*Robert Burns* BRILL

Reprint of the original, first published in 1857. The publishing house Anatiposi publishes historical books as reprints. Due to their age, these books may have missing pages or inferior quality. Our aim is to preserve these books and make them available to the public so that they do not get lost.

**The Balance of Power, 1715-1789** BoD – Books on Demand

Volume 59 Humanistica Lovaniensia: Journal of Neo-Latin Studies, published annually, is the leading journal in the field of Renaissance and modern Latin. As well as presenting articles on Neo-Latin topics, the journal is a major source for critical editions of Neo-Latin texts with translations and commentaries. Its systematic bibliography of Neo-latin studies (Instrumentum bibliographicum Neolatinum), accompanied by critical notes, is the standard annual bibliography of publications in the field. The journal is fully indexed (names, mss., Neo-Latin neologisms).

**The Long Quarrel** Wipf and Stock Publishers

Written in both English and French, The 9.5mm Vintage Film Encyclopaedia provides a single-volume, comprehensive catalogue of all known 9.5mm film releases, including: Films: Comprising 12,460 individual entries, this A-Z reference index provides the main listing for each film and its origin where known, along with additional information including cast and crew, and cross references to other relevant material. People: This index of all known actors and film crew, comprising over 12,000 names, provides a listing which is cross referenced to the main entry for each original film they worked on. Numbers: Pathé-Baby/Pathéscope and other distributors' catalogue numbers, film length, release dates (where known) and the series in which the films were organised, are set out in detail. With a foreword from eminent film historian and filmmaker, Keith Brownlow, this extensively researched text explains the importance of the 9.5mm film, from its beginnings in the early 1920s to becoming synonymous with Home Cinema throughout Europe. Readers will also find a brief technical explanation on how 9.5mm films were produced, along with relevant images.

*Institutes of Ecclesiastical History* Routledge

An examination of how debates originating in the Quarrel of the Ancients and the Moderns informed a broader exploration of the relation between past and present in various realms of eighteenth-century thought.

**Catalogue of the Asiatic Library of Dr. G. E. Morrison, Now a Part of the Oriental Library, Tokyo, Japan: Books in other languages than English** Leuven University Press

Dieser Band setzt das große internationale Standardwerk zur Rezeption der Hebräischen Bibel/des Alten Testaments, das christliche und jüdische Fachleute aus der ganzen Welt vereint, fort. Es stellt die alttestamentliche Exegese von den Anfängen innerbiblischer Schriftdeutung bis zur gegenwärtigen Forschung umfassend dar. Dieser Band widmet sich der Zeitspanne zwischen Renaissance und Aufklärung (1300-1800).

*Forgotten Virgo* Princeton University Press

The volume explores hybridity in visual, musical, and written texts from France, the Francophone world, and beyond. Defined as an unexpected interaction between two or more categories, hybrid forms challenge conventional ways of thinking and seem integral to creativity itself.

*The Jesuits and the Monarchy* Routledge

Mêlant astucieusement fiction et réalité, héros romanesques et personnages historiques, cet ambitieux roman révèle au grand jour les mécanismes de fonctionnement de l'une des organisations les plus secrètes au monde : la CIA. Saga qui se déroule sur près d'un demi-siècle, La Compagnie lève le voile sur la réalité de certains épisodes clés de l'histoire contemporaine : - Budapest, 1956 : les opposants au régime sont envoyés à l'abattoir, faute de l'intervention espérée des Etats-Unis au moment décisif. - Baie des Cochons, 1961 : la mission clandestine de la

CIA tourne au désastre. - Afghanistan, 1983 : juste après avoir rencontré le commandant Massoud, un jeune agent se fait prendre en otage par des islamistes. - Russie, 1991 :un espion russe, de retour des Etats-Unis, se remet en question et aide à déjouer le putsch contre Gorbatchev. Fin chroniqueur d'une guerre froide dont il sait restituer toute la complexité, Robert Littell, dans ce roman fascinant, porte un regard approfondi sur la façon dont une nation a exercé le pouvoir, pour le meilleur et pour le pire, dans la seconde moitié du XXe siècle.

