Moomin Book Two Sort of Books

Moomin learns about true friendship and the consequences of fame when he uses a magic potion to turn his thinning tail into a solid gold one.

The Moomin Colouring Book Puffin

Books

When Moomintroll learns that a comet will be passing by, he and his friend Sniff travel to the Observatory on the Lonely Mountains to consult the Professors. Along the way, they have many adventures, but the greatest adventure of all awaits them when they learn that the comet is headed straight for their beloved Moominvalley.

Indigenous Toronto William Morrow
Paperbacks

After a disastrous helicopter ride through a thunderstorm, the entire Moomin family is stranded on a desert island ... the very island their ancestors came from! They make the best of it, hunting for their supper, exploring mysterious tunnels, and salvaging items from a wrecked pirate ship (including the

Mymble!), but their ancestors don't let them live in peace and quiet for too long. *Moomin Book 1* Drawn and Quarterly
Tove Jansson's memoirs of her early years, filled with joy, exuberance, and the satisfaction of being—with an abundance of photographic illustrations. The excitement of being alive and savoring the good things that are life pervades all the writing of Tove Jansson. The beloved nine volumes of her Moomintroll chronicles for younger readers, her two adult novels, *The Summer Book* and *Sun City*; and her internationally known paintings and drawings reveal this delight in existence. In her memoirs of her very early years she shares the pleasures of growing up with a happy, freedom-loving family and with nature in Finland. It is a childhood

memory that speaks to people everywhere.

Tove Jansson Life, Art, Words New York Review of Books

A virtual memoir in letters by the beloved creator of the Moomins Tove Jansson's works, even her famed Moomin books, fairly teem with letters of one kind or another, from messages bobbing in bottles to whole epistolary novels. Fortunately for her countless readers, her life was no different, unfolding as it did in the letters to family, friends, and lovers that make up this volume, a veritable autobiography over the course of six decades—and the only one Jansson ever wrote. And just as letters carry a weight of significance in Jansson's writing, those she wrote throughout her life reflect the gravity of

her circumstances, the depth of her thoughts and feelings, and the critical moments of humor, sadness, and grace that mark an artist's days. These letters, penned with characteristic insight and wit, provide an almost seamless commentary on Jansson's life within Helsinki's bohemian circles and on her island home. Shifting between hope and despair, yearning and happiness, they describe her immersion in art studies and her ascension to fame with the Moomins. They speak frankly of friendship and love, loneliness and solidarity, and also of politics, art, literature, and society. They summon a particular place and time reflected through a mind finely attuned to her culture, her world, and her own nature—all clearly put into biographical

and historical context by the volume's editors, both longtime friends of Tove Jansson—and, in the end, draw a complex, intimate self-portrait of one of the world's most beloved authors.

Art in Nature Macmillan

The fillyjonk is seized with a nameless fear, a sense of approaching disaster, but once the calamity occurs she feels peaceful and free.

Fair Play Farrar, Straus and Giroux (BYR)

The first Moomin story. Moomin, Moominmamma and Sniff search through forest and flood for long lost Moominpappa. In a series of adventures along the way, they encounter Hemulens, stranded kittens and the blue-haired Tulippa.

Tove Jansson New York Review of Books

From the author of the international bestseller *What I Loved*, a provocative collection of autobiographical and critical essays about writing and writers.

Whether her subject is growing up in Minnesota, cross-dressing, or the novel, Hustvedt's nonfiction, like her fiction, defies easy categorization, elegantly combining intellect, emotion, wit, and passion. With a light touch and consummate clarity, she undresses the cultural prejudices that veil both literature and life and explores the multiple personalities that inevitably inhabit a writer's mind. Is it possible for a woman in the twentieth century to endorse the corset, and at the same time approach with authority what it is like to be a man? Hustvedt does. Writing with rigorous honesty about her own

divided self, and how this has shaped her as a writer, she also approaches the works of others--Fitzgerald, Dickens, and Henry James--with revelatory insight, and a practitioner's understanding of their art.

