Horse Whispers & Lies

Basic Books

Monty Roberts is a real-life horse whisperer—an American original whose gentle Join-Up® training method reveals the depth of communication possible between man and animal. He can take a wild, high-strung horse who has never before been handled and persuade that horse to accept a bridle, saddle, and rider in thirty minutes. His powers may seem like magic, but his amazing “horse sense” is based on a lifetime of experience. In *The Man*

Who Listens to Horses, Roberts reveals his unforgettable personal story and his exceptional insight into nonverbal communication, an understanding that applies to human relationships as well. He shows that between parent and child, employee and employer, abuser and abused, there are forms of communication far stronger than the spoken word that are accessible to all who will learn to listen. This new edition features engaging

photographs, a chapter that traces Roberts’s amazing experience gentling with a mustang in the wild, and an Afterword about the remarkable impact this book has had on the world.

When the Horses Whisper
Harlequin

"I've started horses since I was 12 years old and have been bit, kicked, bucked off and run over. I've tried every physical means to contain my horse in an effort to keep from getting myself killed. I started to realize that

things would come much easier for me once I learned why a horse does what he does. This method works well for me because of the kinship that develops between horse and rider. " --Buck Brannaman In THE FARAWAY HORSES, Brannaman shares his methods for training and provides a behind-the-scenes glimpse of Robert Redford's movie The Horse Whisperer, for which he was the technical advisor.
*Authoritative figure in horsemanship *Reveals

the key to understanding animals BUCK BRANNAMAN is a horse gentler--not a horse "breaker"--who has started more than 10,000 young horses in his clinics. He lives with his family in Sheridan, Wyoming. WILLIAM REYNOLDS is the associate publisher of Cowboys & Indians magazine. He lives with his family in Santa Ynez, California.
The Horse Longman
"Ellie believes that she will live in her little village on the coast of Nova

Scotia for always. But when her father gets a job on Sable Island, she must say farewell to her beloved home and her mother's final resting place. Not even the idea of seeing the wild horses that roam the island can ease her pain of leaving. And after arriving on the sandy, windswept crescent of land, Ellie feels adrift and alone ... until one afternoon when she awakens on a dune to find herself looking into the curious eyes of a wild stallion. Little by little, as the days pass, Ellie gets

closer to the beautiful chocolate-colored horse. Yet she soon discovers something that could take him away from his home, his herd, and her. Ellie has lost too much already. Will she lose her island horse, too?"--P. [2] of cover.

The Man who Listens to Horses Dell Publishing Company

Rosenburg Riding Stables is receiving a new addition. When a famous French jockey wants to board his prize gelding, Fairydance, at the stable, horse-crazy Antonia is

overcome with joy and excitement. Antonia immediately forms a deep connection with Fairydance, but no one else at the stable can get near him; he bucks them, runs away, and is generally cranky around anyone but Antonia. But while Antonia is fully capable of looking after Fairydance, will the famous Frenchman allow an eleven-year-old girl to care for his prize horse? When the jockey turns up unexpectedly to check on his Fairydance after a particularly heavy storm,

will everything come unraveled with the horse's training, or can Antonia save the day? A friendship between girl and horse beautifully told by Elisabeth Zöller and Brigitte Kolloch, featuring color illustrations by Betina Gotzen-Beek, Antonia, the Horse Whisperer highlights a classic first love for many girls and sets the stage for a new horse series for young readers.

From My Hands to Yours Scientific American / Farrar, Straus and Giroux
Here at last is the book

horse lovers have long awaited - a thorough collection of the training techniques and philosophies of Monty Roberts.

Antonia, the Horse Whisperer Kids Can Press Ltd

In *Think Like a Horse*, veteran “horse whisperer” and leadership expert Grant Gollither applies his hard-won horse sense to teach invaluable lessons anyone can use to live a fuller, more successful life. Grant Gollither is what some would call a “horse whisperer,” able to get a

wild horse to calmly accept a saddle and a rider without the use of force. Through training thousands of horses, many traumatized or abused, Gollither was able to learn essential lessons about communication, boundaries, fairness, trust, and respect—lessons that apply not just to horses but to humans as well. It’s why celebrities, Fortune 500 executives, professional coaches, supreme court justices, and even ordinary families from around the

world flock to his Wyoming ranch every year to take part in what one CEO called “the most transformational experience I have ever encountered.” Horse whispering may sound like magic, but as Grant explains in *Think Like a Horse*, it’s not really all that mysterious. The lessons he shares are as fundamental and ageless as the relationship between horses, the people who ride them, and the beauty of the West. In fact, it’s an approach that anyone can

learn, and should learn, in order to better understand our common humanity, overcome trauma, foster more fulfilled relationships, and unlock untapped potential in virtually every aspect of our lives. All you have to do is think like a horse.

