classic blocks like Sawtooth Star or Flying Geese can be, when they're constructed with more spark and spontaneity!

Hearts and Flowers Martingale

David Gere, who came of age as a dance critic at the height of the AIDS epidemic, offers the first book to examine in depth the interplay of AIDS and choreography in the United States, specifically in relation to gay men. The time he writes about is one of extremes. A life-threatening medical syndrome is spreading, its transmission linked to sex. Blame is settling on gay men. What is possible in such a highly charged moment, when art and politics coincide? Gere expands the definition of choreography to analyze not only theatrical dances but also the protests conceived by ACT-UP and the NAMES Project AIDS quilt. These exist on a continuum in which dance, protest, and wrenching emotional expression have become essentially indistinguishable. Gere offers a portrait of gay male choreographers struggling to cope with AIDS and its meanings.

A Heartland Album Penguin

Dip your toe—and hands—into projects that showcase your newfound quilting prowess, from totes and table mats to coasters and cushions. A collection of quick and easy quilting projects including designs by quilters such as Linda Clements (*The Quilter's Bible*), Marion Elliot, and Tacha Bruecher of *Fat Quarterly*. The projects include home decorations, such as hanging hearts, quilted oven gloves, table mats, and cushions. Every project is quick and easy to do, even if you've never quilted before. Choose from hand- or machine-quilted projects, and make fabulous gifts for friends and family.

Sew Charming C&T Publishing Inc

"With its diverse selection of fabrics and designs, *A Quilting Life* is a fine pick for any quilter looking to produce family-oriented keepsake results." —The Needlecraft Shelf Bring the handmade

tradition home with these charming quilts and home accessories. Inspired by a grandmother who loved to sew for her family, quilter and blogger Sherri McConnell gives traditional patterns like hexagons, stars, snowballs, and Dresden Plates a new look featuring fabrics by some of today's most popular designers. Nineteen cozy projects include pillows, tote bags, table runners, and larger quilts—quick and easy designs that make great gifts. “Sherri’s book is a treasure! It’s full of fun and straight-forward patterns for quilts, table toppers, pillows, bags and more—all the goodies to make a cozy home.” —Thimbleanna “Would you like the opportunity to make tomorrow’s heirlooms in today’s vast selection of prints? . . . If so, this could be the reference book that will get you started. There are 19 projects, mainly focusing on handmade household items but including some larger quilts too.” —Fabrications Quilting for You “Beautiful inspiration if you are a seasoned quilter, but also a great resource with clear and in some cases, simple patterns for newbies as well.” —Diary of a Quilter “Color photos of finished needlework projects accompany step-by-step diagrams and assembly patterns, while at-a-glance sidebars covering materials and cutting allow needleworkers to gauge the complexity of each project.” —The Needlecraft Shelf

Four-Patch Frolic Martingale

Traditional quilt blocks are made up of common elements such as Flying Geese, Square-in-Squares, and Quarter-Square Triangles. Each of the elements can be constructed in a variety of ways—choose the ones that are easiest and most efficient! In this one book, you will find each method carefully broken down, explained, and illustrated, along with comprehensive sizing information. It’s the ultimate no-math, no-stress reference for all common quilt block elements!

Solids, Stripes, Circles, and Squares C&T Publishing Inc

New applique patterns in the Kansas City Star heritage.

Twist & Turn Block Quilts Kansas City Star Books

Author Joy-Lily helps readers to put the fun back into quilting. Inside, readers will experience a fresh approach to quilting with two simplified, carefree methods: “sew & flip” and “stack, slice & swap,” where skills like matching seams and measuring are not important. At the end of construction, each piece is trimmed to a uniform size to facilitate mixing and matching into many quilted projects. While matching seams and other traditional quilting skills are unimportant for success with these instructions, the reader will still learn basic quilting techniques, including strip piecing, curved piecing, foundation piecing, sewing on a bias, piece swapping and more, as they work through the blocks. A getting started section explains which rules are necessary and which are optional.
