Less than six months after taking office, the Norwegian Prime Minister is found dead. She has been shot in the head. Was it a politically motivated assassination or personal revenge? Hanne Wilhelmsen, chief inspector of the Oslo police, is on leave in California, but when the death shakes the country to its core, she knows she can't remain on the sidelines of such a crucial investigation. The hunt for the Prime Minister's killer is complicated, intense, and grueling. When secrets begin to unravel from the Prime Minister's past, Hanne and her partner, Billy T., must solve the crime before a private tragedy becomes a public scandal in the most sensitive case of their careers. Filled with lies, deception, and the truth about government, "The Lion's Mouth tackles the ruthlessness of political power [in] the most sensitive investigation of Hanne Wilhelmsen's career" (Financial Times). "The wonder and pleasure...is in how Ms. Holt weaves the strands of a political thriller, a police procedural, a locked-room mystery, and a domestic novel into a satisfying plot" (The Wall Street Journal).

Comfort Quilts From The Heart Createspace Independent Publishing Platform

An exciting new title from the leading quilt author, Quilt Me! celebrates Jane Brocketts liberated, joyous, colourful approach to quilting using wonderful fabrics and simple shapes and patterns to create stunning effects. Taking inspirational fabrics as its starting point, the book explores not only the designs available in cotton, made-for-the-market quilt/patchwork fabrics, but also moves into a new realm of alternative fabrics that can be used to make beautiful, practical, usable quilts. It is as if a quilt-maker has walked into the haberdashers of her dreams and has explored the many possibilities that traditional fabrics offer, fabrics such as ticking, linen, gingham, tweed, tartan, suiting, shirting, velvet, silk and calico. With clear instructions for a fantastic variety of quilts, Quilt Me! recreates the excitement, known to all quilters, of rummaging through a new stash of fabrics. The author describes the joy to be found in a wonderful colour scheme, design or pattern, as well as the aesthetic and practical advantages of making the most of what we find in traditional fabric shops and in our textile heritage, finding alternatives to quilt cottons, and casting a new eye over fabrics made for other purposes such as clothes, curtains, upholstery and interior decoration.
