Secrets from Beyond the Grave Tyndale House Publishers, Inc.

Amadi’s masterpiece of African literature captures village life and practices not yet touched by the white man. The novel’s beautiful, hardworking protagonist, Ihouma, is admired by all in her village. Yet those who express their love for her meet with mysterious tragedy, leaving her devastated. This enticing odyssey, where exemplary attributes go unrewarded and the boundaries between myth and reality are muted, outwits readers with unexpected twists that make them want to keep turning the page.

Nooks and Corners of the New England Coast Cornell University Press

In this playful and sexually savvy guide, "Dr. Cheryl" Fraser presents enlivening mindfulness practices, techniques from couples and sex therapy, and the wisdom of Buddhist teachings to help couples spark the passion and thrill they’ve been seeking. With this spiritually scintillating book, couples can break the monotony of familiar routines and bring a little nirvana back to the bedroom for a more exciting, loving, and fulfilling and relationship.

The History of the Reformation of Religion Within the Realm of Scotland Routledge

One of Jesus' most important endeavors during His short ministry involved the preparation of His twelve disciples for the work they would need to accomplish. The importance of studying Jesus' methodologies cannot be overstated. While there is much we can learn from His words and deeds, it is His work in training the disciples that facilitated the promotion and growth of the Kingdom in the first century. If we would become His disciples, we must sit at His feet and be trained by Him as He trained the twelve. "The Training of the Twelve" was written in the face of growing doubt about the legitimacy of the Gospels as authentic witnesses to the life and work of Jesus. In "The Training of the Twelve," Bruce seeks to prove that the portrayal of Jesus and His disciples is authentic, and therefore their message is believable as revealed in the New Testament. Whereas the nineteenth century liberal scholars were saying that the disciples invented the story of Jesus, "The Training of the Twelve" provides sufficient proof that it is Jesus who transforms the disciples into the Apostles, and that their testimony is true. This compelling defense of the portrayal of Jesus and His disciples in the Gospel accounts is, if anything, even more necessary now than it was when it was first written. Scholars today continue to perpetuate many of the claims of the nineteenth century liberal scholars and have even gone beyond them in denying the legitimacy of the Gospel accounts of the life of Jesus of Nazareth. In a world that believes in a distinction between the 'historical Jesus' and the 'Jesus of faith, ' "The Training of the Twelve" demonstrates that the two are really one and the same.

The Path to Rome Rowman & Littlefield Publishers

“An explosive, fascinating book that reveals how the Bible cannot be used as a rulebook when it comes to sex. A terrific read by a top scholar.” —Bart Ehrman, author of *Misquoting Jesus* Boston University’s cutting-edge religion scholar Jennifer Wright Knust reveals the Bible’s contradictory messages about sex in this thoughtful, riveting, and timely reexploration of the letter of the gospels. In the tradition of Bart Erhman’s *Jesus Interrupted* and John Shelby Spong’s *Sins of Scripture*, Knust’s *Unprotected Texts* liberates us from the pervasive moralizing—the fickle dos and don’ts—so often dictated by religious demagogues. Knust’s powerful reading offers a return to the scripture, away from the mere slogans to which it is so often reduced.

The Dynamic Laws of Prosperity Bantam

It's surprising that the term "heterosexuality" is less than 150 years old and that heterosexuality's history has never before been written, given how obsessed we are with it. In *Straight*, independent scholar Hanne Blank delves deep into the contemporary psyche as well as the historical record to chronicle the realm of heterosexual relations--a subject that is anything but straight and narrow. Consider how Catholic monasticism, the reading of novels, the abolition of slavery, leisure time, divorce, and constipation of the bowels have all at some time been labeled enemies of the heterosexual state. With an extensive historical scope and plenty of juicy details and examples, *Straight* provides a fascinating look at the vagaries, schisms, and contradictions of what has so often been perceived as an irreducible fact of nature.

