Diana Little, Brown

Diana, Princess of Wales – security code name ‘Purple Five Two’ – travelled all over the world during her incredible life. Wherever she went, in public or in private, she was shadowed by her Scotland Yard personal protection

officer, Inspector Ken Wharfe, whose job it was to keep her safe, even to the extent of sacrificing his own life, if necessary. In public Diana was fêted wherever she went, greeted by adoring crowds and fawned over by the media. In private she craved anonymity, and it was Ken Wharfe's brief to protect her and keep her away from prying eyes. The SAS-trained officer from the Yard's elite Special Operations 14, Royalty and Diplomatic Protection Department, was with the Princess every step of the way. As she dazzled among Washington society or walked the sand of exclusive Caribbean beaches he watched over her. In the foothills of the Himalayas, the heat and dust of India and the heart of Africa, he was always just a heartbeat away. 'Purple Five Two' – the woman,

the princess – was Ken's charge. In private when they travelled, they often posed as man and wife under assumed names, 'Mr and Mrs Hargreaves', to throw the determined paparazzi desperate for a photograph off the scent. Whenever she wanted a private holiday it would be to Ken she would turn, who would be despatched in secret to find the idyllic spot. In the six years that Ken was at Diana's side they travelled hundreds of thousands of miles together, sharing secrets, laughter and tears on a truly extraordinary journey. This is their exclusive story.

### **Princess Diana the Lamb to the Slaughter** Bantam

Biography of Diana, Princess of Wales, who rose above personal difficulties to become a noted champion of

humanitarian causes.

*Diana, A Spencer in Love* HarperCollins UK

Born to privilege, living on the edge of the royal circle, Lady Diana Spencer assumed-like everyone else-that little adjustment would be needed to adapt to her new role, the Princess of Wales and future Queen of England. What everyone, including Diana, failed to factor in was that Charles, at age thirty-three, was not only a confirmed bachelor, surrounded from infancy with people to anticipate and provide his every need, he was also in a long-term, committed relationship. However, it was his duty to marry and provide an heir to the throne of England. Meanwhile, Diana, almost a generation younger, envisioned (as Edward VIII had) what a modern

monarchy could be; how it could be relevant in today's complex society-a monarchy she was determined to have for her son. That these two forces-the status quo and the Modern England-should clash was inevitable, but no one was prepared for the cataclysmic climax in the story of the Queen England never had-Diana, Princess of Wales, the Lamb to the Slaughter.

Diana Barzipan Publishing

An intimate portrait of the Princess of Wales describes her public and private life, reveals details about her marital problems, and discusses her attitudes toward motherhood and public service.

Princess Diana Consumer Guide Books  
How did a naïve nineteen-year-old British Kindergarten teacher's assistant become the Princess of Wales? What triggered bulimia in a young woman at what was supposed to be the happiest time of her life? What was Lady Diana Spencer really thinking on the day of her wedding?

Diana, A Spencer in Love is a novel that spans one year in Princess Diana's life - the year where she met Prince Charles, fell in love with him, became a part of the royal family, and finally married him. As a novel, the book tells the story from Diana's own point-of-view - this is her voice telling what happened in the early '80s. Everyone knows the bare facts about Lady Diana Spencer - her life in

London, and the short romance and engagement with Prince Charles before the fairytale wedding in front of 750 million people. But no one has told the story of what this remarkable young woman was thinking, feeling and experiencing during this incredible time. Based on the actual historical events of 1980 and 1981, Diana, A Spencer in Love charts her journey from carefree teenager to worldwide phenomenon - in just 365 days! Was it really a fairytale story? This is the first in the Diana Spencer series. Read Diana, A Spencer in Turmoil and Diana, A Spencer Forever to follow the rest of the story of this fascinating, extraordinary Princess.

