“An engrossing,

suspenseful family saga filled with unpredictable twists and turns.”

—Chanel Cleeton, New York Times bestselling author of *Next Year in Havana* “With an equal mix of historical fiction, dramatic family conflict, and mystery, this tale should please fans of Christina Baker Kline, Lisa Wingate, and Kate Quinn.” —Booklist  
The Washington Post Books to Read Now | Ms. Magazine Reads for the Rest of Us | Bustle Most Anticipated Books | PopSugar Best Books | BiblioLifestyle

Most Anticipated Historical Fiction Books | Book Riot Book Recommendations | Finer Things Book Lover Gifts They’ll Actually Love Perfect for fans of Julia Alvarez and Silvia Moreno-Garcia, this exhilarating novel transports you to the lush tropical landscape of 1920s Ecuador, blending family drama, dangerous mystery, and the real-life history of the coastal town known as the “birthplace of cacao.” As a child in Spain, Puri always knew her passion for chocolate

was inherited from her father. But it's not until his death that she learns of something else she's inherited—a cocoa estate in Vinces, Ecuador, a town nicknamed “París Chiquito.” Eager to claim her birthright and filled with hope for a new life after the devastation of World War I, she and her husband Cristóbal set out across the Atlantic Ocean. But it soon becomes clear someone is angered by Puri's claim to the estate... When a mercenary sent to murder her aboard the ship

accidentally kills Cristóbal instead, Puri dons her husband's clothes and assumes his identity, hoping to stay safe while she searches for the truth of her father's legacy in Ecuador. Though freed from the rules that women are expected to follow, Puri confronts other challenges at the estate—newfound siblings, hidden affairs, and her father's dark secrets. Then there are the dangers awakened by her attraction to an enigmatic man as she tries to learn the identity

of an enemy who is still at large, threatening the future she is determined to claim... “A lush Ecuadoran cacao plantation is the setting for this imaginative historical drama filled with sibling rivalry and betrayals. Threaded throughout this dramatic family saga are descriptions of cocoa-making that will leave your mouth watering for chocolate.” – The Washington Post “A sweepingly elegant historical novel.” – Ms. Magazine “A lushly

written story of  
bittersweet family secrets  
and betrayals.” —Andrea  
Penrose, author of *Murder  
at the Royal Botanic  
Gardens* “Passionate and  
suspenseful, *The Spanish  
Daughter* is a satisfying  
historical mystery set in a  
lush tropical land.”

A Spanish-English  
bilingual dictionary  
specifically written to  
meet the needs of  
Spanish learners of  
English. The best bilingual  
dictionary of Spanish and  
English for beginner to  
upper-intermediate

learners. It has been  
especially written to meet  
the needs of Spanish  
speakers learning English  
and includes over 110,000  
headwords and phrases,  
as well as a wealth of  
information geared  
specifically to enhance  
understanding and  
improve communication  
skills in English. It  
includes extensive notes  
highlighting the most  
common mistakes made  
by Hispanic learners  
(informed by the  
Cambridge Learner  
Corpus). The grammar  
boxes concentrate on the

most difficult and problematic aspects of learning English.

Diccionario griego-español:

διωξικτ̣̣̣«”αγ·λευθος-εκπελεκτ̣̣̣«”αβ·ω

Routledge

From Pura Belpré

Award-winning author

Margarita Engle comes a

lively, rhythmic picture

book about a little girl

visiting her grandfather

who is a pregonero—a

singing street vendor in

Cuba—and helping him

sell his frutas. When we

visit mi abuelo, I help him

sell frutas, singing the

names of each fruit as we walk, our footsteps like drumbeats, our hands like maracas, shaking... The little girl loves visiting her grandfather in Cuba and singing his special songs to sell all kinds of fruit: mango, limón, naranja, piña, and more! Even when they're apart, grandfather and granddaughter can share rhymes between their countries like un abrazo—a hug—made of words carried on letters that soar across the distance like songbirds.

BRILL

[The book] is intended to meet the need for a text to accompany the Advanced Placement Spanish Lanugae course. The overall goal ... is to prepare students to perform at a high level of proficiency in the four basic language skills: listening, speaking, reading and writing. Upon completing the course, students are expected to be able to comprehend formal and informal Spanish, and also speak, read and write cohesively and precisely at the third-

year college level. [The authors] have attempted to create a series of exercises that will both meet the general objectives of the course and help the students prepare for the Advanced Placement examination ... Although geared primarily to the AP course and examination, the book is also intended to provide an opportunity for advanced learning. The exercises are designed not only to review and reinforce students' knowledge, but also to increase their vocabulary

and sharpen their grammatical skills. [The book] can be used as a complementary text in any advanced course in Spanish.-Intro.  
*The Sisters of Alameda Street* Kensington Books  
Wolfsong is the beginning of the Green Creek Series, the beloved fantasy romance sensation by New York Times bestselling author TJ Klune, about love, loyalty, betrayal, and family. "Wolfsong is so well written that I'm in awe of TJ Klune's talent."  
—Charlaine Harris The

