Rumi speaks a sacred language that we understand without hearts rather than our minds. He knows the heart is the gateway to divine union and he doesn't want you to play small this lifetime. He encourages humanity to live and love with absolute surrender, abandon and willingness to accept the mysteries of life. Whether you have studied his poetry for years or are drawn to him only now, this oracle deck will strengthen and illuminate your connection with this beautiful and

powerful soul who loves you with a fierce passion. Rumi has a heart so open that the entire world that he loves so dearly can easily be held within it. His is a path of love. To dance in divine love with him, you need only be willing to enter your own heart. May the blessings of this spiritual brother lead you into the bliss of your own divine heart-centred nature. Features 44 cards and 204-page guidebook, packaged in a hard-cover box set.

Philip Pullman, author of 'His Dark Materials' trilogy, has remarked that "after nourishment, shelter, and companionship, stories are the thing we need most in the world." This new collection of Rumi stories fills that need. This fresh prose translation of 105 short teaching stories by Rumi, which form the core of the six-volume Masnavi, explores the hidden spiritual aspects of everyday experience. Rumi transforms the

seemingly mundane events of daily life into profound Sufi teaching moments. These prose gems open the mystical portal to the world of the ancient mystic. These stories include well-known and popular tales such as "Angel of Death," "The Sufi and His Cheating Wife," "Moses and the Shepherd," "Chickpeas," and "The Greek and Chinese Painters" as well as the less commonly quoted parables: "The Basket Weaver," "The Mud Eater," and "A Sackful of Pebbles."

Rumi's voice alternates between playful and authoritative, whether he is telling stories of ordinary lives or inviting the discerning reader to higher levels of introspection and attainment of transcendent values. Mafi's translations delicately reflect the nuances of Rumi's poetry while retaining the positive tone of all of Rumi's writings, as well as the sense of suspense and drama that mark the essence of the *Masnavi*. *The Masnavi of Rumi*,

You are a mystic pupil continue your search with unquenchable thirst The arena of spirituality has no bounds abandon your preconceptions about the ultimate state of being For you, it's all in your searching —from the book *Rumi's Secret* Harper Collins Raw, engaging, and described by her teacher as "one who makes bubbles of joy," Rita shares her lustrous journey through the fires of divorce, motherhood,

and a series of romantic lilas (divine plays). Determined to heal herself, she takes a disciplined dive into Yogic spiritual practices while working closely with an American spiritual teacher. Eventually she bows at the Feet of her Gurus, Ammachi and Neem Karoli Baba, in a true surrender that spurs a radical transformation: from a girl long suffering with an addictive love pattern to a self-fulfilling woman of Bliss. This kind of remarkable change is not only astounding and

awe-inspiring, but it is possible for anyone. [A Girl Called Rumi](#) Ballantine Books The extensive body of work by 13th-century mystic poet Jelaluddin Rumi continues to fascinate readers with a taste for the spiritual, and his writings, which speak passionately of truth, enlightenment, and love for God, appeal to those of all religions. Translations of Rumi's writings by the contemporary poet Coleman Barks have sold more than 500,000 copies

since 1981. Now acclaimed illustrator Michael Green -- who collaborated with Barks on *The Illuminated Rumi* -- has produced a new and fabulous mystic fusion of sacred poetry and art. This all-new volume features rare poems of Rumi, some of which have never before been translated. There are many collections of Rumi's poetry, but few are illustrated-and none as gorgeously as this full-color book. It is well positioned to capture the favor of spiritual seekers

of all ages, including today's spiritually adventurous young adults. *A Year with Rumi* Harmony Bestselling author don Miguel Ruiz reveals the source of self-limiting beliefs that rob us of joy and create needless suffering. The Prayer is a drawing of the curtain, an invitation to a secret place that is discovered and explored. . . . According to tradition and the testimony of Sufi mystics, The Prayer--or Salat--was first taught by the angels, who themselves practiced it in celestial adoration. The Prayer is God's gift to all

humankind, and in this gorgeously illustrated volume, its simple, archetypal practice unfolds like a fragrant, many-petaled flower, joining words and movements into a single luminous event that engages our entire being. These ancient rituals are presented here as a gift for anyone with a heartfelt desire to set aside for a moment the concerns of every day and enter a sacred time and space in which to explore the beckonings of the spirit. The authors take us

through the words, movements, and hidden meanings of the Call to Prayer, the Ablutions, The Prayer itself, and the Peaceful Embrace afterwards. Faithful practice lends a sacred rhythm to each day and creates a psychological force that helps us nurture and express a profound inner harmony. This first, marvelously accessible interpretation of The Prayer also offers a compelling introduction to the wisdom and teachings of the beloved contemporary Sufi master

Bawa Muhaiyaddeen, who brought new life to this mystical tradition by opening a passage to its deepest, universal realities. It is the loving handiwork of two of Bawa's best-known students, Coleman Barks and Michael Green, who also created *The Illuminated Rumi*. Like a jewel given extra brilliance by its setting, *The Prayer* is surrounded by the wisdom and understanding of the thirteenth-century Sufi master Rumi, whose generous poetry has

become an essential canon for modern-day seekers in the West. The final gift is the Primeval Kalima, the core practice and most profound teaching of the Sufi, the "open secret" that leads to Divine Luminous Wisdom.

