The Veil of Silence concerns you more than you think! You come across it at every turn, whether in your personal life, in your family, in your church or congregation, or in your cities and nations. The Veil of Silence is the reason for inner coldness, loneliness, and the sense of being lost in darkness. Once you break it, you will be able to receive the immeasurable blessing of God and the authority to change your surroundings with His love. Every nation carries its own burden of guilt and trauma that

is passed down through the generations, while a Veil of Silence prevents reconciliation, healing, and restoration. The German pastor, theologian, and activist, Jobst Bittner, writes in the light of the experience of German history. Hitler and the Holocaust caused a spiritual eclipse in Germany and covered entire generations with a Veil of Silence. Today, Germany is blessed and the country of "unmerited grace". If Breaking the Veil of Silence was possible in Germany, how much more so in your life, family, and nation? Through a captivating blend of history, theology, and psychology, Jobst Bittner provides a brave, discerning perspective on this Veil of Silence and proves that the weight of history can be lifted. It is a powerful and practical intervention and spiritual guide to reclaim our authority by uprooting all destructive tendencies of covering up the past, uncovering our own family history, rediscovering the Jewish roots of our faith, and moving forward into action. Once the veil is lifted, true healing, restoration, and change can begin.

Pentecostalism is the fastest growing stream of Christianity in the world. The real evidence for the significance of Pentecostalism lies in the actual churches they have built and the numbers they attract. In Africa, Pentecostalism has virtually become the representative face of Christianity with even historic mission denominations 'pentecostalising' their otherwise formal liturgical structures to survive. This work interprets key theological and missiological themes in African Pentecostalism by using material from the live experiences of the movement itself. An important source of primary material for instance is the popular books written by the leadership of contemporary Pentecostal churches and their media programs. An example of this is that on account of its motivational hermeneutics the Eagle, rather than the Dove, has become the preferred symbol of the Holy Spirit in this nascent dynamic movement. The interpretation of themes from contemporary African Pentecostalism in this book reveals much about how as a contemporary movement, it is reshaping African Christian spirituality in the 21st century.

Abiding in the Supernatural is Chinedu Daniel Obasi's intriguing endeavor to synopsise what the Bible and Spirit of Prophecy teach regarding living according to the guidance of the Holy Spirit. Readers will be fascinated by the diverse themes that he discusses and how he ties them together. Obasi lays the groundwork by defining justification and sanctification and emphasizing how much they go hand in hand. Other major themes include the indispensable role of the third Person of the Godhead in the achievement of humanity's redemption, as well as some of the various concoctions that the devil has forged to counterfeit biblical spirituality. He unequivocally asserts our need to anticipate, welcome, and prepare our hearts for the latter rain, which will replicate yet supersede the manifestations among the first-century, apostolic church. Those who have read Obasi's two other books are familiar with his genuine, natural fervor, and this volume follows suit. With intense conviction, he has sought to increase everyone's awareness of the spiritual war in which we are all engaged and challenge all readers to actively fight by leaning on the might of our heavenly Captain.

“You will have the privilege to see and to participate in the most glorious and mightiest sweeping revival that has ever been known in Christian history!” —Smith Wigglesworth This revelation was part of a prophecy given in 1936 by legendary evangelist and healing minister Smith Wigglesworth to a young man named David du Plessis. The revival Wigglesworth foresaw was a continuation of the Pentecostal movement into the charismatic renewal that continues to this day. Later, in 1961, God gave Rev. Tommy Hicks a vision of the continuation of that revival: a worldwide movement in which the “Awakening Giant”—the body of Christ—receives spiritual power and authority on such a scale

as has not been seen since the book of Acts. This book retells these two amazing prophecies in their entirety and also discusses their implications for the world today. The revival of God’s church continues, but it won’t be complete until every Spirit-filled believer understands his or her unique role in its fulfillment. Study these prophecies and ask God to reveal how He would use you to bring the greatest revival in history to completion.
