8 S. Chand Publishing General Intelligence and Test of Reasoning owes its existence to comprehensive research and strategic planning. A thorough coverage of the

reasoning section of various competitive examinations has been achieved after an in-depth research and proper analysis of original papers of the UPSC, SSC, banking services, B-school tests and tests by other central and state-level recruitment bodies. A unique aspect of this book is the approach it adopts in explaining the concepts of verbal analysis, non-verbal analysis, critical reasoning and data interpretation. Each chapter starts with a brief introduction to the various formats of questions asked in competitive examinations, followed by topic-specific tests, which provide numerous multiple-choice questions that involve students in an interactive way to

improve their accuracy level. The last chapter provides scientifically structured and exam-oriented test papers to familiarize candidates with current trends and types of questions. These test papers and self-scoring tables will help students assess their own level of preparation.

WITHERSPOON “An explosive, dynamite, down-and-dirty look at a fictional rock band told in an interview style that gives it irresistible surface energy.”—Elin

Hilderbrand ONE OF THE BEST BOOKS OF THE YEAR: NPR, The Washington Post, Esquire, Glamour, Real Simple, Good Housekeeping, Marie Claire, Parade, Paste, Shelf Awareness, BookRiot Everyone knows DAISY JONES & THE SIX, but nobody knows the reason behind their split at the absolute height of their popularity . . . until now. Daisy is a girl coming of age in L.A. in the late sixties, sneaking into clubs on

the Sunset Strip, sleeping with rock stars, and dreaming of singing at the Whisky a Go Go. The sex and drugs are thrilling, but it's the rock 'n' roll she loves most. By the time she's twenty, her voice is getting noticed, and she has the kind of heedless beauty that makes people do crazy things. Also getting noticed is The Six, a band led by the brooding Billy Dunne. On the eve of their first tour, his girlfriend Camila finds out she's pregnant, and with the pressure of impending fatherhood and fame, Billy goes a little wild on the road. Daisy and Billy cross paths when a producer realizes that the key to supercharged success is to put the two together. What happens next will

become the stuff of legend. The making of that legend is chronicled in this riveting and unforgettable novel, written as an oral history of one of the biggest bands of the seventies. Taylor Jenkins Reid is a talented writer who takes her work to a new level with Daisy Jones & The Six, brilliantly capturing a place and time in an utterly distinctive voice.
