Torah can help you recover your soul—if you are willing to ask yourself the right questions. "If the Torah is the all-encompassing moral compass that it claims to be, and I believe it to be so, then we can find anything in it, including the support needed for recovery.... In it are the remedies for all spiritual maladies—we just have to probe the text, dig deeply in it and drink of its life-giving waters."

—from the Foreword In this soul-restoring resource, Rabbi Mark Borovitz combines his knowledge of Judaism and his experience as a leader in the field of recovery to help you find in the Five Books of Moses the deeper meaning, wisdom and guidance for living well in the moment. For each Torah portion, he provides seven days of teachings and reflection questions to help you reconnect with your sacred self, discover solutions to life's challenges and to help you heal. In this interdisciplinary work, William L. Davis examines Joseph Smith's 1829 creation of the Book of Mormon, the foundational text of the Latter Day Saint movement. Positioning the text in the history of early American oratorical techniques, sermon culture, educational practices, and the passion for self-improvement, Davis elucidates both the fascinating cultural context for the creation of the Book of Mormon and the central role of oral culture in early nineteenth-century America. Drawing on performance studies, religious studies, literary culture, and the history of early American education, Davis analyzes Smith's process of oral composition. How did he produce a history spanning a period of 1,000 years, filled with hundreds of distinct characters and episodes, all cohesively tied together in an overarching narrative? Eyewitnesses claimed that Smith never looked at notes, manuscripts, or books—he simply spoke the words of this American religious epic into existence. Judging the truth of this process is not Davis's interest. Rather, he reveals a kaleidoscope of practices and styles that converged around Smith's creation, with an emphasis on the evangelical preaching styles popularized by the renowned George Whitefield and John Wesley.

**The Politics of Truth** New York : Bowker

"The Little Children's Bible Books is 24 best stories of the Bible retold for pre-schoolers in 24 volumes. Forty pages of learning and fun - including two four-page jumbo fold-outs!"

Eyes Univ. Press of Mississippi

A New York Times Bestseller A Washington Post Notable Nonfiction Book of 2020 Named a Best Book of 2020 by NPR "A fascinating scientific, cultural, spiritual and evolutionary history of the way humans breathe—and how we've all been doing it wrong for a long, long time." —Elizabeth Gilbert, author of *Big Magic* and *Eat Pray Love* No matter what you eat, how much you exercise, how skinny or young or wise you are, none of it matters if you're not breathing properly. There is nothing more essential to our health and well-being than breathing: take air in, let it out, repeat twenty-five thousand times a day. Yet, as a species, humans have lost the ability to breathe correctly, with grave consequences. Journalist James Nestor travels the world to figure out what went wrong and how to fix it. The answers aren't found in pulmonology labs, as we might expect, but in the muddy digs of ancient burial sites, secret Soviet facilities, New Jersey choir schools, and the smoggy streets of São Paulo. Nestor tracks down men and women exploring the hidden science behind ancient breathing practices like Pranayama, Sudarshan Kriya, and Tummo and teams up with pulmonary tinkerers to scientifically test long-held beliefs about how we breathe. Modern research is showing us that making even slight adjustments to the way we inhale and exhale can jump-start athletic performance; rejuvenate internal organs; halt snoring, asthma, and autoimmune disease; and even straighten scoliotic spines. None of this should be possible, and yet it is. Drawing on thousands of years of medical texts and recent cutting-edge studies in pulmonology, psychology, biochemistry, and human physiology, *Breath* turns the conventional wisdom of what we thought we knew about our most basic biological function on its head. You will never breathe the same again.

