BRAIDEN CARMELO

Ahora que ya bailas Siglo XXI Editores México
Poetry. Translated from the Spanish by Yvette Siegert. First published in 1955 and now translated for the first time into English, THE MOST FOREIGN COUNTRY is Alejandra Pizarnik's debut collection. Here, the nineteen-year-old poet begins to explore the themes that will shape and define her vision: the solitude of the poetic self, the longing for artistic depth, and the tenuous nearness of death. By turns probing and playful, bold and difficult, Pizarnik's earliest poems teem with an exuberant desire to grab hold of everything and to create a language that tests the limits of origin, paradox, and death.

Versos Dormidos es un libro de versos que, entre tantos como son, alguno de ellos llevará poesía. Y uno sólo; si uno lleva en su contenido el sentimiento al que el hombre ha llamado poesía, yo seré poeta. Ser poeta, en estos tiempos que no corren ni vuelan, sino que nos transportan a empujones, es más fácil que antaño porque como todo es tan cambiante ante nuestros ojos, no hay hartura de paisajes, de gentes, de geografías, porque vamos de acá para allá y observamos y nos empapamos en un solo mes de viaje actual, más de lo que muchos poetas de antes pudieron ver en toda su existencia. Y la poesía no es más que la observación de la vida. Ellos nos dejaron sus versos y su poesía. Yo, dejo aquí Versos Dormidos con responsabilidad por mi parte, pero mucha más por el lado de aquellas personas que me los inspiraron.

Okay, so technically she can't because I'm immortal. Well, not yet. See, due to the worst case of mistaken identity with my dark-side-loving twin sister at a Goth club called Club Fang, Magnus, a

vampire hottie, went for my innocent neck instead of hers. Now if I don't reverse it in time, Magnus will be my blood mate forever and I'm doomed to be a blood-gulping, pasty, daylight-hating vampire. Believe me, it seriously bites. After the unfortunate slaying of the vampire leader, it's up to me, my sister, and Magnus to find the one thing that can solve my problem—the Holy Grail. No joke. I seriously hope I can get out of this in time, because somehow, I scored the hottest prom date in my school, the mouth-watering Jake Wilder. And I do not want to be a vampire for the prom—let alone the rest of eternity...

En el siglo XII, los cuatro extraordinarios protagonistas de esta novela se verán envueltos en una serie de acontecimientos que catalizarán el rumbo de la Historia de Occidente. A lo largo de su recorrido, desde las tierras de la vieja Hispania hasta Oriente, irán desempaquetando las claves de un secreto que les revelará cómo invocar y utilizar el poder del nombre de Dios. Esta narración presenta estos descubrimientos con detalle y rotundidad. Los personajes de esta historia redescubrirán las claves para la invocación y utilización del poder del nombre de Dios, unas claves que han permanecido ocultas hasta hoy. Entre otras cosas, su descubrimiento desvelará la esencia de la Cábala y conectará con las revelaciones que en el siglo VI a. C. inspiraron a una serie de referentes a cambiar el mundo, como fueron Lao Tsé, Zaratustra, Confucio y Pitágoras, entre otros.

Estoy pintando el poniente del día en que el sol resbala sobre cascadas de besos llenas de hiedras sonrientes y embelesadas, mirando lluvias de tórtolas y de ruiseñores bohemios que sobre

las piedras bailan; un pas de deux que desarma, a ritmo de Jazz y Salsa... Voy dibujando un sendero que lleva al centro del cielo donde hay un jardín homérico, bordado todo de flores con pétalos rojo nervios corolados azul gracia; como en los cuentos de hadas mágicas que me contaba mi abuelo mientras me estaba durmiendo... Le estoy dejando a las letra con mi nombre y apellido, un torbellino de estilos y de rimas sé que escapan hasta mis dedos con vicio; que escriben versos del alma para pensares eclécticos, con preciosismo y sentidos; como en los libros antiguos...

My husband was not a monster. No matter what they say... The day my husband, Michael, stepped in front of a lorry after being questioned by the police, my world fell apart. He was devoted to me and our six-year-old daughter. But they'd connected him to the disappearance of a young mother from our tiny village. Now I stand at Michael's funeral, clutching my little girl's hand, with tears in my eyes as I insist to all our friends that he died an innocent man. Yet the questions have started, and nothing I say will stop them digging for the truth. But none of them can read the secrets in my heart, or know about the phone I found hidden in his toolbox... I'm determined that my daughter will not remember her father as a monster. I will erase any hint of wrongdoing in this house whatever the cost. Con tal de verte volar Bookouture

La poesía de Miguel Gane nace en la calle, en las historias cotidianas, en la mirada de mujeres valientes. Descubre a este joven poeta si todavía no lo has hecho con sus dos libros en un pack exclusivo. Con tal de verte volar, el primer poemario de Miguel Gane, es un grito, un homenaje a la libertad en su pleno significado. Un conjunto de textos poéticos que reclama las calles como lugar, el rock and roll como banda sonora y la valentía de recuperar la vida después del dolor de un amor tóxico. Una despedida mirando al cielo desde la felicidad de quien deja ir y ama al mismo tiempo. Ahora que ya bailas, el segundo poemario del autor, es la historia de Ella, la que fue callada porque sus gritos resonaban demasiado alto, la que dejó ir su sonrisa porque quien debía liberarla la acabó enjaulando y aplastando contra el asfalto. La que, sola, fue capaz de levantarse, de mirar a la cara a todo eso, y decirle: "No me has vencido; soy indestructible".