*The Grand Theater of the World* Harvard University Press

The Robber with the Witch's Head presents almost fifty new stories about demons and clever maidens and princes. Bursting with life, this is a storyteller's dream, full of adventure and magic, translated by Jack Zipes.

*Backwoodsmen as Ecocritical Motif in French Canadian Literature* Librairie Droz

The first three decades of Bourbon rule in France coincided with a period of violent fragmentation followed by rapid renewal within the French Catholic community. In the early 1590s, when Henri IV - Protestant head of the Bourbon house - acceded to the throne, French Catholics were at war with each other as Leaguer and Navarrist factions fought both militarily and ideologically for control of Catholic France. However, by 1620 a partially reconciled French church was in the process of defining a distinctive reform movement as French Catholics, encouraged by their monarchs, sought to assimilate aspects of the international Catholic reformation with Gallican traditions to renew their church. By 1650 this French Catholic church, and its distinctive reform movement forged in the decades following the collapse of the Catholic League, had become one of the most influential movements in European Catholicism. This study reconsiders the forces behind these dramatic developments within the French church through the re-examination of a classic question in French history: Why was the Society of Jesus able to integrate successfully into the French church in the opening decades of the seventeenth-century, despite being expelled from much of the kingdom in 1594 for its alleged role in the attempted assassination of the king? The expulsion, recall and subsequent integration of the Society into the French church offers a unique window into the evolution of French Catholicism between 1590 and 1620. It provides new insight into how Henri IV re-established royal authority in the French Catholic church following the collapse of the Catholic League and how this development helped to heal the rifts in French Catholicism wrought by the Leaguer movement. It also explores in unprecedented detail how Henri played an important role in channelling religious energy in his kingdom towards forms of Catholic piety -exemplified by his new allies the Jesuits - which became the foundation of **“An” Ecclesiastical History, from the Birth of Christ to the Beginning of the Eighteenth Century** Abrams

First published in 1982. The Art of Travel is the first collection of critical essays to be devoted to British travel writing. It attempts to give a sense of the wealth of such writing, to map some of its forms and conventions and, implicitly, to claim a place for travel writing in any revised definition of literature. For this collection, travel includes sea voyages, European tours, commissioned enquiries into social conditions, and urban writing; travel writing ranges from works such as Sea and Sardinia by D.H. Lawrence whose status as a novelist guarantees his travel books some attention, through the essays and books of Victorian middle-class travellers into working-class London, to the work of V.S. Naipaul, a contemporary writer, who has increasingly preferred the travel book to the novel.

*Acta Universitatis Gotoburgensis* Routledge

"Cette étude trouve dans les traditions à la fois savantes et politiques associées à la déesse Astrée une invitation à relire l'œuvre d'Honoré d'Urfé à la lumière de la pastorale et de l'épopée virgiliennes. Pourtant, refusant l'absolutisme naissant d'Henry IV, d'Urfé encouragea ses lecteurs à oublier la déesse et l'épopée bourbonienne qu'il avait lui même esquissée. Il réussit ainsi à libérer le monde pastoral de sa dépendance vis-à-vis de l'humanisme et de l'absolutisme, offrant au public du dix-septième siècle un mythe fertile d'autonomie personnelle et littéraire."--

*Abyssinia's Samuel Johnson* BRILL

In one of the most startling literary discoveries of recent years, Jack Zipes has uncovered this neglected treasure trove of Sicilian folk and fairy tales. Like the Grimm brothers before her, Laura Gonzenbach, a talented Swiss-German born in Sicily, set out to gather up the tales told and retold among the peasants. Gonzenbach collected wonderful stories - some on subjects that readers will know from the Grimms or Perrault, some entirely new - and published them in German. Her early death and the destruction of her papers in the Messina earthquake of 1908 only add to the mystery behind her achievement. Beautiful Angiola is an instant classic: a nineteenth-century collection of stories in the great tradition of fairy and folk tales now translated into English for the first time. Gonzenbach delights us with heroines and princes, sorcery and surprise, the deeds of the brave and the treacherous, and the magic of the true storyteller. The Green Bird , The Humiliated Princess , sorfarina , The Magic Cane, the Golden Donkey, and the Little Stick that Hits are titles destine to become new favourites for readers everywhere. Yet while the stories enchant us, the wry taglines with which they often end ('And so they remained rich and consoled, while we keep sitting here and are getting old') gently bring us back to earth.

