**Killer In the Shadows** Laurens

Publishing

I was only fourteen when I witnessed a murder on the riverbank. A murder that went unpunished. Unless you count what happened to my family. We were forced

out of town by the teenage killer's prominent parents. And the murder was forgotten—by everyone but me. Now, the killer is a respected businessman. I can't let him get away with it. But I'm a single mother with a child to protect, what can I do? The new man in my life, Mark Bishop, warns me to be careful. For there's already been another murder. Close to home.

**Guardian of Shadows** No Inside Voice Books

Killer in the Shadows is the story of a young man wrongly accused of murder. It is a travesty of justice when an innocent man is sent to prison. He had to endure the horrors of life on Death Row, while the real killer got away with murder. It all started the summer of 1984, in Miami Dade County, in a

business district, off 68th. Street in West Hialeah. The sound of gunfire disrupted the stillness of the night... When it was over, one man laid dead, another one, critically injured, and the third one, was arrested and charged with the crimes. It was the prelude of the ordeal to come for the accused young man. A web of lies, jealousy, hate and revenge was weaved around him, with the purpose of incriminate him and separate him from the woman he loved. He was tried, convicted and sentenced to die in Florida's electric chair, on the testimony of an unscrupulous eyewitness, who was lying, with the complicity of the prosecutor for personal gains... The other two witnesses to the crime couldn't testify on his behalf... The young man sat on Death Row many

years, hoping and praying that the truth would prevail and he'd be exonerated. Throughout those desperate times, plagued by a horrendous nightmare, living waiting to die... he was sustained by the love of his family and friends. They stood by him, unconditionally, believing in his innocence among them the wife of the murdered man and a whistling ghost, who gave him hope in his worse moments of hopelessness. But most of all by the three courageous men, who never gave up on him: his lawyer, who kept halting the state from executing him... the detective, who kept looking for the killer in the shadows... and the priest, who kept praying for a miracle. Six year later, the young man became despondent. Every appeal was denied, the evidence that surfaced

turned out to be a dead end and the only witness left was about to die... Under those circumstances, he decided to end it all there was nothing more they could do for him. He was ready to face his fate.... He was doing it for his family and friends he wanted to set them free from their suffering... Once he was gone, they could go on with their lives and he would only be a sad memory. A date was set for his execution... In the midst of all this, a woman from his past, came into the picture. She teamed up with the priest and his wife and together they were going to right the wrongs people do. Faith, courage and perseverance set the stage for a confrontation that had started three decades ago in another country... That event tore two families apart and changed their lives,

drastically. Now, it was time for the final struggle: the war between the forces of good and evil... The outcome would determine if the young man lived or died... and it would reveal the truth behind a great deceit.

Welcome to my fucking world. My name is Kaston Cox and I'm a criminal's worst nightmare. Most people run from darkness, but I live in it, require it, and thrive in the night. Some call me a monster, some a lover of evil, and others, the devil himself, but they're all wrong. I'm just a shadow in the dark. I speak for the innocent when no one else will. Once I have marked you, you better beg for forgiveness, because your time has run out... Revenge is the ultimate wage for evil. Some just can't stomach

to do it themselves. That's where I come in. I am the ultimate judge when called upon for justice. I will decide who lives and who dies. Blood may be on my hands, but it's not the blood of the innocent. Remorse is nowhere to be found. I don't give a shit if you understand. I can live with the man I look at every day in the mirror. My soul was tainted the day I was conceived. You think you know me? You have no fucking idea. I am who I am because of what they did to her, and to him. They were my family. This was the only form of restitution he believed in. I owed him everything. I took over the empire he built. This is how I repay him. There was only one rule: never allow emotions to form. Numb and heartless are the only two ways to live. What I never included

in the plan...was her. My name is Lux Larsen. My life is as perfect as it can get. I'm a partier, a seductress when it comes to something that I want, and the ultimate sexual con artist. I use my body to get what I want and I'm not ashamed. Designer tags are what I'm after. I love sex. I'm good at it. Fuck double standards. Guys can do it, well guess what, so can I. I will never be caught back on the other side of the tracks for as long as I live. I left that hellhole years ago. I'll do anything to stay away. You can call me a whore if you want, but I just look at it as I've decided to become a player in a man's game, and I'm a fucking pro at it. Love is for the weak minded. Weak is something I'll never be. I never anticipated the predator that would find me. I'm now his prey...but I'm

not sure I can run. The world likes to think that love is only pure, only for those that do good, but what no one considers is when bad has to be done to formulate a different type of good. Two of the most random people can be a perfect match, being placed together like pieces to a puzzle. Being in the wrong place at the right time can be terrifying and it can also be exactly what is supposed to happen, because sometimes...love is born in the dark. *Shadows Landing: Books 1 & 2 (Saving Shadows and Sunken Shadows)* Lissa Kasey