The Innocents Abroad Franklin Classics Trade Press

There are prayers that can help rekindle the interest of your spouse in your marriage, even if he or she hasn't looked at you in years. In some cases, these prayers can help turn any troubled relationship to a terrific relationship in as short a time as 21 days.

History of the Colony of New Haven JHU Press

A cultural, social, and medical history of migraine. For centuries, people have talked of a powerful bodily disorder called migraine, which currently affects about a billion people around the world. Yet until now, the rich history of this condition has barely been told. In *Migraine*, award-winning historian Katherine Foxhall reveals the ideas and methods that ordinary people and medical professionals have used to describe, explain, and treat migraine since the Middle Ages. Touching on classical theories of humoral disturbance and medieval bloodletting, Foxhall also describes early modern herbal remedies, the emergence of neurology, and evolving practices of therapeutic experimentation. Throughout the book, Foxhall persuasively argues that our current knowledge of migraine's neurobiology is founded on a centuries-long social, cultural, and medical history. This history, she demonstrates, continues to profoundly shape our knowledge of this complicated disease, our attitudes toward people who have migraine, and the sometimes drastic measures that we take to address pain. *Migraine* is an intimate look at how cultural attitudes and therapeutic practices have

changed radically in response to medical and pharmaceutical developments. Foxhall draws on a wealth of previously unexamined sources, including medieval manuscripts, early-modern recipe books, professional medical journals, hospital case notes, newspaper advertisements, private diaries, consultation letters, artworks, poetry, and YouTube videos. Deeply researched and beautifully written, this fascinating and accessible study of one of our most common, disabling—and yet often dismissed—disorders will appeal to physicians, historians, scholars in medical humanities, and people living with migraine alike.

The Concubine Harper Collins

The classic Harmony of the Gospels. For college and seminary students, Sunday school teachers, and all students of the Bible.

ABOUT THE BOOK *Godly Wisdom for a Pastor's Wife* is a perennial best seller and healing balm for all the women that are married to pastors and ministers of God. As the pastor was called, so also the wife of the pastor is called to stand by her husband to fulfil the call of God upon his life. This book outlines from the Bible the sacrifices, work, and the development necessary to fulfil that role without losing out in the overall scheme that God is working on the earth through herself and her husband. This book is a must-read for every Pastor's wife and soon-to-be Pastor's wife. If your man is in any level of ministry, this book will make you a blessing of immense value in your generation.

A Belle of the Fifties; Memoirs of Mrs. Clay, of Alabama Random House

NEW YORK TIMES BESTSELLER • Turn: Washington’s Spies, now an original series on AMC Based on remarkable new research, acclaimed historian Alexander Rose brings to life the true story of the spy ring that helped America win the Revolutionary War. For the first time, Rose takes us beyond the battlefield and deep into the shadowy underworld of double agents and triple crosses, covert operations and code breaking, and unmask the courageous, flawed men who inhabited this wilderness of mirrors—including the spymaster at the heart of it all. In the summer of 1778, with the war poised to turn in his favor, General George Washington desperately needed to know where the British would strike next. To that end, he unleashed his secret weapon: an unlikely ring of spies in New York charged with discovering the enemy’s battle plans and military strategy. Washington’s small band included a young Quaker torn between political principle and family loyalty, a swashbuckling sailor addicted to the perils of espionage, a hard-drinking barkeep, a Yale-educated cavalryman and friend of the doomed Nathan Hale, and a peaceful, sickly farmer who begged Washington to let him retire but who always came through in the end. Personally guiding these imperfect everyday heroes was Washington himself. In an era when officers were gentlemen, and gentlemen didn’ t spy, he possessed an extraordinary talent for deception—and proved an adept spymaster. The men he mentored were dubbed the Culper Ring. The British secret service tried to hunt them down, but they escaped by the closest of shaves thanks to their ciphers, dead drops, and invisible ink. Rose’s thrilling narrative tells the unknown story of the Revolution-the murderous intelligence war, gunrunning and kidnapping, defectors and executioners—that has never appeared in the history books. But Washington’s Spies is also a spirited, touching account of friendship and trust, fear and betrayal, amid the dark and silent world of the spy.

