Compelling American Conversations: Questions and Quotations for Intermediate American English Language Learners from Chimayo Press helps American immigrants and international students develop their fluency skills and academic vocabulary through conversation exercises. Each chapter includes two sets of conversation questions, vocabulary review, short writing exercises, paraphrasing exercises with proverbs, a discussion activity around pithy quotations, and an online "Search and Share" activity. Focusing on both daily experiences and American culture through proverbs, quotations, and speaking exercises, the materials help intermediate English language learners explore their lives, learn common American sayings and expressions, and develop vital discussion skills. The 15 topical chapters include: Opening Moves; Going Beyond Hello; Making and Breaking Habits; Studying English; Being Yourself; Choosing and Keeping Friends; Playing and Watching Sports; Talking About American Television; Celebrating American Holidays; Being Stylish; Handling Stress; Practicing Job Interviews; Valuing Money and Finding Bargains; Exploring American Cities and Seeing Our World With Photographs. The "Resources and Notes" appendix includes the academic word list, supplemental worksheets, bibliographical references, author biographies and indices to proverbs and quotations. Designed primarily for community college ESL and adult education students, this flexible ESL textbook can be used by high school English language learners (ELL) and intensive

English programs. Compelling American Conversations, is the third title in the Compelling Conversations series, most known for the original fluency-focused advanced ESL textbook, Compelling Conversations: Questions and Quotations on Timeless Topics (2006).

The OPD Second Canadian Edition English/Chinese is an illustrated, theme-based dictionary for second-language learners. This four-colour dictionary defines words through pictures, and presents each new word in context. The OPD English/Chinese, along with the monolingual workbooks and many other components, can be used as a reference book or as text for high school or adult ESL students at the beginner level. For years, the first monolingual Canadian edition of the OPD has been the industry leader among picture dictionaries. The second edition expands on the topics covered, providing more depth of vocabulary in the areas that matter most to students and offers Chinese speakers the additional advantage of having words and phrases defined in their native language. The illustrations have been completely updated in a more realistic style that is visually appealing to adult learners. The second edition also contains two new features: Introductory Pages and Story Pages. The Introductory Pages have been added to the beginning of each theme to give lower-level students a basic overview of key vocabulary words, and to give a starting point for discussion and

an introduction to the theme for more advanced students. The Story Pages consist of a two-page spread at the end of each theme to help students use the words in context and practise their reading skills. The OPD English/Chinese is designed for use both in and out of the classroom. Speaking exercises are presented throughout the OPD to allow students to practise new vocabulary in pairs or small groups, while the pronunciation guide in the index allows students to check their pronunciation when they are studying on their own.

Finally, the answer to the question people have asked since 9/11: How DID the terrorists enter the United States? Before 19 hijackers could commit the terrorist attacks of September 11, 2001, they passed through U.S. border security 68 times. In all, they had 25 contacts with consular officers and 43 contacts with immigration and customs authorities -- none of whom suspected they were al Qaeda operatives. This book includes the complete staff report Time.com called "tantalizing and important" and represents important investigative work by the staff, providing substantial information and analysis not fully represented in The 9/11 Commission Report. Now for the first time in book form, this report includes o full color digital images of the travel documents used by the 9/11 hijackers o A chronology of the 9/11 terrorist travel operation and the hijackers' contacts with U.S. border officials o Complete, highly descriptive endnotes o Detailed appendices ""

The Social Media Reader is the first collection to address the collective transformation with pieces on social media, peer production, copyright politics, and other aspects of contemporary internet culture from all the major thinkers in the field. Culling a broad range and incorporating different styles of scholarship from foundational pieces and published articles to unpublished pieces, journalistic accounts, personal narratives from blogs, and whitepapers, The Social Media Reader promises to be an essential text, with contributions from Lawrence Lessig, Henry Jenkins, Clay Shirky, Tim O'Reilly, Chris Anderson, Yochai Benkler, danah boyd, and Fred von Loehmann, to name a few. It covers a wide-ranging topical terrain, much like the internet itself, with particular emphasis on collaboration and sharing, the politics of social media and social networking, Free Culture and copyright politics, and labor and ownership. Theorizing new models of collaboration, identity, commerce, copyright, ownership, and labor, these essays outline possibilities for cultural democracy that arise when the formerly passive audience becomes active cultural creators, while warning of the dystopian potential of new forms of surveillance and control.

James Bamford has been the preeminent expert on the National Security Agency since his reporting revealed the agency's existence in the 1980s. Now Bamford describes the transformation of the NSA since 9/11, as the agency increasingly turns its high-tech ears on the American public. The Shadow Factory reconstructs how the NSA missed a chance to thwart the 9/11 hijackers and details how this mistake has led to a heightening of domestic surveillance. In disturbing detail, Bamford describes exactly how every American's data is being mined and what is being done with it. Any reader who thinks America's liberties are being protected by Congress will be shocked and appalled at what is revealed here.
