With fresh insights and new information gleaned since its original publication, this brief biographical exploration brilliantly examines both the myth and the music. Much in the manner of his masterful biographies of Elvis Presley, Sam Phillips, and Sam Cooke, Peter Guralnick here gives readers an insightful, thought-provoking, and deeply felt picture, removing much of the obscurity that once surrounded Johnson without forfeiting any of the mystery. "I finished the book," declared the *New York Times Book Review*, "feeling that, if only for a brief moment, Robert Johnson had stepped out of the mists."

Ten Minutes to Bed: Little Unicorn Simon and Schuster

Il est fort probable, et même souhaitable, que Stéphane Guillon ne se calme jamais. Une preuve flagrante à verser au dossier : cette sélection de chroniques écrites pour France Inter de septembre 2008 à juin 2009, qui ont valu à son auteur, au début du printemps dernier, une convocation dans le bureau du président de Radio France. Ce dernier a donc prononcé cette phrase étonnante en s'adressant au chroniqueur préféré, en tout cas le plus écouté, de la radio publique : « On m'a demandé de vous calmer. » Ce livre ne démasquera pas, ce n'est pas son but, l'identité de celui ou de ceux qui ont espéré le silence, du moins le calme du chroniqueur. Il aura l'allure d'un journal de bord, un journal un peu noir qui balayera toute l'actualité d'une longue saison scolaire pendant laquelle Stéphane Guillon n'aura favorisé aucun des éléments de la classe politique, ni de droite, ni du centre, ni de gauche. On mesurera, en découvrant ou redécouvrant ce florilège de billets d'incorrection quotidienne, la qualité de chacun de ces textes, l'écriture acérée et implacable de l'auteur, aussi bon à l'écrit qu'à l'oral semblerait-il, à la manière d'un Pierre Desproges de notre temps auquel, à tort ou à raison, Stéphane Guillon est souvent comparé. L'un comme l'autre auront su en tout cas donner du talent à une époque qui en est bien dépourvue.