Horse Sense for People

Rowman & Littlefield

After the “war with no name” a cat assassin searches for his lost love in Repino’s strange, moving sci-fi epic that channels both Homeward Bound and A Canticle for Lebowitz. The “war with

no name” has begun, with human extinction as its goal. The instigator of this war is the Colony, a race of intelligent ants who, for thousands of years, have been silently building an army that would forever eradicate the destructive, oppressive humans.

Under the Colony’s watchful eye, this utopia will be free of the humans’ penchant for violence, exploitation and religious superstition. As a final step in the war effort, the Colony uses its strange technology to transform the surface

animals into high-functioning two-legged beings who rise up to kill their masters. Former housecat turned war hero, Mort(e) is famous for taking on the most dangerous missions and fighting the dreaded human bio-weapon EMSAH. But the true motivation behind his recklessness is his ongoing search for a pre-transformation friend—a dog named Sheba. When he receives a mysterious message from the dwindling human resistance claiming Sheba

is alive, he begins a journey that will take him from the remaining human strongholds to the heart of the Colony, where he will discover the source of EMSAH and the ultimate fate of all of earth's creatures.

The Perfect Bet eChristian
From the author of The Horse Whisperer comes the phenomenal #1 New York Times bestseller, an extraordinary new novel of love, family, and man's struggle with the wild. A pack of wolves makes a sudden savage return to the Rocky Mountain

ranching town of Hope, Montana, where a century earlier they were slaughtered by the thousands. Biologist Helen Ross has come to Hope from the East, fleeing a life in shambles, determined to save the wolves from those who seek to destroy them. But an ancient hatred awaits her in Hope, a hatred that will tear a family and ultimately the community apart. And soon Helen is at the center of the storm, by loving the wrong man, by defying the wrong man . . . by daring to lead a

town out of the violent darkness of its past. . . . Visit the Nicholas Evans Web site at <http://www.nicholasevans.com>

Faraway Horses Soho Press

Andrew Froggatt has a special skill: he can train the wildest horse. Over the past twenty-five years he has worked with thousands of horses, from ones who have never encountered a human being before to top level show horses and racehorses. A master at building relationships with

these wonderful animals, earning their trust and respect, he's developed a tried and true system for bringing out the best in troubled and difficult horses. Andrew also uses his skills to work with troubled youth as well as run highly successful leadership courses with corporate managers for an impressive list of clients: All Black coach Steve Hansen, the Super 15 rugby coaches, cricket coaches and a number of large corporations. By telling the stories of his favourite horses, Andrew

shows how he can turn rogues into winners.

Believe Yearling
In New York Times bestselling author Allison Leigh's latest book in the Return to the Double C miniseries, she wants to trust him, but can she trust herself to let him in? Could she finally fall in love... With her baby's father? When Megan Forrester succumbs to one remarkable night with Nick Ventura and finds herself pregnant, the fiercely independent horse trainer resolves to raise the baby herself. But

when Nick becomes the architect on a ramshackle Wyoming ranch Megan's helping friends turn into a guest resort, that resolve soon weakens. After all, Nick's the total package—gorgeous, capable and persistent. Not to mention the father of her child! If only she could tell him... From Harlequin Special Edition: Believe in love. Overcome obstacles. Find happiness. Return to the Double C
A Horse for Mandy
Penguin
The bestselling memoir of the fascinating horse

trainer who revolutionized a violent profession with his gentle method. "Roberts's story is more fascinating and profound than any told in fiction".-- "San Francisco Chronicle". *The Island Horse* Millbrook Press

Master horseman Buck Brannaman, the real-life Horse Whisperer, continues the chronicle of his life as trainer and mentor in *Believe*, where we meet thirteen remarkable people whose lives he has affected. Through their accounts of help and healing and

through Brannaman's own introductions, the reader is inspired by the hope and confidence that he instilled in these individuals. This updated edition includes a new foreword, introduction, and account by one of Brannaman's longtime observers.