Bennett family has a secret: They're not just a family, they're a pack. Wolfsong is Ox Matheson's story. Oxnard Matheson was twelve when his father taught him a lesson: Ox wasn't worth anything and people would never understand him. Then his father left. Ox was sixteen when the energetic Bennett family moved in next door, harboring a secret that would change him forever. The Bennetts are shapeshifters. They can transform into wolves at will. Drawn to their

magic, loyalty, and enduring friendships, Ox feels a gulf between this extraordinary new world and the quiet life he's known, but he finds an ally in Joe, the youngest Bennett boy. Ox was twenty-three when murder came to town and tore a hole in his heart. Violence flared, tragedy split the pack, and Joe left town, leaving Ox behind. Three years later, the boy is back. Except now he's a man – charming, handsome, but haunted – and Ox can no longer ignore the song that

howls between them. The Green Creek Series is for adult readers. Now available from Tor Books. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**El latín bíblico y el español medieval hasta el 1300** Tor Books

A generational saga that mixes historical fiction with the romance and intrigue of a Latin soap opera. When Malena Sevilla's tidy, carefully planned world collapses following her father's

mysterious suicide, she finds a letter—signed with an “A”—which reveals that her mother is very much alive and living in San Isidro, a quaint town tucked in the Andes Mountains. Intent on meeting her, Malena arrives at Alameda Street and meets four sisters who couldn't be more different from one another, but who share one thing in common: all of their names begin with an A. To avoid a scandal, Malena assumes another woman's identity and enters their home to

discover the truth. Could her mother be Amanda, the iconoclastic widow who opens the first tango nightclub in a conservative town? Ana, the ideal housewife with a less-than-ideal past? Abigail, the sickly sister in love with a forbidden man? Or Alejandra, the artistic introvert scarred by her cousin's murder? But living a lie will bring Malena additional problems, such as falling for the wrong man and loving a family she may lose when they learn of her deceit. Worse, her

arrival threatens to expose long-buried secrets and a truth that may wreck her life forever. Set in 1960s Ecuador, *The Sisters of Alameda Street* is a sweeping story of how one woman's search for the truth of her identity forces a family to confront their own past.

### **The Bookseller**

Cambridge University Press

WINNER: Pura Belpré Illustrator Award Honor Book 2012 "A wonderful read-aloud, filled with merriment and

conviviality" — Kirkus Reviews, STARRED review "The artistry of this book makes it a must buy for all libraries" — School Library Journal, STARRED review This is the story of how the farm maiden and all the farm animals worked together to make the rice pudding that they serve at the fiesta. With the familiarity of "The House That Jack Built," this story bubbles and builds just like the ingredients of the arroz con leche that everyone enjoys. Cleverly incorporating Spanish

words, adding a new one in place of the English word from the previous page, this book makes learning the language easy and fun. Rafael Lopez covers each page with vibrant, exuberant color, celebrating tradition and community. Back matter includes a glossary of Spanish words and a recipe for arroz con leche—perfect for everyone to make together and enjoy at story time. · Scholastic Reading Club Selection · Notable Social Studies Trade Book for Young

People 2012 (NCSS) · Notable Children's Book in the Language Arts 2012 (NCTE) · NYPL's list of "100 Titles for Reading and Sharing" in 2011 *Bookseller and Stationery Trades' Journal* Cambridge University Press Suitable for those involved in the field of urban design and planning, this book presents the state of the art in sustainable development master-planning, setting out, mostly in a graphic format and by means of 60 illustrated case-studies,

what is considered best-practice in the field. [Diccionario Maya Mopan - Espanol - Ingles](#) Editorial CSIC - CSIC Press A highly valuable dictionary of the Mopan (Mayan) language, providing introductory grammatical description, as well as parts of speech, examples, cross-references, variant forms, homophones, and indexes....  
**Understanding Morphology**  
 This new edition of Understanding Morphology has been fully

revised in line with the latest research. It now includes 'big picture' questions to highlight central themes in morphology, as well as research exercises for each chapter.

Understanding

Morphology presents an introduction to the study of word structure that starts at the very beginning. Assuming no knowledge of the field of morphology on the part of the reader, the book presents a broad range of morphological phenomena from a wide

variety of languages.

Starting with the core areas of inflection and derivation, the book presents the interfaces between morphology and syntax and between morphology and phonology. The synchronic study of word structure is covered, as are the phenomena of diachronic change, such as analogy and grammaticalization.

Theories are presented clearly in accessible language with the main purpose of shedding light on the data, rather than

as a goal in themselves.

The authors consistently draw on the best research available, thus utilizing and discussing both functionalist and generative theoretical approaches. Each chapter includes a summary, suggestions for further reading, and exercises. As such this is the ideal book for both beginning students of linguistics, or anyone in a related discipline looking for a first introduction to morphology.

*Whitaker's Cumulative Book List*

Part of the American Philosophical Society Library's H.H. Bartlett Collection on the Philippines and the East Indies.

*Livres hebdo*

Manuel Seco and his dedicated group of language professionals developed this successful project over a thirty-year period. The Diccionario del Español Actual is the first Spanish Dictionary, which includes the vocabulary of the second half of the twentieth-century using real

records. All the information has been compiled from more than 1,600 books of all genres and thousands of periodic publications. In over 4,600 pages this dictionary studies 75,000 words, with 141,000 meanings and 200,000 quotes of uses of the actual Spanish language. The distribution of senses and definitions has been done under new criterions to inform the users not only about the meanings, but also about the functions and places of every word in a

sentence. Seco and his group focused and emphasized on two sides of a words content: the semantic value and the syntactic value, making this dictionary one of the most complete and practical works of reference.