**Suspicion** Troubador Publishing Ltd

A Rough Trade Book of the Year (2017) "Must-read for any fan of both Bad Brains and their enigmatic vocalist" —No Echo This gripping oral history features H.R. himself and the people who know him best, including Ian MacKaye, Questlove and members of Sublime and the Deftones. The spiritual leader of Bad Brains was one of the most iconic and legendary front men in punk rock and hardcore. Paul "H.R." Hudson launched his unique, ferocious vocal assault and dynamic physical showmanship with love and Rasta in his heart, along with a hopefulness seldom found in punk. His journey has been riddled with unprecedented volatility: drugs, violence, disappearances and a debilitating mental illness. The disorder was so powerful—and the suffering so severe—that it's difficult to fathom how he even survived. How could one so tremendously troubled produce such an incredible body of work and have made such an impact? *Finding Joseph I* features interviews with H.R.'s family, bandmates, friends, and those he has influenced and inspired. Interviewees include members of Bad Brains, Guns N' Roses, Black Flag, Living Colour, 311, Fishbone, the Wailers, Cro-Mags, Dead Prez, Murphy's Law, P.O.D., Michael Franti & Spearhead and many more. Packed with many rare and never-before-seen images, *Finding Joseph I* is the definitive account of the punk rock icon.

An account of the origins of hip-hop music as presented by its founders and stars traces the work of such performers as DJ Kool Herc, Grandmaster Flash, and DMC.

**Finding Joseph I** Vintage

\*\*\*\*Four starred reviews!\*\*\*\* From the U.S.'s foremost Indigenous children's author comes a middle grade verse novel set during the COVID-19 pandemic, about a Wabanaki girl's quarantine on her grandparents' reservation and the local dog that becomes her best friend Malian loves spending time with her grandparents at their home on a Wabanaki reservation. She's there for a visit when, suddenly, all travel shuts down. There's a new virus making people sick, and Malian will have to stay with her grandparents for the duration. Everyone is worried about the pandemic, but Malian knows how to keep her family and community safe: She protects her grandparents, and they protect her. She doesn't go outside to play with friends, she helps her grandparents use video chat, and she listens to and learns from their stories. And when Malsum, one of the dogs living on the rez, shows up at their door, Malian's family knows that he'll protect them too. Told in verse inspired by oral storytelling, this novel about the COVID-19 pandemic highlights the ways Malian's community has cared for one another through plagues of the past, and how they keep caring for one another today.

**The Foundling** Penguin

A boy discovers his Native American heritage in this Depression-era tale of identity and friendship by the author of *Code Talker* It's 1932, and twelve-year-old Cal Black and his Pop have been riding the rails for years after losing their farm in the Great Depression. Cal likes being a "knight of the road" with Pop, even if they're broke. But then Pop has to go to Washington, DC—some of his fellow veterans are marching for their government checks, and Pop wants to make sure he gets his due—and Cal can't go with him. So Pop tells Cal something he never knew before: Pop is actually a Creek Indian, which means Cal is too. And Pop has decided to send Cal to a government boarding school for Native Americans in Oklahoma called the Challagi School. At school, the other Creek boys quickly take Cal under their wings. Even in the harsh, miserable conditions of the Bureau of Indian Affairs boarding school, he begins to learn about his people's history and heritage. He learns their language and customs. And most of all, he learns how to find strength in a group of friends who have nothing beyond each other.

**Finding Recovery and Yourself in Torah** Bloomsbury Publishing USA

"I was somewhere else yesterday. Today I am here, and tomorrow I will be somewhere else again. By this action of yours my time is wasted perhaps more than yours, as I have to go a great deal further than you." Joseph didn't want to go to war. He wasn't a conscientious objector, but neither was he garlanded with battle honours. He resembles none of our burnished archetypes and he isn't the sort of man books are normally written about. He fought only because a military tribunal forced him to. That tribunal sat in Westminster, many miles away, and it was led by the Marquess of Salisbury. The Westminster decision so enraged Joseph's friends and neighbours that his own, local tribunal went on strike. Drawing on legal records and vibrant newspaper reports of the time, Joseph, 1917 raises an interesting question – if you put a man in harm's way then realise you made a mistake, shouldn't you at least try to make amends? The book also offers some thoughts on tribunals and the law they applied and about the different ways they let Joseph down. But it is also interested in the events and characters of the time and the strange story of the place Joseph called home. Joseph, 1917 is a book that is different in its subject and its scope from almost every other one published about the war and would serve as the perfect complement to those books. It combines several genres in which there is currently great interest – not only is it a military history, it is a life story and it contains a good deal of social history (and even genealogy) and legal and political history. It is likely to appeal not only to devotees of Richard Holmes, but also to people who enjoy *Who Do You Think You Are?* and *The Secret History of My Family* and to readers of *History Today*. David Hewitt is a lawyer and writer and, like some of the people in *Joseph, 1917*, he sits on judicial tribunals. He was born and brought up in the place in which the book is set and he is interested in the law and what it does to people. He is also interested in lost stories, especially those that shed fresh light on great events, and he enjoys bringing those stories back into the light.

