Funny, sweet and beautifully depicted, **YOU'RE THE KIND OF GIRL I WRITE SONGS ABOUT** is a startlingly fresh voice from a very talented new author. Tim is repeating the HSC, but he's more into music than studying. He is juggling playing in a band with handing in assignments and the music is winning. Mandy is taking a year off before she starts uni. Her problem is she doesn't really know what she wants to study, so she's working (sort of) and even by her own admission spends too much watching daytime TV and drinking tea with best friend Alice, with the tea being an excuse for talking - lots. Tim and Mandy meet at a gig. The attraction is immediate, but they are both so shy and self-conscious, but over time they slowly, awkwardly, move toward each, meeting by coincidence, each unsure as to how the other feels. Set in the cafes pubs and dives of Sydney's Inner West **YOU'RE THE KIND OF GIRL I WRITE SONGS ABOUT** is a ballad to that time of your life when you are trying to work out who you are, what it is you want and what will it take to get you there. Ages: 14+

Teenage motherhood is a worrisome problem in America today, and the welfare system tends to spotlight the black teenage mom. Based on her own experience as an African-American teenage mother, sociologist Elaine Bell Kaplan dispels common perceptions of these young women by reassessing the class, gender, and racial factors that influence black teenagers to become mothers.

Mindy Kaling has lived many lives: the obedient child of immigrant professionals, a timid chubster afraid of her own bike, a Ben Affleck-impersonating Off-Broadway performer and playwright, and, finally, a comedy writer and actress prone to starting fights with her friends and coworkers with the sentence "Can I just say one last thing about this, and then I swear I'll shut up about it?" Perhaps you want to know what Mindy thinks makes a great best friend (someone who will fill your prescription in the middle of the night), or what makes a great guy (one who is aware of all elderly people in any room at any time and acts accordingly), or what is the perfect amount of fame (so famous you can never get convicted of murder in a court of law), or how to maintain a trim figure (you will not find that information in these pages). If so, you've come to the right book, mostly! In *Is Everyone Hanging Out Without Me?*, Mindy invites readers on a tour of her life and her unscientific observations on romance, friendship, and Hollywood, with several conveniently placed stopping points for you to run errands and make phone calls. Mindy Kaling really is just a Girl Next Door—not so much literally anywhere in the continental United States, but definitely if you live in India or Sri Lanka. This enhanced eBook includes an audio introduction from the author; audio commentary from Mindy's friends, including *The Office* costar B. J. Novak and *Parks and Recreation* creator Michael Schur; bonus photos, including an exclusive "Avalanche of Awkwardness" slideshow of never-before-seen childhood photos with audio commentary; and three full chapters read by the author.

PLEASE NOTE: This is a summary of the book and NOT the original book. Not That Kind of Girl by Lena Dunham - A 20-minute Summary Inside this Instaread Summary:

- Overview of the entire book •

- Introduction to the important people in the book • Summary and analysis of all the chapters in the book • Key Takeaways of the book • A Reader's Perspective Preview of this summary: Chapters 1-4 Take My Virginity (No, Really, Take It) Dunham did not come close to having sex until her sophomore year of college. That year, she hosted a party in her room and threw herself at a nice guy named Jonah. Her first sexual experience did not change her as she expected it to. She added this life event as a scene into the first movie she wrote and discovered acting it out had more of an impact on her than the actual experience had. Platonic Bed Sharing: A Great Idea (for People Who Hate Themselves) During her third year in college, Dunham started to invite guys to share her bed platonically just to feel wanted and safe. She learned that it was not okay to share a bed with anyone who was just there to avoid being alone and who did not feel like platonic bed sharing was actually intimate in itself. 18 Unlikely Things I've Said Flirtatiously Dunham has said many things that characterize her as extremely awkward in situations with the opposite sex, especially in her attempts at flirting. Topics range from only having body odor in one armpit to having a colon infection from coffee, to having a belly button rash. Igor; Or, My Internet Boyfriend Died and So Can Yours Dunham had a three month online relationship with a boy named Igor when she was in the ninth grade. The two eventually made plans to meet, but he never arrived. He later claimed he had been grounded. Igor gradually stopped messaging her. Her friend, Julianna, told her that Igor overdosed and died. Later, Dunham spotted Igor's screen name online. When she typed a greeting to him, his name

disappeared...

