| A New York Times Bestseller In the tradition of Out of My Mind, Wonder, and Mockingbird, this is an intensely moving middle grade novel about being an outsider, coping with loss, and discovering the true meaning of family. Willow Chance is a twelve-year-old genius, obsessed with nature and diagnosing medical conditions, who finds it comforting to count by 7s. It has never been easy for her to connect with anyone other than her adoptive parents, but that hasn't kept her from leading a quietly happy life . . . until now. Suddenly Willow's world is tragically changed when her parents both die in a car crash, leaving her alone in a baffling world. The triumph of this book is that it is not a tragedy. This extraordinarily odd, but extraordinarily endearing, girl manages to push through her grief. Her journey to find a fascinatingly diverse and fully believable surrogate family is a joy and a revelation to read. * "Willow's story is one of renewal, and her journey of rebuilding the ties that unite people as a family will stay in readers' hearts long after the last page."—School Library Journal starred review * "A graceful, meaningful tale featuring a cast of charming, well-rounded characters who learn sweet—but never cloying—lessons about resourcefulness, community, and true resilience in the face of loss."—Booklist starred review * "What sets this novel apart from the average orphan-finds-a-home book is its lack of sentimentality, its truly multicultural cast (Willow describes herself as a "person of color"; Mai and Quang-ha are of mixed Vietnamese, African American, and Mexican ancestry), and its tone. . . . Poignant."—The Horn Book starred review "In achingly beautiful prose, Holly Goldberg Sloan has written a delightful tale of transformation that's a celebration of life in all its wondrous, hilarious and confounding glory. Counting by 7s is a triumph."—Maria Semple, author of Where'd You Go, Bernadette | |

Meet Greg Kenton, billionaire in the making. Greg Kenton has two obsessions -- making money and his long-standing competition with his annoying neighbor, Maura Shaw. So when Greg discovers that Maura is cutting into his booming Chunky Comics business with her own original illustrated minibooks, he's ready to declare war. The problem is, Greg has to admit that Maura's books are good, and soon the longtime enemies become unlikely business partners. But their budding partnership is threatened when the principal bans the sale of their comics in school. Suddenly, the two former rivals find themselves united against an adversary tougher than they ever were to each other. Will their enterprise -- and their friendship -- prevail?

Roberto Clemente Houghton Mifflin

One day, Mr. Keene called all the students and teachers together and said, "This is a fine, fine school! From now on, let's have school on Saturdays too." And then there was more. School all weekend. School on the holidays. School in the SUMMER! What was next . . . SCHOOL AT NIGHT? So it's up to Tillie to show her well-intentioned principal, Mr. Keene, that even though his fine, fine school is a wonderful place, it's not fine, fine to be there all the time.

On an island called Puerto Rico, there lived a little boy who wanted only to play baseball. Although he had no money, Roberto Clemente practiced and practiced until--eventually--he made it to the Major Leagues. America! As a right-fielder for the Pittsburgh Pirates, he fought tough opponents--and even tougher racism--but with his unreal catches and swift feet, he earned his nickname, "The Great One." He led the Pirates to two World Series, hit 3,000 hits, and was the first Latino to be inducted into the Hall of Fame. But it wasn't just baseball that made Clemente legendary--he was was also a humanitarian dedicated to improving the lives of others.

What Do Illustrators Do? Houghton Mifflin

Newbery medalist Jerry Spinelli has penned his early autobiography with all the warmth, humor, and drama of his best-selling fiction. And don't miss the author's highly anticipated new novel, Dead Wednesday! "A master of those embarrassing, gloppy, painful, and suddenly wonderful things that happen on the razor's edge between childhood and full-fledged adolescence" --The Washington Post From first memories through high school, including first kiss, first punch, first trip to the principal's office, and first humiliating sports experience, this is not merely an account of a highly unusual childhood. Rather, like Spinelli's fiction, its appeal lies in the accessibility and universality of his life. Entertaining and fast-paced, this is a highly readable memoir-- a must-have for Spinelli fans of all ages.