Spiritual Gems of Islam Shambhala Publications Jalaluddin Rumi's *Masnavi-ye Ma'navi*, or 'Spiritual Couplets', composed in the 13th Century, is a monumental work of poetry in the Sufi tradition of Islamic mysticism. For centuries before his love

poetry became a literary phenomenon in the West, Rumi's *Masnavi* had been revered in the Islamic world as its greatest mystical text. Drawing upon a vast array of characters, stories and fables, and deeply versed in spiritual teaching, it takes us on a profound and playful journey of discovery along the path of divine love, toward its ultimate goal of union with the source of all Truth. In Book Two of the *Masnavi*, the second of six volumes, we travel with Rumi toward an

understanding of the deeper truth and reality, beyond the limits of the self. Alan Williams's authoritative new translation is rendered in highly readable blank verse and includes the original Persian text for reference. True to the spirit of Rumi's poem, this new translation establishes the Masnavi as one of the world's great literary achievements for a global readership. Translated with an introduction, notes and analysis by Alan Williams and

including the Persian text edited by Mohammad Este'lami. Recharting Territories Brush Dance Coleman Barks has played a central role in making the Sufi mystic Rumi the most popular poet in the world. A Year with Rumi brings together 365 of Barks's elegant and beautiful translations of Rumi's greatest poems, including fifteen never-before-published poems. Barks includes an Introduction that sets Rumi in his context and an Afterword musing on

poetry of the mysterious and the sacred. Join Coleman Barks and Rumi for a year-long journey into the mystical and sacred within and without. Join them in recognizing and embracing the divine in the sublime, in the ordinary, and in us all. The Forty Rules of Love Amber-Allen Publishing In this lyrical, exuberant tale, acclaimed Turkish author Elif Shafak, author of The Island of Missing Trees (a Reese's Book Club Pick), incarnates Rumi's timeless message of love The Forty Rules of

Love unfolds two tantalizing parallel narratives—one contemporary and the other set in the thirteenth century, when Rumi encountered his spiritual mentor, the whirling dervish known as Shams of Tabriz—that together explore the enduring power of Rumi's work. Ella Rubenstein is forty years old and unhappily married when she takes a job as a reader for a literary agent. Her first assignment is to read and report on *Sweet Blasphemy*, a novel written by a man named

Aziz Zahara. Ella is mesmerized by his tale of Shams's search for Rumi and the dervish's role in transforming the successful but unhappy cleric into a committed mystic, passionate poet, and advocate of love. She is also taken with Shams's lessons, or rules, that offer insight into an ancient philosophy based on the unity of all people and religions, and the presence of love in each and every one of us. As she reads on, she realizes that Rumi's story mirrors her own and that

Zahara—like Shams—has come to set her free.

This stunning collection showcases the love poetry and mystical teachings at the heart of the Islamic tradition in accurate and poetic original translations. At a time when the association of Islam with violence dominates headlines, this beautiful collection offers us a chance to see a radically different face of the Islamic tradition. It traces a soaring, poetic, popular tradition that celebrates

love for both humanity and the Divine as the ultimate path leading humanity back to God. Safi brings together for the first time the passages of the Qur'an sought by the Muslim sages, the mystical sayings of the Prophet, and the teachings of the path of "Divine love." Accurately and sensitively translated by leading scholar of Islam Omid Safi, the writings of Jalal al-Din Rumi can now be read alongside passages by Kharaqani, 'Attar, Hafez of Shiraz, Abu

Sa'id-e Abi 'l-Khayr, and other key Muslim mystics. For the millions of readers whose lives have been touched by Rumi's poetry, here is a chance to see the Arabic and Persian traditions that produced him.

WRITING RUMI: Poems Along an Illuminated Way Workman Publishing
My verse resembles the bread of Egypt—night passes over it, and you cannot eat it any more. Devour it the moment it is fresh, before the dust settles upon it. Its place is the warm climate of the

heart; in this world it dies of cold. Like a fish it quivered for an instant on dry land, another moment and you see it is cold. Even if you eat it imagining it is fresh, it is necessary to conjure up many images. What you drink is really your own imagination; it is no old tale, my good man. Jalal al-Din Rumi (1207–73), legendary Persian Muslim poet, theologian, and mystic, wrote poems acclaimed through the centuries for their powerful spiritual images and provocative content,

which often described Rumi's love for God in romantic or erotic terms. His vast body of work includes more than three thousand lyrics and odes. This volume includes four hundred poems selected by renowned Rumi scholar A. J. Arberry, who provides here one of the most comprehensive and adept English translations of this enigmatic genius. *Mystical Poems* is the definitive resource for anyone seeking an introduction to or an enriched understanding of one of the world's greatest

poets. "Rumi is one of the world's greatest lyrical poets in any language—as well as probably the most accessible and approachable representative of Islamic civilization for Western students."—James W. Morris, Oberlin College

 It has been suggested that 'spirituality' has become a word that 'can define an era'. Why? Because paradoxically, alongside a decline in traditional religious affiliations, the growing interest in spirituality and the use of the word in a

variety of contexts is a striking aspect of contemporary western cultures. Indeed, spirituality is sometimes contrasted attractively with religion, although this is problematic and implies that religion is essentially dogma, moralism, institutions, buildings, and hierarchies. The notion of spirituality expresses the fact that many people are driven by goals that concern more than material satisfaction. Broadly, it refers to the deepest values and sense of

meaning by which people seek to live. Sometimes these values are conventionally religious. Sometimes they are associated with what is understood as 'the sacred' in a broader sense - that is, of ultimate rather than merely instrumental importance. This Very Short Introduction, written by one of the most eminent scholars and writers on spirituality, explores the historical foundations of the thought and considers how it came to have the significance it is

developing today. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.