This is the story I promised myself, aged twenty-one, that I would one day be brave enough - and well enough - to write. Clare Bowditch has always had a knack for telling stories. Through her music and performing, this beloved Australian artist has touched hundreds of thousands of lives. But what of the stories she used to tell herself? That 'real life' only begins once you're thin or beautiful, that good things only happen to other people. YOUR OWN KIND OF GIRL reveals a childhood punctuated by grief, anxiety and compulsion, and tells how these forces shaped Clare's life for better and for worse. This is a heartbreaking, wise and at times playful memoir. Clare's own story told raw and as it happened. A reminder that even on the darkest of nights, victory is closer than it seems. With startling candour, Clare lays bare her truth in the hope that doing so will inspire anyone who's ever done battle with their inner critic. This is the work of a woman who has found her true power - and wants to pass it on. Happiness, we discover, is only possible when we take charge of the stories we tell ourselves. 'The words that kept coming to me over and over again as I read this book were authenticity and decency. Clare Bowditch made me feel how wonderful and difficult and amazing it is to be a human.' LEIGH SALES 'Brutal at times but funny as f@#k. This book will change a lot of lives for the better.' BERNARD FANNING 'Reading this book felt as intimate as having a long, heart-breakingly vulnerable yet hilarious conversation with Clare by a fire with wine in hand. It is a celebration of the human struggle, how we can learn to befriend (and say "f@#k off" to) our demons, and ultimately write our own story. There is so much hope in this book.' MISSY HIGGINS 'Clare Bowditch cements her status as one of Australia's most mesmerising storytellers with this debut. Her ability to lay bare the vulnerabilities, hurts and triumphs of a woman's life is second to none. She's my kind of girl, for sure.' CLEMENTINE FORD 'This book is like a life-buoy, tossed across a generation by a sick and frightened young woman, who grew up to be Clare Bowditch. An extraordinary tale, faithfully remembered and generously told. What a woman. A transfixing and powerful memoir.' ANNABEL CRABB 'Clare Bowditch opens her heart and history with staggering generosity - unpicking the birth of her creativity and the early scars that forged her. Much like the woman herself, YOUR OWN KIND OF GIRL is unflinching,

entertaining, inspiring and real. I inhaled this book.' KAT STEWART 'A brave and generous work. Never didactic or patronising, Bowditch nonetheless has much to share as she invites the reader inside the tender heart and evolving mind of a young woman determined to make sense of herself and her place in the world. Told with Bowditch's trademark warmth and openness, this book is an act of compassion as much as it is the product of diligent reflection and insight.' PEGGY FREW 'For parents, indeed anyone that would like to understand mental illness, and that recovery is possible. Clare writes with extraordinary self-awareness and insight. Her journey encourages anyone to keep going; to believe that there is something better, to take one step at a time toward it, and not to give up. A truly compelling story of resilience, survival and growth.' DR CHARLOTTE KEATING 'A deeply revealing insight into how a true artist is born. Brutally honest, compelling and affecting, Clare's luminous warmth shines through every page.' KATE MILLER-HEIDKE 'I fell in love with this book from the start - it's a brutally honest, witty, smart and courageous account of Clare Bowditch finding her path and her power.' EDDIE PERFECT 'Clare takes us to the edge of the stuff we flee from - the late-night inner turmoil of an eating disorder, the loneliness of being the "fat kid" and death - so that, as her friend Leonard Cohen once said, the light might come in.' SARAH WILSON 'Clare's story (so far) reveals how resilience is created from the suffering life inflicts. Clare discovers the unlikely weapons of FAFL and FOF to kickstart her recovery and combat "Frank", her internal nemesis, and with the guidance of Ron, her therapist, she transforms breakdown into breakthrough. Clare's suffering morphs into flourishing, as this highly creative human finds her authentic self and builds her artistic career and her own family. Clare's honesty and warmth shines strongly through the pages of this inspiring and moving memoir.' PROFESSOR PAT MCGORRY 'Finally, an author who has found the words to describe that excruciatingly complex relationship many women have with food.' JAMILA RIZVI 'What I love best about the glorious Clare Bowditch is how richly she embraces life and holds to what's most sustaining. Her beautiful book is so like her music: bold, original, earthy, funny, grateful, honest, truthful and tuneful - and fabulously female.' STEPHANIE DOWRICK, author of *Choosing Happiness* 'Vibrant, touching, hilarious. Clare's heart-baring makes me want to live brighter, tell more truths, and laugh - in a sweet way - at my

self-criticism and fears. This is book is a healer.' DANIELLE LAPORTE, author of *The Desire Map*

Not the Girl You Marry Feiwel & Friends For Caroline, being a girl is already confusing, and growing up in the small African country of Malawi, she is constantly asked the question, "What kind of girl behaves this way?" With a thousand cultural ideas flooding into her head from American TV and movies, she struggles to fit into the traditional African society she was born into. Instead, she chooses to stand out by taking risks that are curious beyond what is proper, leading to disapproval and harsh consequences. At nine years old, she finds herself enrolled in a high school at a boarding school far from her home and parents. Alone, she must finally answer the question "What kind of girl are you?" for herself. *What Kind of Girl?* is a sweeping coming of age story about a girl in Malawi who must tangle with the gender restrictions, religious institutions, American cultural attitudes, and African traditions that seek to define who she can be as a woman. It is also a tale of how one girl's story in a distant country in Africa can become all of our stories.

