It takes a graveyard to raise a child. Nobody Owens, known as Bod, is a normal boy. He would be completely normal if he didn't live in a graveyard, being raised by ghosts, with a guardian

who belongs to neither the world of the living nor the dead. There are adventures in the graveyard for a boy—an ancient Indigo Man, a gateway to the abandoned city of ghouls, the strange and terrible Sleer. But if Bod leaves the graveyard, he will be in danger from the man Jack—who has already killed Bod's family.

In Nazi Germany, telling jokes about Hitler could get you killed Hitler and Göring are standing on top of the Berlin radio tower. Hitler says he wants to do something to put a smile on the Berliners' faces. Göring says, "Why don't you jump?" When a woman told this joke in Germany in 1943, she was arrested by the Nazis and sentenced to death by guillotine—it didn't matter that her husband was a good German soldier who died in battle. In this groundbreaking work of history, Rudolph Herzog takes up such stories to show how widespread humor was during the Third Reich. It's a fascinating and frightening history: from the suppression of the anti-Nazi cabaret scene of the 1930s, to jokes made at the expense of the Nazis during WWII, to the collections of "whispered jokes" that were published in the immediate aftermath of the war. Herzog argues that jokes provide a hitherto missing chapter of WWII history. The jokes show that not all Germans were hypnotized by Nazi propaganda, and, in taking on subjects like Nazi concentration camps, they record a public acutely aware of the horrors of the regime. Thus Dead Funny is a tale of terrible silence and cowardice, but also of occasional and inspiring bravery.

Look Who's Back Penguin

"Dazzling. . . . Profound and urgent"

—Observer "A book of great maturity, beautifully alive to the fragility of happiness and all forms of violence. . . .

Everyone should read Saturday"

—Financial Times Saturday, February 15, 2003. Henry Perowne, a successful neurosurgeon, stands at his bedroom window before dawn and watches a plane—ablaze with fire like a meteor—arcing across the London sky. Over the course of the following day, unease gathers about Perowne, as he moves among hundreds of thousands of anti-war protestors who've taken to the streets in the aftermath of 9/11. A minor car accident brings him into confrontation with Baxter, a fidgety, aggressive man, who to Perowne's professional eye appears to be profoundly unwell. But it is not until Baxter makes a sudden appearance at the Perowne family home that Henry's earlier fears seem about to be realized. .

The Resistible Rise of Arturo Ui DigiCat

In a Jewish ghetto during World War II, a man manages to raise flagging spirits by circulating rumors of Allied victories and that the ghetto will soon be liberated by the Red Army. At this news, many people who are thinking of suicide decide to live.

The Silent Death Picador

Early in his career, Hitler took inspiration from Mussolini—this fact is widely known. But an equally important role model for Hitler has been neglected: Atatürk, the founder of modern Turkey, who inspired Hitler to remake Germany along nationalist, secular, totalitarian, and ethnically exclusive lines. Stefan Ihrig tells this compelling story.

The Broken House Harvard University Press

This Student Edition of Brecht's classic

satire on the rise of Hitler features an extensive introduction and commentary that includes a plot summary, discussion of the context, themes, characters, style and language as well as questions for further study and notes on words and phrases in the text. It is the perfect edition for students of theatre and literature. Described by Brecht as 'a gangster play that would recall certain events familiar to us all', Arturo Ui is a witty and savage satire of the rise of Hitler -- recast by Brecht into a small-time Chicago gangster's takeover of the city's greengrocery trade. Using a wide range of parody and pastiche - from Al Capone to Shakespeare's Richard III and Goethe's Faust - Brecht's compelling parable continues to have relevance wherever totalitarianism appears today. Written during the Second World War in 1941, the play was one of the Berliner Ensemble's most outstanding box-office successes in 1959, and has continued to attract a succession of major actors, including Leonard Rossiter, Christopher Plummer, Antony Sher and Al Pacino.

Iron Gustav Macmillan

Sommer 2011. Adolf Hitler erwacht auf einem leeren Grundstück in Berlin-Mitte. Ohne Krieg, ohne Partei, ohne Eva, dafür unter Tausenden von Ausländern und Angela Merkel. 66 Jahre nach seinem vermeintlichen Ende startet er gegen jegliche Wahrscheinlichkeit eine neue Karriere im Fernsehen. Dieser Hitler ist keine Witzfigur, sondern erschreckend real. Und das Land, auf das er trifft, ist es auch: zynisch, hemmungslos erfolgsgeil und vollkommen chancenlos gegenüber dem Demagogen und der Sucht nach Quoten, Klicks und "Gefällt mir!"-Buttons. Eine Persiflage? Eine Satire? Polit-Comedy? All das und mehr: Dieser Roman ist ein literarisches Kabinettstück erster Güte.

The Alchemaster's Apprentice

Penguin UK

Loss and the infinite ways we attempt to come to terms with it permeate this absorbing psychological mystery set in the Finnish town of Turku. A week after his wife dies, Det. Kimmo Joentaa feels compelled to return to work to investigate the murder of a young woman smothered in her own bed while her husband was away. Only a valueless painting appears to have been stolen. A second murder, just as puzzling, occurs in a youth hostel where a young man is killed while others slept all around him.

