Having a baby opens up the world in so many ways, but it also closes it off, in the sweetest of ways. "It seems, inside this little room, the walls are fading clear, and all the beauty in the world, is shining on us here." In this beautifully written and illustrated book, a mother and baby savor the coziness of "now" in the nursery while the mother has expansive dreams for her baby's future. The wall fades away, and the magical dreams come alive before readers' eyes!

There's nothing more valuable than a friend who will celebrate your successes, comfort you in your losses, and simply be there with a kind word and supportive heart. Friends are one of life's truest blessings. In *Life Has No Blessing Like a Good Friend*, the second title from her new

Real Life series, Mary Engelbreit pays tribute to the joyous moments of friendship, when arms are linked, garlands woven, and smiles crinkle the eyes. In this delightful book, Mary's musings on the nature and value of friendship are accompanied by her many drawings that celebrate it: a mother and daughter baking cookies together, teenage girls declaring they are pals for life, and a young woman quietly reading a letter from home. Mary's friends vow to swim across oceans for each other, and they live by Abraham Lincoln's words: "The better part of one's life consists of one's friendships". *Your Nursery Is an Everywhere* Andrews McMeel Publishing

Believe: A Christmas Treasury Quarto Publishing Group USA

Understand your psyche in a clear and comprehensive way, and resolve deep-seated emotional issues... 'Self-Therapy' makes the power of a cutting-edge psychotherapy approach accessible to everyone. Internal Family Systems Therapy (IFS) has been spreading rapidly across the country in the past decade. It is incredibly effective on a wide variety of life issues, such as self-esteem, procrastination, depression, and relationship issues. IFS is also user-friendly; it helps you to comprehend the complexity of your psyche. Dr. Earley shows how IFS is a complete method for psychological healing that you can use on your own. 'Self-Therapy' is also helpful for therapists because it presents the IFS model in such detail that it is a manual for the method. The fact that Jay Earley wrote this book is high praise for the IFS model because he was an accomplished writer and thinker long before encountering IFS. Jay's passion has been to introduce IFS to a lay audience so that people can work with their parts on their own. Through well-described experiential exercises and examples of actual IFS sessions, you will be able to enter your inner world, heal your extreme parts, and transform them into valuable resources. -Richard

Schwartz, PhD, creator of IFS, from the Foreword
