In 1971, India waged a momentous war against Pakistan. But before all-out war, an even more significant tank battle was fought on 21 November 1971 by the C Squadron 45 Cavalry, which demolished the Pakistani General A.A.K. Niazi's plans of victory and set the stage for the utter routing of the Pakistani Army. Equipped with the amphibious PT-76 tanks, the Indian Army's C Squadron 45 Cavalry was unleashed to swim across the River Kabodak, near the Boyra salient (now in

Bangladesh), to counter the threat from East Pakistan. On 21 November 1971, the two warring armies clashed in a tank versus tank battle at Garibpur. In one fell swoop, Pakistan's 3 (Independent) Armoured Squadron, consisting of fourteen American M-24 Chaffee tanks, was completely destroyed and two of its infantry battalions were badly mauled. This was followed by the shooting down of three Sabre F-86 jets for the loss of two PT-76 tanks on the Indian side. And thus, the biggest attack planned by General A.A.K. Niazi to teach the Indians and the Mukti Bahini a lesson had gone up in smoke. This battle was a victory and a decisive one at that. It was a trumpet call to the rest of the world of India's intent to stand up for human liberty and dignity in this war of

liberation. On 3 December 1971, Pakistan declared war. The rest is history. The Burning Chaffees is a thrilling account of the pivotal battle of 21 November by Brigadier B.S. Mehta.

'One of the most strikingly lyrical voices writing about the lives of Indian women' -- Amitav Ghosh 'Chitra Banerjee Divakaruni turns the Ramayana around by telling it in the voice of Sita ... this inversion is a gift - it presents us a way to know an already well-known story better and to love an already beloved story more' -- Arshia Sattar 'This inspired evocation of the goddess Sita is an epic song of strength and solidarity told with joy and intensity. It brings to life the personalities and predicaments of the

Ramayana' -- Namita Gokhale 'Among the many, many Ramayanas there are now even - thankfully - some "Sitayanas", but I know of none with the special magic that Chitra Divakaruni ... brings to the telling' -- Philip Lutgendorf 'Chitra Banerjee Divakaruni's Sita ... is an epitome of courage and self-respect, showing a path for all women. While weaving a familiar story, Chitra provides deep and surprising insights' -- Volga 'An incomparable storyteller' -- Denver Post 'Divakaruni's stories are irresistible' -- The New York Times Book Review 'Divakaruni's storytelling talents put her right up there with the best' -- Miami Herald 'In recasting the Ramayan as a love story Divakaruni accords Sita parity with Ram, revealing her innate strength. By giving primacy to her thoughts and

feelings this also becomes the private tale of Shri and Shrimati Ramchandra Raghuvanshi, two wonderful people who loved each other but who broke up. To readers well-acquainted with that tragedy of modern times, the failed marriage, it will appeal. The ending, however, surpasses all expectations.' -- The Sunday Standard 'The success of both The Palace Of Illusions and The Forest Of Enchantments hinges acutely on the skill with which Divakaruni deploys the narratorial voice.' -- Mint 'The Forest of Enchantments is one of the simplest and most beautiful retellings of Sage Valmiki's epic.' -- Jetwings 'Chitra Banerjee Divakaruni does justice to the women of Ramayana ... The Forest of Enchantments is not just a retelling of a much-told epic, rather it

is a book that tells it like it is - balanced and non-judgmental.' -- Huffpost 'A work ... of pluralities and possibilities ... This is the Sitayan we will give to our daughters, that they may imbibe Sita's strength, and even more proudly to our sons, who will learn how a woman is to be treated' -- The Wire 'Banerjee is markedly feminist ... Her spin on the most pivotal moment of Sita's life, the agnipariksha episode, is a moment of feminist brilliance. Her Sita answers all the questions we would have had when listening to the Ramayana while leaving us with plenty of food for thought.' -- The New Indian Express 'Divakaruni's retelling reminds her readers that the Ramayana, besides being a morality tale, is a love story at its heart' -- Huffpost 'Divakaruni and her women

characters are a formidable pair' -- The Wire The Ramayana, one of the world's greatest epics, is also a tragic love story. In this brilliant retelling, Chitra Banerjee Divakaruni places Sita at the centre of the novel: this is Sita's version. The Forest of Enchantments is also a very human story of some of the other women in the epic, often misunderstood and relegated to the margins: Kaikeyi, Surpanakha, Mandodari. A powerful comment on duty, betrayal, infidelity and honour, it is also about women's struggle to retain autonomy in a world that privileges men, as Chitra transforms an ancient story into a gripping, contemporary battle of wills. While the Ramayana resonates even today, she makes it more relevant than ever, in the underlying questions in the novel: How

should women be treated by their loved ones? What are their rights in a relationship? When does a woman need to stand up and say, 'Enough!'

The House of Scindias: A Saga of Power, Politics and Intrigue Jaypee

Bhagat Singh spent the last two years of his life in jail, awaiting execution. During this time, he and his comrades fought one of the most celebrated court battles in the annals of national liberation struggles, and used the court as a vehicle for the propagation of their revolutionary message. They also struggled against the inhuman conditions in the colonial jail, and faced torture and pain. Their heroism made them icons and figures of inspiration for generations to come. All this is well-

known. What is not so well-known is that Bhagat Singh wrote four books in jail. Although they were smuggled out, they were destroyed and are lost forever. What survived was a Notebook that the young martyr kept in jail, full of notes and jottings from what he was reading. In the year of his birth centenary, LeftWord is proud to present his Notebook in an elegant edition. This edition has been checked against the copy preserved in the National Archives of India. The Notebook is richly annotated by Bhupender Hooja; and the annotations have been revised and updated for this edition. Also included are the most important texts that Bhagat Singh wrote in jail, Chaman Lal's lucid introduction, the New York Daily Worker's reports and Periyar's editorial on the hanging.

Weeks before India announced a total lockdown to combat the Covid-19 pandemic in March 2020, the drama and governance coup in Madhya Pradesh political theatre was already speaking. Jyotiraditya Scindia dumped the Congress overnight for the Bharatiya Janata Party (BJP) bringing down the former from power in the state. Many saw the return of the prodigal grandson as the reunion of the political dynasty of Scindias under BJP's catch-all umbrella. Jostling to spill over, along with priceless jewels in the treasury of Jai Vilas palace — the Scindias' royal abode in Gwalior — are many carefully buried secrets. Some are best hidden away, such as the

Gwalior monarchs' controversial role during the revolt of 1857. Others need to be kept out of sight for diplomatic causes, such as the Rajmata's excessive dependency on her 'Rasputin' and the resultant mistrust of her only son, Madhavrao. One of the bigger questions is the palace alleged and under-probed role in Mahatma Gandhi's assassination. It is perhaps because of these unsolved mysteries that curiosity about the Scindias — a family that has given India

many a salesperson across party lines — continues to dominate India's public imagination. With political intrigue, palace conspiracies, cut-throat rivalry and an ugly public feud, betrayals and property wars fought in courts, and siblings that do not look eye to eye, the Scindias make tantalizing headlines. With a wealth of information about the Gwalior royals, The House of Scindias is their most definitive and revealing biography.