Moomin Book 5 Drawn & Quarterly

The definitive illustrated biography of one of the most unique and beloved children's authors of the 20th century, the creator of the Moomins. Tove Jansson (1914-2001) led a long, colourful and productive life, impacting significantly the political, social and cultural history of 20th-century Finland. And while millions of children have grown up with Little My, Snufkin, Moomintroll and the many creatures of Moominvalley, the life of Jansson - daughter, friend and companion - is

more touching still. This book weaves together the myriad qualities of a painter, author, illustrator, scriptwriter and lyricist from fraught beginnings through fame, war and heartbreak and ultimately to a peaceful end.

Moomin Falls in Love Turtleback Books

For use in schools and libraries only.

When Moomin and Snorkmaiden save a circus leading lady named LaGoona from a flood, Moomin thinks he has fallen in love, but Moomin is confused by Snorkmaiden's anger.

Moomin Deluxe: Volume One Drawn & Quarterly

The Finnish-Swedish writer and artist Tove Jansson achieved worldwide fame as the creator of the Moomin stories, written between 1945 and 1970 and still in print in more than twenty languages.

However, the Moomins were only a part of her prodigious output. Already admired in Nordic art circles as a painter, cartoonist and illustrator, she would go on to write a series of classic novels and short stories. She remains Scandinavia's best loved author. Tove Jansson's work reflected the tenets of her life: her love of family (and special bond with her mother), of nature, and her insistence on freedom to pursue her art. Love and work was the motto she chose for herself and her approach to both was joyful and uncompromising. If her relationships with men foundered on her ambivalence towards marriage, those with women came as a revelation, especially the love and companionship she found with her long-time partner, the artist Tuulikki Pietilä, with whom she

lived on the solitary island of Klovharu. In this meticulously researched, authorised biography, Boel Westin draws together the many threads of Jansson's life: from the studies interrupted to help her family; the dark shades of war and her emergence as an artist with a studio of her own; to the years of Moomin-mania, and later novel writing. Based on numerous conversations with Tove, and unprecedented access to her journals, letters and personal archives, *Tove Jansson: Life, Art, Words* offers a rare and privileged insight into the world of a writer whom Philip Pullman described, simply, as 'a genius'.

[Comet in Moominland](#) Sort of Books
Deception—the lies we tell ourselves and the lies we tell others—is the subject of this, Tove Jansson's most unnerving and

unpredictable novel. Here Jansson takes a darker look at the subjects that animate the best of her work, from her sensitive tale of island life, *The Summer Book*, to her famous Moomin stories: solitude and community, art and life, love and hate. Snow has been falling on the village all winter long. It covers windows and piles up in front of doors. The sun rises late and sets early, and even during the day there is little to do but trade tales. This year everybody's talking about Katri Kling and Anna Aemelin. Katri is a yellow-eyed outcast who lives with her simpleminded brother and a dog she refuses to name. She has no use for the white lies that smooth social intercourse, and she can see straight to the core of any problem. Anna, an elderly children's book

illustrator, appears to be Katri's opposite: a respected member of the village, if an aloof one. Anna lives in a large empty house, venturing out in the spring to paint exquisitely detailed forest scenes. But Anna has something Katri wants, and to get it Katri will take control of Anna's life and livelihood. By the time spring arrives, the two women are caught in a conflict of ideals that threatens to strip them of their most cherished illusions.

Moominpappa at Sea Sort of Books

The enchanting comic strip that introduced adult readers to the wonderful world of Moomin Tove Jansson is revered around the world as one of the foremost children's authors of the twentieth century for her illustrated chapter books regarding the magical

worlds of her creation, the Moomins. The Moomins saw life in many forms but debuted to its biggest audience ever on the pages of world's largest newspaper the London Evening News, in 1954. The strip was syndicated in newspapers around the world with millions of readers in 40 countries. Moomin Book One is the first volume of Drawn & Quarterly publishing plan to reprint the entire strip drawn by Jansson before she handed over the reigns to her brother Lars in 1960. This is the first time the strip will be published in any form in North America and will deservedly place Jansson among the international cartooning greats of the last century. The Moomins are a tight-knit family — hippo-shaped creatures with easygoing and adventurous outlooks. Jansson's art

is pared down and precise, yet able to compose beautiful portraits of ambling creatures in fields of flowers or rock-strewn beaches that recall Jansson's Nordic roots. The comic strip reached out to adults with its gentle and droll sense of humor. Whimsical but with biting undertones, Jansson's observations of everyday life, including guests who overstay their welcome, modern art, movie stars, and high society, easily caught the attention of an international audience and still resonate today.