[Shy Boy, the Horse that Came in from the Wild Dell](#)

The grandeur of the American West. The breathtaking beauty of one of the earth's magnificent creatures. The emotional intensity of

a man, woman, and child caught up in a spellbinding human drama. "The Horse Whisperer has captured the hearts and imaginations of millions with its nearly magical blending of landscape, horses, and people. Now this photo-filled companion lets you experience the magic of the incredible movie-making event that is "The Horse Whisperer. Inside you'll find exclusive information about Robert Redford's discovery of the novel and his

determination to make it into a film...a breathtaking photographic history of the American West...the challenges of training the film's courageous horses...plus personal insight from the film's major stars, fascinating information on costume, production design, and over 100 lush photographs make this extraordinary book a keepsake volume to treasure-and a riveting behind-the-scenes look at the movie, the phenomenon, the legend. The Horse Whisperer

Simon and Schuster
 "When the Horses Whisper shows the capacity of horses to help us heal the human heart. It expresses in human language what horses have to say when given the chance to speak. It is a story about the sacred bond between us, and the communication made possible when the horse-human relationship is based on love. Conversations with fifteen horses, most of who live and work in Costa Rica, are featured along with their photographs,

capturing them as individual beings in service to humans on a shared evolutionary journey. This journey amounts to the "re-remembering" of our whole selves in the wholeness of creation, especially the parts we split off, deny, and place in shadow because they are too painful to deal with. Horses, as the book shows, can help us see these lost parts, and call forth our courage to reclaim them. For the author, these included the loss of a newborn

daughter, the mental illness of an adult son, letting go of a thirty-year marriage, and childhood sexual abuse. The story recounts the equine healing work that helped in reclaiming her authentic self. This book is testimony to the power of horses and equine healing work in transforming life's losses into a deeper human wholeness and a further communion with the non-human world."--P. [4] of cover.

The Horse Tamer Rowman & Littlefield

The Saddle Club is spending February vacation with the Devines at the Bar None Ranch. Colonel Devine has just bought some new horses and one of the mares reminds Carole of Cobalt, the first horse she really loved. Carole rides the mare and discovers that, while the mare has been trained, there is still something wild in her. Then the mare runs away. The Saddle Club finds her running with a herd of wild horses that lives on the Bar None land. They bring the mare back. She

runs away again. They bring her back again, only to have her run away once more. Eventually, The Saddle Club and the Devines must face the fact that the mare wants to be in the wild--and that she belongs there.

Carole's encounter with this free spirit teaches her something about herself, too. She has a very special talent--she's a natural horse whisperer.

The Man Who Listens to Horses Penguin

After her teenage daughter and the girl's horse are injured in a

tragic accident, Annie Graves journeys across the continent in search of Tom Booker, the Horse Whisperer, in the hope that he can use his ancient gift to help both the horse and the man. The Divide Turtleback Books

With an elegant sweetness and a pitch-perfect sense of western life reminiscent of Annie Dillard, Gloss's breakout novel is a remarkable story about the connections between people and animals and how they touch one

another in the most unexpected and profound ways.

The Hearts of Horses W.

W. Norton & Company

After her teenage daughter and the girl's horse are injured in a tragic accident, Annie Graves journeys across the continent in search of Tom Booker, the Horse Whisperer, in the hope that he can use his ancient gift to help both the horse and the maimed

Morte HarperCollins UK
Winner of a 2020 Border Regional Library

Association Southwest Book Award "Truly transcendent." —Jessica Lustig, New York Times Book Review This riveting memoir follows professional horse trainer Ginger Gaffney's year-long odyssey to train a herd of neglected horses at an alternative prison ranch in New Mexico. Working with her is a small team of ranch "residents," men and women who are each uniquely broken by addiction and incarceration. Gaffney forms a bond with them

as profound as the kinship and trust the residents discover among the troubled horses. Through these unforgettable characters—both animal and human—Half Broke tells a new kind of recovery story and speaks to the life-affirming joy of finding a sense of belonging.

Riding Home Turtleback Books

The book for which people have been asking Monty Roberts for years, Join-Up describes how what he has learnt from horses can play an important role

in improving our lives. Monty Roberts has been travelling all over the world, demonstrating his work for the last ten years. Public reaction to him, and to his books, has confirmed his belief that the concepts of Join-Up can help humans develop both business and personal communication. For many years corporations have been sending their managers to Monty Roberts' demonstrations, and the messages of non-violence, of listening, and of the importance of trust have

been successfully developed in many of the companies. But Monty and Pat Roberts have also fostered over forty children and have seen how the same concepts of mutual agreement and trust can be used with great benefits in a family environment. Join-Up is full of stories of those who have found, through Monty Roberts, the strength to face their problems whatever they may be. Some are heart-wrenching, some are funny, all are illuminating. Join-Up is full of new

stories about some of the horses he has worked

with, and from whom he has learnt what he

believes. The Man Who Listens To Ho