Take another wondrous alphabetical journey through the glorious history of hip-hop in this follow-up to the beloved *Hip-Hop Alphabet*. Featuring clever rhymes and graffiti-style drawings by legendary artist Kaves, *Hip-Hop Alphabet 2* uses the twenty-six letters of the alphabet to educate kids about classic and contemporary icons while exploring essential aspects of the music and culture. Learn the ABCs with a beat!

**Man in Profile** Scandinavia Publishing House

For Flushing, Queens natives Lou and Pete Koller, hardcore has become a lifestyle as well as an unlikely career. From the moment these siblings began applying their abilities to punk's angrier, grimmer sub-genre, they quickly became fifty percent of one of the most intense and compelling quartets to ever claim the movement—the legendary New York hardcore band, Sick of it All. Contrary to popular belief, Lou and Pete are proof positive that you don't need to have lived a street life, or come from a fractured, chaotic home in order to produce world-class hardcore. If Agnostic Front are the godfathers of New York hardcore, then vocalist Lou and guitarist Pete are its grand masters. *The Blood and the Sweat* is the no-holds-barred autobiography of two brothers who have never wavered, as well as an unrelenting depiction of the American dream, and the drive and determination required to live it—regardless of whatever obstacles appear before you. Featuring commentary from family, friends, bandmates past and present, and their peers, including Gary Holt (*Exodus*, *Slayer*), Kurt Brecht (*D.R.I.*), Barney Greenway (*Napalm Death*), and more...

**Yes Yes Y'all** Dutton

In this groundbreaking urban fantasy series from New York Times bestseller Joseph Nassise, a grieving father makes a desperate bargain with forces beyond his control, revealing the supernatural world he'll need to survive in order to rescue the daughter who vanished into its dark depths several years before. "Gritty, grim, yet surprisingly personal and poetic, *Eyes to See* is like nothing else in its field. Make time for this one." —Seanan McGuire, New York Times bestselling author of the *October Daye* and *Incryptid* series "Brings urban fantasy to a new level. Heartbreaking, deeply insightful, powerful, and genuinely thrilling. Joe Nassise has just raised the bar for the whole genre." —Jonathan Maberry, New York Times bestselling author of the *Joe Ledger* series "I gave up my eyes to see more clearly." Harvard professor Jeremiah Hunt's life fell apart in the wake of his daughter's disappearance. His obsessive search for her cost him his wife, his job, and his reputation. And now, thanks to a Faustian bargain he makes with the empty-eyed and enigmatic Preacher, it takes his sight as well. In return, he's granted the gift of seeing what others cannot; ghosts and other supernatural creatures of the night. With the help of his ghostly companions – Whisper and Scream – he embarks on a new career banishing malevolent spirits that torment the living while continuing his search for clues to Elizabeth's fate. What begins as a search for his daughter turns

deadly when a particularly cunning foe lays a trap that ends with Hunt accused of a series of brutal murders. Now Hunt must fight not only to save his daughter's life but his own as well, against a dark and ageless foe that would use a father's love to set itself free.

