Read the inspiring story of a mother of four who faced down her hard past, poverty, and self-doubt to create the life she dreamed of, including owning her own multi-million dollar business--in this book that's "filled with grit, humility, common-sense advice and entrepreneurial wisdom" (Lee Woodruff, #1 bestselling author).

New Plymouth, Idaho. Population 1536. It doesn't look like much from Rural Route 30, but it was here, in this quiet town, that Jessi Roberts created something unexpected: the kind of life she always wanted and a multi-million dollar, for rural/by rural business empire. The business is Cheekys, which started with 6 purses and a tanning bed. Now in her book, Jessi shows how she grew one small store hurdle-by-hurdle into a national clothing and accessories brand with a 1.5 million strong community. Best of all, she did it by standing tall for her values: always be kind, lift up the next gal, and treat employees and customers like family. A personal story filled with life and business tips, **BACKROADS BOSS LADY** is about embracing your passion even when others don't see value in it--or you--and about putting food on the table and believing in yourself. Brimming with authenticity, it gives the warts-and-all, love-it-despite-it skinny on rural life, community, and contentment without compromise.