**Who Was Princess Diana?** Random House

Learn about the inspirational story of Princess Diana In *Princess Diana: A Biography of the Inspirational Royal* you will learn about the life, accomplishments, and tragic passing of Princess Diana. Born into nobility and married into royalty, Princess Diana of Wales was a woman who made the world

sit up and take notice of her. A philanthropist and a leader, she did not let her role as royalty limit her perception of the common people; if anything, she took it a step further and taught the world that be it HIV or leprosy, we are more than our ailments. From her infamous marriage to Prince Charles to the many, many things she accomplished, Princess Diana has left a mark on the world that lasts even today. Her death in a tragic accident robbed the world of someone who truly wanted to make a difference. Follow the life story of this extraordinary woman who took what she wanted without apology and became one of the most admired people in the world. Here is a preview of this biography: Broken Childhood Fairy-Tale Marriage Life after Marriage A Modern

Mother The Ugly Separation An Ugly Death Philanthropic Contributions Here is an excerpt from the book: Princess Diana's tell-all interview given in 1995 shortly after her divorce did not go down well with the queen. But it strengthened Diana's support base in the public. Even after she was ousted from the royal family, Diana remained the people's princess for her life. Lady Diana has now been deceased for more than eighteen years but her dedicated fan base remains just as active. Very recently the photoshopped photograph of Lady Diana at her granddaughter, Princess Charlotte Elizabeth Diana's christening ceremony began doing the rounds of the Internet. Many would have liked to see Diana alive during this ceremony but sadly Lady Di did not live long enough to get

to see her granddaughter who happens to be just as beautiful as Princess Diana herself. Diana's image has been also recreated for the cover of the Newsweek magazine, in 2011. The image was created to show how Lady Diana would have looked after becoming fifty years of age. She appeared in all her former glory walking beside the Duchess of Cambridge, Kate Middleton.

Who Murdered Diana? Harper Collins  
 "When I met Diana at a mutual friend's house in 1990, I was astonished by her conduct. Up to this point, the Diana I had encountered was a princess who had behaved very much in keeping with the forms and traditions of royalty. In social situations, she was as circumspect as the rest of them, as indeed all ladies are.... "Now, however, she was the

antithesis of circumspect. Throwing caution and reserve to the wind, she said that she wanted me to write the truth about her life 'because I feel as if the whole fairy tale is crushing whatever's left of the real me.... If you'd just write about the real Diana, it would make all the difference.'" --Lady Colin Campbell

Who was the real Diana? What was it like to be so privileged yet so anguished, so beloved yet so self-loathing, so spoiled yet so despairing? The Princess of Wales was all these things--far more complicated, conflicted, and intriguing a person than the wildly disparate saint or lunatic she is frequently portrayed to be. Royal insider Lady Colin Campbell sets the record straight on many of the most controversial aspects of Diana's turbulent life: how Charles and Diana's

engagement came to pass, though it seemed ill-advised to those closest to both of them; what their honeymoon was really like; the truth behind Diana's bulimia, her widely reported suicide attempts, and her obsession with Camilla Parker Bowles; Diana's search for love and fulfillment with numerous men before, during, and after her marriage; her brilliant manipulations of the press; and her relationship with Dodi Fayed. Lady Colin Campbell's New York Times bestselling biography *Diana in Private* was the first to expose the truth about Diana and her troubled marriage. In *The Real Diana*, she reveals that the reason she knew so much about what went on behind the palace gates was because Diana herself was the source. Drawing upon these confidences--as well

as on conversations with countless people who knew Diana and with Diana herself in the final years of her life--Lady Colin Campbell combines true insight with true compassion to bring us the most intimate and revealing portrait of the Princess of Wales that we will ever have.

**What Makes Princess Diana Special? Biography of Famous People | Children's Biography Books**

Graymalkin Media

Instant New York Times Bestseller! "She was the best mother in the world," said Princes William and Harry at Diana's 10-year memorial. "Entertaining and persuasive," (Publishers Weekly) this is the first big book about the private Diana, the mother of two princes. "Royal fans will devour this well-paced

biography that gives new insight into the House of Windsor. You'll tear through it by sundown and walk away thinking about the Princess of Wales and her two sons with new perspective ." –Men's Journal From the moments William and Harry are born into the House of Windsor, they become their young mother's whole world. I've got two very healthy, strong boys. I realize how incredibly lucky I am, Diana reminds herself every morning. But even the Princess of Wales questions, Am I a good mother? Diana's faced with a seemingly impossible challenge: one son destined to be King of England and another determined to find his own way. She teaches them to honor royal tradition, even while daring to break it. "Sometimes I'd like a time machine..."

