Prayers for Schools
Liturgy Training Publications

This book is a study of the contributions of Catholic K-12 schools in the United States to the public interest from the 1800's

to the present. It presents seven strategies that have the possibility of leading Catholic schools in positive, new directions. Outsiders often misunderstand the mission, purpose, and inclusivity of Catholic schools. This book brings a new focus on Catholic schools from the perspective of their service to this country through the education of Catholics and non-Catholics. In 16 chapters, a variety of scholars examine these schools across three periods:

echoes of the past, realities of the present, and future directions. The intention of the editor and authors of this volume is that Catholic schools and those interested in conducting Catholic school research will find guidance, especially in examining newer types of partnerships flourishing in different types of Catholic schools in different regions of the country and types of schools from rural, suburban to city and inner-city schools. By increasing the data we have, such studies could

help stem the tide of Catholic school demise. In addition, Catholic school leaders, and parents who chose them or are thinking about choosing them, will find here a balanced description of what constitutes a Catholic school and how they are different from public schools. In understanding better the role and function of Catholic schools in serving the public interest, new ideas, innovations, and improvements can help these schools survive and grow.

Make sure your Catholic school's LGBT students are getting the support they need
Creating Safe Environments for LGBT Students is a comprehensive training

guidebook for educators who are committed to diversity and the full inclusion of LGBT students in every aspect of the Catholic high school experience. Based on five years of pilot testing in Catholic schools, this unique book emphasizes safe-staff training in integrating the Church's pastoral, social, and moral dimensions with the special needs of LGBT students. The book presents strategies and resources for building safer schools, helpful materials for

communicating with parents, and general guidelines for developing and maintaining professional helping relationships with LGBT students. Based on a “training the trainer” model, *Creating Safe Environments for LGBT Students* encourages the development of grassroots leadership within the school. This unique book promotes a positive framework for navigating the challenging landscape of the Catholic tradition and the LGBT experience as it helps to

establish anti-harassment and anti-bullying protocols for school environments and models for developing LGBT student support groups and gay/straight student alliances. The book promotes role-play by students, alumni, teachers, and parents—a hallmark of the ministry work and training methods of the Catholic Pastoral Committee on Sexual Minorities—and is flexible enough to allow each school's individual climate and culture to be respected. *Creating Safe*

Environments for LGBT Students includes: * first-hand stories from students and teachers * realistic, dynamic, and creative role-play scenarios that explore various relationships between students, teachers, parents, administrators, and the school board * opening prayer and meditation rituals * a special foreword by Bishop Thomas J. Gumbleton, one of the few Catholic bishops to publicly affirm LGBT persons * an extensive bibliography

and glossary regarding the experiences, language, culture, and spirituality of LGBT youth * the latest research findings on at-risk behaviors of LGBT teenagers * training handouts that are easy to duplicate and use as transparencies * a manual log that can be used as a training diary * and much more! Creating Safe Environments for LGBT Students is an essential resource for faculty and staff members at Catholic high schools, particularly school administrators,

chaplains, campus ministers, psychologists, social workers, and counselors.

Ten Commandments displays, prayer at football games, Bible in the curriculum, vouchers for tuition at religious schools, Pledge of Allegiance, wall of separation between church and state, among other hot button issues at the intersection of religion

and education, generate a great deal of heat, but often light is sorely lacking. The Praeger Handbook of Religion and Education in the United States provides a unique source of light to educators, religious leaders, journalists, policy-makers, parents, and the general public as well as a useful resource for scholars interested in the impact of religion on the origins, development, and current shape of the American educational landscape. Following an introductory essay that

surveys the relationship of religion to elementary and secondary education from the 1600s to the present, this set offers 175 entries written by more than 40 scholars with national reputations that cover a wide range of topics related to religion and education, both in the past and the present. These jargon-free entries are cross-referenced and provide suggestions for further reading. Readers who want to know what is behind the heat in current debates will find entries on: United States

Supreme Court decisions on religion and education, current controversies regarding religion in the public schools, religious, legal, and educational associations involved in these controversies, religion and the curriculum, religious schools, individuals and movements that have affected the role of religion in education, and religion and education developments in the eighteenth and nineteenth centuries. This one of a kind set also includes a convenient

table summarizing all of the religious liberty decisions of the Supreme Court from 1815 to the present.