*Lower Canada Reports* OUP USA

This volume, the conclusion of Leon Edel's splendid edition, rounds off a half century of work on James by the noted biographer-critic. In the letters of the novelist's last twenty years a new Henry James is revealed. Edel's generous selection shows us, as he says, a "looser, less formal, less distant" personality, a man writing with greater candor and with more emotional freedom, who "has at last opened himself up to the physical things of life." The decade embracing the turn of the century is the most productive period of James's career. Happily settled in an English country house and now dictating to a typist, he is able to write The Ambassadors, The Wings of the Dove, and The Golden Bowl in three years. The letters show clearly how his fiction turned from his world-famous tales of international society to the life of passion in his last novels. His new friends and correspondents include Conrad, H. G. Wells, Stephen Crane, Edith Wharton, and several young men to whom he writes curious, half-inhibited love letters. Mrs. Wharton, with her chaffered "chariot of fire," introduces him to the thrill of motoring and welcomes him into her cosmopolitan circle; to him she embodies the affluence and driving energy of the America of the Gilded Age. For the first time in over twenty years he revisits his homeland, traveling not only in the East but through the South to Florida and west to California. He is dismayed by the materialism he finds and the changed ways of life. Back in England, he plunges into several projects; for the New York edition of his works he revises the early novels and writes his famous prefaces. His relations with agents and publishers as well as family and friends are fully documented in the letters, as are his trips to the Continent and visits with Edith Wharton in Paris. His last years are darkened by a long siege of nervous ill health and by the death of his beloved brother William. But he carries on, moves back to London, and continues to work. Among the most eloquent of all his letters are those describing his anguished reaction to the Great War. To show his allegiance to the Allied cause, he becomes a British citizen, six months before his death. The volume concludes with his "final and fading words" dictated on his deathbed.

*La Compagnie* Troubador Publishing Ltd

Uncovers African influences on the Western imagination during the eighteenth century, paying particular attention to the ways Ethiopia inspired and shaped the work of Samuel Johnson.

*Biographie Universelle, Ancienne Et Moderne* Odile Jacob

This book encompasses a historically based literary analysis through an ecocritical perspective, in a thematic examination of how backwoodsmen from the seventeenth-century through the nineteenth-century are portrayed in four works of French Canadian literature. Literary depictions of these men of European origin reveal the dominant culture’s changing attitudes toward Amerindians and land use, exposing each period’s problematic behavior vis-à-vis different cultures and the environment and the intercultural connections and business relationships that point to the way forward.

### Letters Routledge

Literary trauma studies is a rapidly developing field which examines how literature deals with the personal and cultural aspects of trauma and engages with such historical and current phenomena as the Holocaust and other genocides, 9/11, climate catastrophe or the still unsettled legacy of colonialism. The Routledge Companion to Literature and Trauma is a comprehensive guide to the history and theory of trauma studies, including key concepts, consideration of critical perspectives and discussion of future developments. It also explores different genres and media, such as poetry, life-writing, graphic narratives, photography and post-apocalyptic fiction, and analyses how literature engages with particular traumatic situations and events, such as the Holocaust, the Occupation of France, the Rwandan genocide, Hurricane Katrina and transgenerational nuclear trauma. Forty essays from top thinkers in the field demonstrate the range and vitality of trauma studies as it has been used to further the understanding of literature and other cultural forms across the world. Chapter 2 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution-Non Commercial-No Derivatives (CC-BY-NC-ND) 4.0 license.