Diana says as William and Harry grow up, never imagining they'd have less than a lifetime together. Even after she's gone, her sons follow their mother's lead—and her heart. As the years pass and William and Harry grow into adulthood and form families of their own, they carry on Diana's name, her likeness, and her incomparable spirit. "James Patterson applies his writerly skills to real-life history with novelistic style" (People) in this deeply personal and revealing biography of the world's most storied family, from the world's #1 bestselling author.

*Princess Diana* Routledge

was not accidental, examining events and circumstances surrounding the car accident and the subsequent investigation.

*The Definitive Diana One More Chapter*  
The stunning new historical novel from the author of the bestselling *Before the Crown*. Perfect for fans of Gill Paul, Wendy Holden, Pam Jenoff and Jennifer Robson!

**Princess Diana** McGraw-Hill/Contemporary

The death of Diana, Princess of Wales, on September 1 1997, prompted public demonstrations of grief on an almost unprecedented global scale. But, while global media coverage of the events following her death appeared to create an international 'community of mourning', popular reactions in fact

reflected the complexities of the princess's public image and the tensions surrounding the popular conception of royalty. *Mourning Diana* examines the events which followed the death of Diana as a series of cultural-political phenomena, from the immediate aftermath as crowds gathered in public spaces and royal palaces, to the state funeral in Westminster Abbey, examining the performance of grief and the involvement of the global media in the creation of narratives and spectacles relating to the commemoration of her life. Contributors investigate the complex iconic status of Diana, as a public figure able to sustain a host of alternative identifications, and trace the posthumous romanticisation of aspects of her life such as her charity activism

and her relationship with Dodi al Fayed. The contributors argue that the events following the death of Diana dramatised a complex set of cultural tensions in which the boundaries dividing nationhood and citizenship, charity and activism, private feeling and public politics, were redrawn.

[Diana, Princess of Wales](#) 50Minutes.com

When she was still alive, Princess Diana was loved by the world. She did supported several charitable institutions and she inspired people wherever she go. *Princess Diana* Infobase Publishing

Critically acclaimed, best-selling biographer Donald Spoto recounts all the pain, promise, and joy of the last year in the tragically short life of Diana, Princess of Wales. For those of us who loved and admired her, Diana's final year was in many ways the most fascinating and insightful of her life. It was a turbulent, amazing period in which she formally severed her marriage ties to the heir to the British throne, fell passionately in love with Dodi al-Fayed, and truly began to come into her own after years of personal adversity. In *Diana: The Last Year*, Donald Spoto allows us to finally understand the complete story of this woman in conflict. Diana was driven by a philanthropic desire to relieve suffering and change the world, but she was also determined to make up for a youth that

was taken from her, at the age of nineteen, when she became the wife of the future king of England. In Donald Spoto's elegant and richly satisfying book, Diana's last year is set before us in all of its triumph and glory.

Diana Cavendish Square Publishing, LLC

Brimming with chatty, informative, and fascinating insights, illustrated with full-color and black-and-white photographs, this is a definitive book on the Princess, by the author of the acclaimed *Lucan: Not Guilty*.

Diana Chris Dicker

#1 NEW YORK TIMES BESTSELLER •  
Years after her death, Princess Diana

remains a mystery. This "insanely readable and improbably profound" biography (Chicago Tribune) reveals the truth as only famed journalist Tina Brown could tell it. "The best book on Diana." —The New Yorker Was she "the people's princess," who electrified the world with her beauty and humanitarian missions? Or was she manipulative and media-savvy and nearly brought down the monarchy? Tina Brown, former Editor-in-Chief of Tatler, England's glossiest gossip magazine; Vanity Fair; and The New Yorker gives us the answers. Tina knew Diana personally and has far-reaching insight into the royals and the Queen herself. In *The Diana Chronicles*,

you will meet a formidable female cast and understand as never before the society that shaped them: Diana's sexually charged mother, her scheming grandmother, the stepmother she hated but finally came to terms with, and bad-girl Fergie, her sister-in-law, who concealed wounds of her own. Most formidable of them all was her mother-in-law, the Queen, whose admiration Diana sought till the day she died. Add Camilla Parker-Bowles, the ultimate "other woman" into this combustible mix, and it's no wonder that Diana broke out of her royal cage into celebrity culture, where she found her own power and used it to devastating effect.