"El niño es un saboreador con sentidos más varios y desparpajados que el adulto, en quien la educación ha degollado tanto su imaginación como la sensibilidad de sus sentidos." "La canción de cuna se hace para la madre y se la hace tierna, amorosa y aguda con el objeto de que ella reguste, de que paladee en verso y verso su propio amor, su propio enternecimiento. Es por lo tanto, una canción que, como un fruto partido, da al niño la mitad, o sea, la pura melodía, o vaivén y entrega a la madre, por entero, la letra" GABRIELA MISTRAL *Rosario Tijeras* Editorial Universidad de Puerto Rico Preached at Enfield, Connecticut on July 8, 1741, this is perhaps the greatest sermon ever preached in America—and is certainly among the most well known. Owing to its forthright dealing with God's wrath and His intense hatred of sin and the sinner, it is also one of the most controversial. Indeed, for more than three-quarters of the sermon Edwards lays down a relentless stream of the most vivid and horrifying descriptions of the danger facing unregenerate men. While it is difficult to read such graphic language, there is abundant hope in the sermon's conclusion. Edwards puts it this way, "And now you have an extraordinary opportunity, a day wherein Christ has thrown the door of mercy wide open and stands calling and crying with a loud voice to poor sinners." While those who would rather ignore God's justice in favor of His mercy condemn Edwards and his sermon, those who were present and actually heard him preach that day reacted in a decidedly different manner. According to the diary of Reverend Stephen Williams who attended the sermon, "Before the sermon was done there was a great moaning and crying through the whole House, 'what shall I do to be saved; oh, I am going to hell, etc.'" The diary goes on to indicate that Edwards had to interrupt his sermon and come down to minister to those who were under such awful conviction. And so, in spite of what the scoffers might think or say, "the amazing and astonishing power of God" was manifested among the people that day—with many falling not into the hands of an angry God, but into the arms of a mighty Savior. "And who among us would deny Jane Austen her happy endings or insist that Cary Grant and Irene Dunne should get back together at the end of *The Awful Truth*? There are tragedies and there are comedies, aren't there? And they are often more the same than different, rather like men and women, if you ask me. A comedy depends on stopping the story at exactly the right moment." Mia Fredrickson, the wry, vituperative, tragic comic, poet narrator of *The Summer Without Men*, has been forced to reexamine her own life. One day, out of the blue, after thirty years of marriage, Mia's husband, a renowned neuroscientist, asks her for a "pause." This abrupt request sends her reeling and lands her in a psychiatric ward. The June following Mia's release from the hospital, she returns to the prairie town of her childhood, where her mother lives in an old people's home. Alone in a rented house, she rages and fumes and bemoans her sorry fate. Slowly, however, she is drawn into the lives of those around her—her mother and her close friends, "the Five Swans," and her young neighbor with two small children and a loud angry husband—and the adolescent girls in her poetry workshop whose scheming and petty cruelty carry a threat all their own. From the internationally bestselling author of *What I Loved* comes Siri Hustvedt's provocative, witty, and revelatory novel about women and girls, love and marriage, and the age-old question of sameness and difference between the sexes.

El espejo es el tintero y los versos son el reflejo parcial o total de determinadas situaciones que no se limitan a la vida del poeta y pasan a formar parte de las experiencias de muchos lectores; convirtiéndose, muchas veces, en una idéntica recreación de algún episodio de sus vidas y en otros casos no hay reflejo porque éste solo puede ser visto por aquellos que logran sentirlo suyo.

Los poemas son dibujos con letras de las vivencias extraídas del espejo de la vida y enmarcados en un lenguaje figurado. Te invito a realizar un recorrido por este bosque de versos sin mayores pretensiones que las de ser compartidos con la gente sencilla que se identifica con ellos y que llegan a comprender su naturaleza a pesar de mi intencionada exageración con algunas de las imágenes que florecen entre sus ramas de papel.

En Ojos de sol, Miguel Gane, el autor de *Ahora que ya bailas* y *La piel en los labios*, hace un homenaje al amor y a la singularidad de cada persona que se cruza en nuestras vidas. Es un poemario en el que, de alguna forma, te vas a encontrar. Las margaritas son las flores más comunes de la naturaleza y su belleza reside en su aparente sencillez. Simbolizan la pureza, la luz, la inocencia, la honestidad y la libertad. Pero, aunque puedan parecer iguales, cada una es singular. Lo mismo ocurre con las personas. Buscando el calor y la luz, crecemos hasta resultar lo que somos: buscadores de motivos que nos hagan abrir los párpados cada mañana. Ojos de sol es un homenaje a la gente común pero a la vez única que inunda nuestras vidas y nos hace crecer, porque quien bien te quiere, te ayudará a florecer. Es el espejo en el que, tarde o temprano, te vas a encontrar, la flor que, antes o después, germinará en ti.

The Table of Contents is linked so you can conveniently find your place where you left off. If you skip a day, no problem, you can easily begin on the next day's reading. "A promise from God may very instructively be compared to a check payable to order," wrote Spurgeon. "It is given to the believer with the view of bestowing upon him some good thing. It is not meant that he should read it over comfortably, and then have done with it. No, he is to treat the promise as a reality, as a man treats a check."