Twenty-Two Harper Perennial The classic *Crazy Salad*, by screenwriting legend and novelist Nora Ephron, is an extremely funny, deceptively light look at a generation of women (and men) who helped shape the way we live now. In this distinctive, engaging, and simply hilarious view of a period of great upheaval in America, Ephron turns her keen eye and wonderful sense of humor to the media, politics, beauty products, and women's bodies. In the famous "A Few Words About Breasts," for example, she tells us: "If I had had them, I would have been a completely different person. I honestly believe that." Ephron brings her sharp pen to bear on the notable women of the time, and to a series of events ranging from Watergate to the Pillsbury Bake-Off. When it first appeared in 1975, *Crazy Salad* helped to illuminate a new American era—and helped us to laugh at our times and ourselves. This new edition will delight a fresh generation of readers.

#1 NEW YORK TIMES BESTSELLER •

Includes two new essays! NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY MICHIKO KAKUTANI, THE NEW YORK TIMES • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BUZZFEED, THE GLOBE AND MAIL, AND LIBRARY JOURNAL For readers of Nora Ephron, Tina Fey, and David Sedaris, this hilarious, wise, and fiercely candid collection of personal essays establishes Lena Dunham—the acclaimed creator, producer, and star of HBO's *Girls*—as one of the most original young talents writing today. In *Not That Kind of Girl*, Dunham illuminates the experiences that are part of making one's way in the world: falling in love, feeling alone, being ten pounds overweight despite eating only health food, having to prove yourself in a room full of men twice your age, finding true love, and most of all, having the guts to believe that your story is one that deserves to be told. "Take My Virginity (No Really, Take It)" is the account of Dunham's first time, and how her expectations of sex didn't quite live up to the actual event ("No floodgate had been opened, no vault of true womanhood unlocked"); "Girls & Jerks" explores her former attraction to less-than-nice guys—guys who had perfected the "dynamic of disrespect" she found so intriguing; "Is This Even Real?" is a meditation on her lifelong obsession with death and dying—what she calls her "genetically predestined morbidity." And in "I Didn't F*** Them, but They Yelled at Me," she imagines the tell-all she will write when she is eighty and past caring, able to reflect honestly on the sexism and condescension she has encountered in Hollywood, where women are "treated like the paper thingies that protect glasses in hotel bathrooms—necessary but infinitely disposable." Exuberant, moving, and keenly observed, *Not That Kind of Girl* is a series of dispatches from the frontlines of the struggle that is growing up. "I'm already predicting my future shame at thinking I had anything to offer you," Dunham writes. "But if I can take what I've learned and make one menial job easier for you, or prevent you from having the kind of sex where you feel you must keep your sneakers on in case you want to run away during the act, then every misstep of mine will have been worthwhile." Praise for *Not That Kind of Girl* "The gifted Ms. Dunham not only writes with observant precision, but also brings a measure of perspective, nostalgia and an older person's sort of wisdom to her portrait of her (not all that much) younger self and her world. . . . As acute and heartfelt as it is funny."—Michiko Kakutani, *The New York Times* "It's not Lena Dunham's

candor that makes me gasp. Rather, it's her writing—which is full of surprises where you least expect them. A fine, subversive book."—David Sedaris "This book should be required reading for anyone who thinks they understand the experience of being a young woman in our culture. I thought I knew the author rather well, and I found many (not altogether welcome) surprises."—Carroll Dunham "Witty, illuminating, maddening, bracingly bleak . . . [Dunham] is a genuine artist, and a disturber of the order."—*The Atlantic*

The remarkable New York Times bestseller! It happens every year before homecoming -- the list is posted all over school. Two girls are picked from each grade. One is named the prettiest, one the ugliest. The girls who aren't picked are quickly forgotten. The girls who are become the center of attention, and each reacts differently to the experience. With *THE LIST*, Siobhan Vivian deftly takes you into the lives of eight very different girls struggling with issues of identity, self-esteem, and the judgments of their peers. Prettiest or ugliest, once you're on the list, you'll never be the same.

[A Memoir](#) Farrar, Straus and Giroux (BYR) Spanning eight decades and chronicling the wild ride of a Greek-American family through the vicissitudes of the twentieth century, Jeffrey Eugenides' witty, exuberant novel on one level tells a traditional story about three generations of a fantastic, absurd, lovable immigrant family -- blessed and cursed with generous doses of tragedy and high comedy. But there's a provocative twist. Cal, the narrator -- also Callie -- is a hermaphrodite. And the explanation for this takes us spooling back in time, through a breathtaking review of the twentieth century, to 1922, when the Turks sacked Smyrna and Callie's grandparents fled for their lives. Back to a tiny village in Asia Minor where two lovers, and one rare genetic mutation, set our narrator's life in motion. *Middlesex* is a grand, utterly original fable of crossed

bloodlines, the intricacies of gender, and the deep, untidy promptings of desire. It's a brilliant exploration of divided people, divided families, divided cities and nations -- the connected halves that make up ourselves and our world.