Prayer Cookbook for Busy People (Book 2) Xlibris Corporation

There’s Gold Dust in the Air for You! This book is the result of several recent recessions and many years of lean living. Nobody likes recessions and nobody likes lean living-and indeed nobody should like them. For fifteen years I tried to find such a book as this one. During those years of searching the book shelves, I found that there are many books which give various success ideas, but in none of them did I find a set of compact, simple laws for

assuring success. Years ago, a salesman used the power of prosperous thinking, although he may not consciously been aware of it. When people asked him, "How's business?" he always gave this standard answer: "Business is wonderful because there's gold dust in the air!" For him it certainly seemed to be so-every contact became a sale. After a while, whenever his name was mentioned, people always said, "Yes, everything he touches turns to gold. These secrets are inside. Get Your Copy Now.

Dictionary of Biblical Criticism and Interpretation Charisma Media

It is possible for you to move from debt into abundance in a short space of time. There are provisions in the scripture to help you do this. In this book you will discover the biblical secret of the jar of oil that never runs dry. After reading this manual and applying the teachings, you will know how to unlock the storehouse of God using debt-free prayers, scriptural giving and other principles of kingdom economics.

Mosses from an Old Manse Franklin Classics Trade Press

Evans equips parents to raise their children with a Kingdom perspective and also offers practical how-to advice on providing spiritual training as instructed in Scripture. He begins with an overarching look at the need for Kingdom parenting, our roles and responsibilities in raising God-following children, and how to prepare children to take on the assignments God has for their lives. He then provides specific training for kids in the power of prayer, wisdom, loving God's Word, getting through trials, controlling their tongues, developing patience, the surrender of service, and much more.

Little Wideawake By Lucy Elizabeth Drummond Sale-Barker

The Complete Book of 2010s Broadway Musicals Deward Publishing

#1 NEW YORK TIMES BESTSELLER • "A lucid, intelligent page-turner" (Los Angeles Times) that challenges long-held assumptions about Jesus, from the host of Believer Two thousand years ago, an itinerant Jewish preacher walked across the Galilee, gathering followers to establish what he called the "Kingdom of God." The revolutionary movement he launched was so threatening to the established order that he was executed as a state criminal. Within decades after his death, his followers would call him God. Sifting through centuries of mythmaking, Reza Aslan sheds new light on one of history's most enigmatic figures by examining Jesus through the lens of the tumultuous era in which he lived. Balancing the Jesus of the Gospels against the historical sources, Aslan describes a man full of conviction and passion, yet rife with contradiction. He explores the reasons the early Christian church preferred to promulgate an image of Jesus as a peaceful spiritual teacher rather than a politically conscious revolutionary. And he grapples with the riddle of how Jesus understood himself, the mystery that is at the heart of all subsequent claims about his divinity. Zealot yields a fresh perspective on one of the greatest stories ever told even as it affirms the radical and transformative nature of Jesus' life and mission. Praise for Zealot "Riveting . . . Aslan synthesizes Scripture and scholarship to create an original account."—The New Yorker "Fascinatingly and convincingly drawn . . . Aslan may come as close as one can to respecting those who revere Jesus as the peace-loving, turn-the-other-cheek, true son of God depicted in modern Christianity, even as he knocks down that image."—The Seattle Times "[Aslan's] literary talent is as essential to the effect of Zealot as are his scholarly and journalistic chops. . . . A vivid, persuasive portrait."—Salon "This tough-minded, deeply political book does full justice to the real Jesus, and honors him in the process."—San Francisco Chronicle "A special and revealing work, one that believer and skeptic alike will find surprising, engaging, and original."—Jon Meacham, Pulitzer Prize-winning author of *Thomas Jefferson: The Art of Power* "Compulsively readable . . . This superb work is highly recommended."—Publishers Weekly (starred review)
