*Journals - House of Commons, Ottawa, Canada* Princeton University Press

This book examines the ways in which spaces and places of solitude were conceived of, imagined, and represented in the late medieval and early modern periods. It explores the spatial, material, and affective dimensions of solitude, which have so far received only scant scholarly attention.

*Architecture of Scotland, 1660-1750* Editions Publibook

Reprint of the original, first published in 1862.

Martin the foundling; or, The memoirs of a valet de chambre Le Masque

Between 1750 and his death in 1781, the Marquis de Marigny?brother of Madame de Pompadour, courtier to Louis XV, and one of eighteenth-century France's important patrons of art and architecture?amassed a collection that was broad in scope,

progressive in taste, and exceptional in quality and provenance.

This book offers a transcription of the exhaustive inventory of Marigny's estate together with an essay in which Alden R. Gordon not only sketches Marigny's life and times but also re-creates the interiors and grounds where the paintings, statues, books, household goods, and other property listed in the inventory were displayed and used. Also included are plans of Marigny's last four residences; lists of heirs, paintings, and auction sales; transcriptions of shipping manifests and sales catalogs; indexes; and a glossary.

« Habituellement, je ressentais la présence d'un cadavre comme une absence, mais dans ce cas précis, j'avais l'impression qu'un

trou noir s'ouvrait devant moi. » Tournant le dos à sa vie d'avant, indifférent à son avenir, l'inspecteur Aidan Waits s'est résigné à intégrer la patrouille de nuit – cycle sans fin d'appels insignifiants et de solitudes insolubles. Jusqu'à ce que lui et son coéquipier, l'inspecteur principal Peter Sutcliffe, soient dépêchés au Palace, un immense hôtel désaffecté au cœur d'une ville en ébullition. Sur les lieux, dans la chambre 413, ils découvrent un homme. Il est mort. Et il sourit. On a retiré toutes les étiquettes de ses vêtements. On a limé et remplacé ses dents. Même ses empreintes digitales ne sont pas les siennes. Seule une pièce cousue à l'intérieur de son pantalon donne un indice sur son ultime acte désespéré... Tandis qu'Aidan s'immerge dans le passé de l'inconnu, il se rend compte qu'un fantôme surgi du sien hante le moindre de ses faits et gestes. Mystérieux incendies, appels anonymes et menaces pures et simples : Aidan va devoir affronter ses démons avant de découvrir la véritable identité de l'homme de la chambre 413. Traduit de l'anglais par Fabienne Gondrand

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of

America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

House Documents, Otherwise Publ. as Executive Documents BoD – Books on Demand

This architectural survey covers one of Scotland's most important periods of political and architectural change when mainstream European classicism became embedded as the cultural norm. Interposed between the decline of 'the Scottish castle' and its revival as Scotch Baronial architecture, the contributors consider both private and public/civic architecture. They showcase the architectural reflections of a Scotland finding its new elites by providing new research, analysing paradigms such as Holyrood and Hamilton Palace, as well as external reference points such as Paris tenements, Roman precedents and English parallels. Typologically, the book is broad in scope, covering the architecture and design of country estate and also the urban scene in the era before Edinburgh New Town. Steps decisively away from the 'Scottish castle' genre of architectureContextualises the work of Scotland's first well-documented grouping of major architects - including Sir William

Bruce, Mr James Smith, James Gibbs and the Adam dynasty Documents the architectural developments of a transformational period in Scottish history Beautifully illustrated throughout with 300 colour illustrations a

Darwin BRILL

Anvers. Capitale du diamant, mais pas seulement : c'est aussi le coeur du dispositif de ravitaillement en carburant de l'Otan. On n'ose imaginer les conséquences d'un attentat dans pareil lieu... Alors, quand trois sites pétrochimiques sont visés simultanément, c'est l'ordre du monde qui menace d'être bouleversé. Mais qui se cache derrière ces attaques ? Quels intérêts guident Paris, Bruxelles, le Maroc ou l'Iran ? Qui tire les ficelles de ce jeu de dupes ? Quand la littérature se joue de la réalité, quand le terrorisme infiltre le roman, l'actu-fiction prend tout son sens... En prenant appui sur l'actualité récente, Claude Hautot tisse la trame d'un effrayant complot, dénonce les conflits d'intérêt, les non-dits et les secrets d'État pour livrer un roman trépidant, qui emprunte autant à la lecture sans concessions des relations internationales qu'au thriller le plus abouti. À lire, à relire et à faire partager, pour le plaisir d'un récit rondement mené. Mais aussi pour prendre conscience, en toute lucidité, des dangers qui nous guettent.

In this study of the Lit de Justice assembly, Sarah Hanley draws on history, legend, ritual, and discourse to show how constitutional ideologies were propagated in the Grand-chambre of the Parlement of Paris during the sixteenth and seventeenth centuries. Originally published in 1983. The Princeton Legacy Library uses the latest print-on-demand technology to again

make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

*Subject Index of the Modern Works Added to the British Museum Library*

This book is the history of a very remarkable family, that of Count Thomas of Savoy, whose seven sons and two daughters rose from relative obscurity to fame, fortune, and involvement in almost every major international conflict in western Europe during the fifty years following their father's death in 1233. By tracing the careers of the Savoyards, Eugene L. Cox emerges with a pan-European view of the thirteenth century. Professor Cox describes the ways in which the members of the Savoyard family gained access to the most powerful courts in Europe, an advantage that they skillfully employed in turning their scattered Alpine dominions into a territorial state, and in making their family a powerful force in the world of high diplomacy. From Scotland and Flanders to Sicily and Rome, the author traces the influence of the Savoyard family in dealings between states, in conflicts with the papacy, and in the struggles for power within the emerging national states. Based on extensive research in both published and unpublished sources, the book pieces together widely scattered data in order to reconstruct a picture of a real-life medieval family saga. Set as it is in the era of the

formation of national states and the breakdown of the Holy Roman Empire, the story is a fascinating background account of this tumultuous period in history. Originally published in 1974. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.