### *The Jesuits* Routledge

Music and space in the early modern world shaped each other in profound ways, and this is particularly apparent when considering Rome, a city that defined itself as the "grande teatro del mondo". The aim of this book is to consider music and space as fundamental elements in the performance of identity in early modern Rome. Rome's unique milieu, as defined by spiritual and political power, as well as diplomacy and competition between aristocratic families, offers an exceptionally wide array of musical spaces and practices to be explored from an interdisciplinary perspective. Space is viewed as the theatrical backdrop against which to study a variety of musical

practices in their functions as signifiers of social and political meanings. The editors wish to go beyond the traditional distinction between music theatrical spectacles - namely opera - and other musical genres and practices to offer a more comprehensive perspective on the ways in which not only dramatic, but also instrumental music and even the sounds of voices and objects in the streets relied on the theatrical dimension of space for their effectiveness in conveying social and political messages. While most chapters deal with musical performances, some focus on specific aspects of the Roman soundscape, or are even intentionally "silent", dealing with visual arts and architecture in their performative and theatrical aspects. The latter offer a perspective that creates a visual counterpoint to the ways in which music and sound shaped space.

### *The Routledge Companion to Literature and Trauma* Lexington Books

This realistic New York Times–bestselling epic spy novel captures the thrilling story of CIA agents in the latter half of the Twentieth Century. The New York Times bestselling spy novel *The Company* lays bare the history and inner workings of the CIA. This critically acclaimed blockbuster from internationally renowned novelist Robert Littell seamlessly weaves together history and fiction to create a multigenerational, wickedly nostalgic saga of the CIA—known as “the Company” to insiders. Racing across a landscape spanning the legendary Berlin Base of the '50s, the Soviet invasion of Hungary, the Bay of Pigs, Afghanistan, and the Gorbachev putsch, *The Company* tells the thrilling story of agents imprisoned in double lives, fighting an amoral, elusive, formidable enemy—and each other—in an internecine battle within the Company itself. “Compulsive reading from start to finish.” —The Boston Globe “Hugely entertaining . . . A serious look at how our nation exercises power. . . . Popular fiction at its finest.” —The Washington Post Book World “As it happens, this longest spy novel ever written turns out to be one of the best.” —Chicago Tribune “Reads like a breeze . . . guaranteed to suck you right back into the Alice-in-Wonderland world of

spy vs. spy.” —Newsweek “If Robert Littell didn’t invent the American spy novel, he should have.”

—Tom Clancy “It’s gung-ho, hard-drinking, table-turning fun.” —Publishers Weekly

Routledge

“Since its founding by Ignatius of Loyola in 1540, the Society of Jesus (“The Jesuits”) has been intimately involved in the unfolding of the modern world. The young Jesuit order played a crucial role in the Counter Reformation, especially in Poland, southern Germany, and several other parts of Europe. The Jesuits were also participants in the establishment and spread of European empires, engaging in missionary activity in east and south Asia in the 16th and 17th centuries, and becoming central to the spreading of Christianity in the New World. At the same time, Jesuits often tangled with the Roman curia and the Pope, leading to the suppression of the Jesuits in 1773. After the subsequent restoration of the order in 1814, the Jesuits continued to be leaders in Catholic education and theology. In 2013 Jorge Bergoglio became the first Jesuit Pope, taking the name Pope Francis I. In this book, Markus Friedrich presents the first comprehensive account of the Jesuits from a non-Catholic perspective. Drawing on his expertise as a historian of the early modern world, Friedrich situates the Jesuit order within the wider perspective of European history. In particular, he places the Jesuits in the context of social, cultural, and imperial history, showing that the Jesuits were not monolithic but rather were very sensitive to local context and that the order’s core texts, especially Ignatius’s *Spiritual Exercises*, were templates to engage with, rather than instructions manuals to be followed slavishly”--

*Institutes of Ecclesiastical History, Ancient and Modern ... A New and Literal Translation from the Original Latin, with Copious Additional Original and Selected.* By J. Murdock Vandenhoeck & Ruprecht