Discover the Essential Laws That Elevate You In one of his bluntest and most practical works ever, popular voice of esoteric ideas Mitch Horowitz explores the most powerful steps you can take to bring yourself into alignment with the natural forces of life to produce greater effectiveness, self-expression, creativity, earning ability, and personal happiness. In this book, Mitch makes his first detailed exploration of the most intriguing and mysterious idea charted by success master Napoleon Hill, Cosmic Habit Force, and demonstrates, step by step, how you can enact this method by incorporating 23 simple principles into your life. Cosmic Habit Force demonstrates how to "Harness Unexpected Forces" (Habit 5), "Loosen the Hold of Fear" (Habit 7), "Avoid Predatory Personalities" (Habit 20), "Expect Great Things" (Habit 22), and much more. As Mitch describes, certain ways of living bring you into alignment with laws that enable nature and all of life. This is not dissimilar to concepts found within Taoism and Transcendentalism. When you function within this productive flow, cycles of growth appear at your back. All of nature aids your advancement. "Brilliant mind."—Duncan Trussell "Invitingly frank."—Kirkus Reviews "Mitch Horowitz, a specialist in American esotericism...takes us far from naive doctrines."—Paris Match

*Joseph, 1917* Random House

With a new investigative epilogue by a prominent Washington journalist and a new foreword by the author. Ambassador Joseph Wilson recounts more than two decades of foreign service to our country in this unprecedented look at the life of an American diplomat and an unabashed account of policies that sometimes succeeded and sometimes failed. As the last American official to meet with Saddam before Desert Storm, Wilson successfully parried the dictator's threats to use American hostages as human shields against U.S. bombing. Yet today he finds himself battling threats from his own government because he called a lie a lie. When President Bush alleged that Iraq had pursued uranium from Africa for its nuclear weapons program, Wilson could not stand silent. He had traveled to Niger the previous year and found no evidence to support the president's claim. To intimidate Wilson, senior administration officials disclosed the undercover status of Wilson's wife, CIA operative Valerie Plame, to the press, putting her life in danger. Rather than backing down, Wilson persistently criticized the way the administration misled the nation into war. Now he continues his fight in this groundbreaking book by revealing the perils bred by the war-hungry regime in the White House.

**The Merciless Book of Metal Lists** McGraw Hill Professional

Damaged: Musicality and Race in Early American Punk is the first book-length portrait of punk as a musical style with an emphasis on how punk developed in relation to changing ideas of race in American society from the late 1960s to the early 1980s. Drawing on musical analysis, archival research, and new interviews, Damaged provides fresh interpretations of race and American society during this period and illuminates the contemporary importance of that era. Evan Rapport outlines

the ways in which punk developed out of dramatic changes to America's cities and suburbs in the postwar era, especially with respect to race. The musical styles that led to punk included transformations to blues resources, experimental visions of the American musical past, and bold reworkings of the rock-and-roll and rhythm-and-blues sounds of the late 1950s and early 1960s, revealing a historically oriented approach to rock that is strikingly different from the common myths and conceptions about punk. Following these approaches, punk itself reflected new versions of older exchanges between the US and the UK, the changing environments of American suburbs and cities, and a shift from the expressions of older baby boomers to that of younger musicians belonging to Generation X. Throughout the book, Rapport also explores the discourses and contradictory narratives of punk history, which are often in direct conflict with the world that is captured in historical documents and revealed through musical analysis.

**Eyes To See** Penguin

This is the inspiring and "page-turning" (Booklist) true story of Paul Fronczak, a man who recently discovered that he had been kidnapped as a baby—and how his quest to find out who he really is upturned the genealogy industry, his own family, and set in motion the second longest cold-case in US history. In 1964, a woman pretending to be a nurse kidnapped an infant boy named Paul Fronczak from a Chicago hospital. Two years later, police found a boy abandoned outside a variety store in New Jersey. The FBI tracked down Dora Fronczak, the kidnapped infant's mother, and she identified the abandoned boy as her son. The family spent the next fifty years believing they were whole again—but Paul was always unsure about his true identity. Then, four years ago—spurred on by the birth of his first child, Emma Faith—Paul took a DNA test. The test revealed that he was definitely not Paul Fronczak. From that moment on, Paul has been on a tireless mission to find the man whose life he's been living—and to discover who abandoned him, and why. Poignant and inspiring, *The Foundling* is a story about a child lost and a faith found, about the permanence of families and the bloodlines that define you, and about the emotional toll of both losing your identity and rediscovering who you truly are.