A Call for Character Education and Prayer in the Schools WestBow Press

Catholic school leaders and teachers will love this

book! It has everything- absolutely everything- they want and need to know about prayer in school. Sr. Kathleen is a veteran teacher and it's clear that she has "been there and done that" with great joy and enthusiasm. But she knows that not every teacher feels secure about praying with a class, even though they know it's important and realize that parents entrust them with this responsibility. And she also realizes that certain Catholic prayer forms are a mystery to them. On the

other hand, there are those who feel very comfortable teaching prayer but are looking for fresh ideas.

The Catholic School Liturgy Training Publications Prayers & Reflections for Catholic Teachers is a must-have for the busy Catholic teacher. This accessible and engaging resource provides thoughtful spiritual insights to assist teachers as they negotiate the demands of today's Australian Catholic school. These specially

selected and compiled prayers, quotes and reflections from traditional and modern sources - saints, philosophers, theologians, mystics and recent public figures - aim to engage the reader and listener in contemplation with observations that are real, relevant and replenishing. The book includes scriptural references related to liturgical Year A, special feast days, and other dates of importance in the Australian school calendar. Whether it is for

daily classroom prayer, a school meeting, assembly, or for personal use, this prayer book is an essential and timely resource for the contemporary Catholic educator.

Catholic school teachers often ask for prayer resources they can use in the classroom. Award-winning theology teacher Justin McClain offers more than two hundred original prayers to meet those requests. This collection of short prayers is arranged by school-year-

related themes and can be read by a teacher or student. It is filled with fresh, timely, and meaningful prayers that fit well into any classroom schedule. *Called to Pray: Daily Prayers for Catholic Schools* is perfect for use with Catholic school students in grades five through twelve. The prayers are organized into six different themes: special school occasions such as the first day of school prayers for the school community, including administrators, teachers, coaches,

support staff, and students prayers for friends and family holidays and observances such as Earth Day liturgical seasons and holy days general prayers for the school year Four types of prayer are included throughout the book—adoration, contrition, petition, and thanksgiving. Some include class responses. Twenty one of the prayers were written by McClain's students at Bishop McNamara High School in Bowie, Maryland. Traditional Catholic

prayers also are included. *The Collegeville Prayer of the Faithful* Our Sunday Visitor

These 30 prayer services for various seasons, themes, and celebrations are designed especially for Catholic school assemblies. Covers all occasions for grades K-8.

The Growth and Development of the Catholic School System in the United States

World Library Publications
This book offers an examination of the related topics of school prayer and character education in the United States, advocating for their return to public schools. According to William Jeynes, the lack of both

school prayer and consistent moral instruction in our schools has had devastating consequences both for our education system and for the nation as a whole. In A Call for Character Education and Prayer in the Schools, Jeynes makes a compelling case for restoring moral instruction and nonspecific religious moments to the classroom as a way of restoring a much needed moral grounding in American society in general. A Call for

Character Education and Prayer in the Schools traces the history of character education in the public schools, including coverage of leading advocates of their inclusion from Thomas Jefferson to DeWitt Clinton to Horace Mann. Jeynes then offers a broad survey of the country since the Supreme Court decisions of 1962 and 1963, asserting that most of America's greatest problems are moral in nature, and could be addressed by making moral instruction and a

focus on the spiritual a part of our young citizens' school lives.

Sunday Prayer for Catholic School Teachers

2012-2013 Twenty-Third Publications

Inspired by her daily contemplation and meditation on the Scriptures, Carmelite Sister Mary Grace Melcher offers this book of deeply meaningful prayers of the faithful for every day of

the year. Cycles A, B, and C for Sundays and the two-year cycle for weekdays are all included.

These beautiful intercessions echo the grace of the day indicated by the Scripture readings and have been prayed in her monastic community for years. Enrich your community's liturgy with these beautiful and inspiring intercessions. *Catholic Schools in the Public Interest* Routledge

From the old days of knuckle-cracking nuns to today's more liberal teaching methods, Catholic schools have evolved into the best option even for non-Catholic parents especially if they live in large cities. Author Mary Reardon explores the history of Catholic schools in America, where they are today and where they are headed in the future.