Who Will Comfort Toffle? Coach House Books

Love is . . . Loud Love is . . . Quiet Join The Moomins for a celebration of love. This delightful little book features all of your favourite Moomin characters and

whimsical illustrations by Tove Jansson. The perfect gift for Valentine's Day, or any other day you want to say 'I love you!'

The Woman Who Borrowed Memories Macmillan

Everyone knows the Moomins sleep through the winter. But this year, Moomintroll has woken up early. So while the rest of the family slumber, he decides to visit his favorite summer haunts. But all he finds is this strange white stuff. Even the sun is gone! Moomintroll is angry: whoever Winter is, she has some nerve. Determined to discover the truth about this most mysterious of all seasons, Moomintroll goes where no Moomin has gone before. *Moominland Midwinter* Sort of Books
'My grandmother bought the island. The

year was 1947 and she was thirty-three, a couple of years older than I am now. She was the visionary sort of person who can make something magical out of very little.' From the moment that Tilly's grandmother, Mor-mor, set eyes on the rocky outline of Småmyrö, it captured her imagination. Legend has it that she bought the island in exchange for a mink coat. Every summer from then on, she and her young family would escape from their life in the English countryside to its rugged outcrops and sparkling waters. Mor-mor loved Småmyrö fiercely. Lean and chic, she smoked voraciously and would scandalise the local islanders by roaming around naked, flanked by her standard black poodle, Cheri. Her children spent their days running wild, thieving for gull

eggs, rowing on the lagoon, and foraging for island raspberries, which Mor-mor would sandwich together with whipped cream to make into a sukkerkake. Thirty-five years later, Tilly spent her first summer on Småøyane. Her Mamma kept up the rituals that she herself had learnt from Mor-mor, and Tilly discovered in the island a living link between her family's past and its present. Glittering and bittersweet, this is the captivating story of the women who made Småøyane their own: a land of childhood adventures, of magical summers, and of Tilly's first romance. *The Summer Book* Drawn & Quarterly

This newly translated collection of stories brilliantly evokes the shifting scenes and restlessness of summer. A professor arrives in a beautiful Spanish

village only to find that her host has left and she must cope with fractious neighbours alone; a holiday on a Finnish Island is thrown into disarray when a disconcerting young boy arrives; an artist returns to an old flat to discover that her life has been eerily usurped. Philosophical and profound, but with the deceptive lightness that is her hallmark, *Travelling Light* is guaranteed to surprise and transport.

A Plea for Eros Picador

Fair Play is the type of love story that is rarely told, a revelatory depiction of contentment, hard-won and exhilarating. Mari is a writer and Jonna is an artist, and they live at opposite ends of a big apartment building, their studios connected by a long attic passageway. They have argued, worked, and laughed

together for decades. Yet they've never really stopped taking each other by surprise. Fair Play shows us Mari and Jona's intertwined lives as they watch Fassbinder films and Westerns, critique each other's work, spend time on a solitary island (recognizable to readers of Jansson's *The Summer Book*), travel through the American Southwest, and turn life into nothing less than art.

The Listener Pan Macmillan

Includes four comic strips featuring Moomin, a teenage troll who looks like a hippopotamus and passively deals with life's troubles; including "Moomin's

Winter Follies," "Moomin Mamma's Maid," "Moomin Builds a House," and "Moomin Begins a New Life."

Notes from an Island Penguin UK

This stylish and unique Moomin colouring book features original artwork from the coveted archive of Tove Jansson, creator of the Moomins; one of the most cherished children's book series ever written. Beautifully conceived and designed, this contemporary colouring book features striking patterns and scenes as well as all your favourite Moomin characters and their most memorable quotes. The perfect gift for Moomin fans of all ages. *April release