Atatürk in the Nazi Imagination

Bloomsbury Publishing

The powerful, disturbing history of Nazi Europe by Mark Mazower, one of Britain's leading historians and bestselling author of *Dark Continent* and *Governing the World Hitler's Empire* charts the landscape of the Nazi imperial imagination - from those economists who dreamed of turning Europe into a huge market for German business, to Hitler's own plans for new transcontinental motorways passing over the ethnically cleansed Russian steppe, and earnest internal SS discussions of political theory, dictatorship and the rule of law. Above all, this chilling account shows what happened as these ideas met reality. After their early battlefield triumphs, the bankruptcy of the Nazis' political vision for Europe became all too clear: their allies bailed out, their New Order collapsed in military failure, and they left behind a continent corrupted by collaboration, impoverished by looting and exploitation, and grieving the victims of war and genocide. About the author: Mark Mazower is Ira D. Wallach Professor of World Order Studies and Professor of History Professor of History at Columbia University. He is the author

of Hitler's Greece: The Experience of Occupation, 1941-44, Dark Continent: Europe's Twentieth Century, The Balkans: A Short History (which won the Wolfson Prize for History), Salonica: City of Ghosts (which won both the Duff Cooper Prize and the Runciman Award) and Governing the World: The History of an Idea. He has also taught at Birkbeck College, University of London, Sussex University and Princeton. He lives in New York.

The modern classic that inspired the beloved movie starring Tom Hanks. Six foot six, 242 pounds, and possessed of a scant IQ of 70, Forrest Gump is the lovable, surprisingly savvy hero of this classic comic tale. His early life may seem inauspicious, but when the University of Alabama's football team drafts Forrest and makes him a star, it sets him on an unbelievable path that will transform him from Vietnam hero to world-class Ping-Pong player, from wrestler to entrepreneur. With a voice all his own, Forrest is telling all in a madcap romp through three decades of American history.

The Jewish Messiah Harper Collins

In this quiet and devastating novel about the rise of fascism, Siggie Jepsen, incarcerated as a juvenile delinquent, is assigned to write a routine German lesson on the "The Joys of Duty."

Overfamiliar with these joys, Siggie sets down his life since 1943, a decade earlier, when as a boy he watched his father, a constable, doggedly carry out orders from Berlin to stop a well-known Expressionist artist from painting and to seize all his "degenerate" work. Soon Siggie is stealing the paintings to keep them safe from his father. "I was trying to find out," Lenz says, "where the joys of duty could lead a people." Translated

Hitler's Empire Vintage Canada

THE SMASH-HIT HITLER SATIRE - MORE THAN 3 MILLION COPIES SOLD "A brilliant book" RUSSELL KANE "Brilliant and hilarious" KEN FOLLETT A box-office-hit film now available on NETFLIX A two-part BBC Radio 4 Dramatisation directed by and starring David Threlfall

(Shameless) Berlin, Summer 2011. Adolf Hitler wakes up on a patch of open ground, alive and well. Things have changed - no Eva Braun, no Nazi party, no war. Hitler barely recognises his beloved Fatherland, filled with immigrants and run by a woman. People certainly recognise him, albeit as a flawless impersonator who refuses to break character. The unthinkable, the inevitable happens, and the ranting Hitler goes viral, becomes a YouTube star, gets his own T.V. show, and people begin to listen. But the Führer has another programme with even greater ambition - to set the country he finds a shambles back to rights. Look Who's Back stunned and then thrilled 1.5 million German readers with its fearless approach to the most taboo of subjects. Naive yet insightful, repellent yet strangely sympathetic, the revived Hitler unquestionably has a spring in his step. Translated from German by Jamie Bulloch

Jacob the Liar Farrar, Straus and Giroux

In English for the first time, a panoramic satire about the star-making machine, set in celebrity-obsessed Weimar Berlin. In Berlin, 1930, the name Käsebier is on everyone's lips. A literal combination of the German words for "cheese" and "beer," it's an unglamorous name for an unglamorous man—a small-time crooner who performs nightly on a shabby stage for laborers, secretaries, and

shopkeepers. Until the press shows up. In the blink of an eye, this everyman is made a star: a star who can sing songs for a troubled time. Margot Weissmann, the arts patron, hosts champagne breakfasts for Käsebier; Muschler the banker builds a theater in his honor; Willi Frächter, a parvenu writer, makes a mint off Käsebier-themed business ventures and books. All the while, the journalists who catapulted Käsebier to fame watch the monstrous media machine churn in amazement—and are aghast at the demons they have unleashed. In *Käsebier Takes Berlin*, the journalist Gabriele Tergit wrote a searing satire of the excesses and follies of the Weimar Republic. Chronicling a country on the brink of fascism and a press on the edge of collapse, Tergit's novel caused a sensation when it was published in 1931. As witty as Kurt Tucholsky and as trenchant as Karl Kraus, Tergit portrays a world too entranced by fireworks to notice its smoldering edges.

By the author of *LOOK WHO'S BACK*, a radical and bold satire in inequitable times. "Whizz-bang energy and gleeful imaginative savagery" Sam Leith,

Guardian "More than mere satire, it's a book that engages deeply" Alex Preston, Financial Times "An immensely enjoyable read" Daniel Hahn, Spectator "A caustic, clever satire with a powerful emotional core" Becky Long, Irish Times "Satirical, sharp, believable . . . Brilliant" Rick O'Shea, RTE REFUGEE CAMPS IN AFRICA ARE SWELLING And Europe has closed its borders. The refugees have no future, no hope, and no money to pay the vast sums now demanded by people smugglers. The only thing they have is time. AND THEN AN ANGEL ARRIVES FROM REALITY T.V. When model and star presenter Nadeche Hackenbusch comes to film at the largest of the camps, one young refugee sees a unique opportunity: to organise a march to Europe, in full view of the media. Viewers are gripped as the vast convoy moves closer, but the far right in Germany is regrouping and the government is at a loss. Which country will halt the refugees in their tracks? *THE HUNGRY AND THE FAT* A devastating, close-to-the-knuckle satire about the haves and have-nots in our divided world by one of Europe's finest and most perceptive writers. Translated from the German by Jamie Bulloch
