Whether children are reading to you or with you, this larger format, read-aloud edition of the Jesus Storybook Bible--trusted and treasured for over a decade--has been purposefully designed for one reason: to help God's Word stick. The storybook Bible that has captured the hearts of millions of readers young and old has been written, illustrated, and formatted with shared reading time in mind. Parents, grandparents, pastors, and teachers, that means one of the most treasured children's Bibles ever created is also one the most trusted Bibles to help children read-aloud and remember the truths of Scripture. Featuring the beautiful prose of New York Times bestselling author Sally Lloyd-Jones and the award-winning art of Jago, The Jesus Storybook Bible, Read-Aloud Edition tells the Story beneath all the stories in the Bible, inviting children to join in the greatest of all adventures. As they read aloud or listen along, boys and girls will discover for themselves that Jesus is at the center of God's great story of salvation--and at the center of their story too. It's not just Bible reading ... it's an unforgettable Bible experience. The Jesus Storybook Bible, Read-Aloud Edition Is beautifully written by New York Times bestselling author Sally Lloyd-Jones and illustrated by award-winning artist Jago Captures all the unforgettable prose and illustrations of the phenomenally successful Jesus Storybook Bible and presents it in a larger format, read-aloud edition Invites children to discover for themselves that Jesus is at the center of God's great story of salvation--and at the center of their story too

Being a Dad Who Leads Zonderkidz

This text is designed for students and anyone else with an interest in the history of life on our planet. The author describes the biological evolution of Earth's organisms, and reconstructs their adaptations to the life they led, and the ecology and environment in which they functioned. On the grand scale, Earth is a constantly changing planet, continually presenting organisms with challenges. Changing geography, climate, atmosphere, oceanic and land environments set a stage in which organisms interact with their environments and one another, with evolutionary change an inevitable result. The organisms themselves in turn can change global environments: oxygen in our atmosphere is all produced by photosynthesis, for example. The interplay between a changing Earth and its evolving organisms is the underlying theme of the book. The book has a dedicated website which explores additional enriching information and discussion, and provides or points to the art for the book and many other images useful for teaching. See: www.wiley.com/go/cowen/historyoflife.

Bible Text Books Zondervan

I have two feet that dart, that dash, that sprint, that splash. Thank you for my feet. In this lyrical text, a young child lists body parts from nose to toes, giving thanks for each along the way. Cherished author Marion Dane Bauer's bouncy rhymes are wonderful for reading aloud, and Kristina Stephenson's soft illustrations highlight what's special in the everyday. A subtle reminder of our deepest core values, Thank You for Me! is a delightful celebration of gratitude that belongs on every bookshelf.

Big Book of Bible Crafts John Wiley & Sons

"While putting a copy of this book on your nightstand would be a sign of good taste, who cares about good taste? Are you willing to be seen reading a book titled Censorship Now!! in public? If so, your skin might burn with funny glances from squares, scolds and looky-loos. But on the inside, you'll feel your brain throbbing as it swells to accommodate some hilarious, absurd and radical new strategies on how to live in our ridiculous world." --Washington Post "Svenonius' new book is Censorship Now!!, and the title alone shows just how provocative the author can be. A collection of essays previously published by Vice, Jacobin, and others, it sets up numerous enemies--both real and straw--for Svenonius to knock down....It's all couched in a style that's part anarchist tirade, part postmodern critique, and part punk-rock snottiness--yet it's addictively ridiculous." --NPR "Censor it all. Film, TV, music, politics, books, news, art--censor all of it. That's the guiding principle of local radical punk Ian Svenonius' latest essay collection, Censorship Now!!" --Washington City Paper, Critics' Pick Named a Favorite Book of 2015 by Jason Diamond at Vol. 1 Brooklyn "Gonzo ecstasy for those who have come to know Svenonius's self-aware political meditations....And though the essays Svenonius writes are not themselves unclear, the process of talking about what he's written involves discussions that some might find uncomfortable. His books make more sense the more you dissect them. So keep them in your back pocket and read them, one word at a time." --Los Angeles Review of Books "A new collection of essays by everyone's favorite supercilious rock theorist...Svenonius has always been the smartest kid in the room....In print, Svenonius is like that curmudgeonly pal that you adore because, even while his insight quivers between humor, paranoia, and antisocial ire, he never dispels your fascination in how he gets there." --SF Weekly "Ian Svenonius is best known as the frontman of bands like the Make-Up and Nation of Ulysses, but he's also a brilliant cultural critic with a talent for coming up with the hottest takes you'll ever read. In this collection, Svenonius makes compelling arguments in favor of censorship and hoarding books and records, amid polemics against Apple and Ikea, the yuppification of indie rock, and the shaving of pubic hair." --Buzzfeed "The essays in Censorship Now!! are equally packed with modest proposals and mock-revolutionary rhetoric, but there are grains of truth in pieces like 'The Historic Role Of Sugar In Empire Building' and 'Heathers Revisited: The Nerd's Fight For Niceness'--they're just buried somewhere between tongue and cheek." --The A.V. Club "Censorship Now!! simultaneously deals in the heated rhetoric of insurgent calls to action, the seductive broad strokes of propagand, and the clever winking of surrealist humor. Often when I'm really convinced Svenonius has gone off a paranoid deep end, the next sentence hits back with knowingly-hilarious exaggeration or profoundly spot-on analysis, realigning my perspective and making me

wonder again....It's fitting that a book whose intentions are ambiguous begins with a call to censor art and ends by letting art do the talking." --

Pitchfork Ian F. Svenonius's new collection of sixteen essays and stories, entitled Censorship Now!!, is reorganizing people's ideas about censorship, Ikea, documentary filmmaking, the Berlin Wall, the film Heathers, the twist, the frug, the mashed potato, shaving one's body, Apple, Inc., Nordic functionalism, the supposed benevolence of the Wikipedia, hoarding, college rock, the origins of the Internet, and more. It's an underground smash which has been met with a horrified gasp in all respectable quarters and gog-eyed enthusiasm in artist garrets the world over.

Hope for the Hurting Penguin

This delightful book has charming ready-to-color illustrations. Each picture contains hidden objects for the child to find. Every scene includes a caption and Scriptural reference. Instructions on how to look up biblical citations are also provided t

The Great Adventure Catholic Bible Jesus Storybook Bible

Being a woman in ministry, whether you are partnering with your husband in his calling or serving in your own leadership role, is challenging. While serving as mentors, counselors, advisors, and even cheerleaders, women carry numerous responsibilities. Lori Wilhite and Brandi Wilson know about this first-hand as the wives of two well-known pastors in America. Everyone has an image in their mind of what they think a pastor's wife should be. The trouble with this picture is that it has never been and never will be accurate. Ministry wives and female ministry leaders face the same real-life struggles as their church members, but have the added stress of sharing in everyone's burdens as well. They are held to impossible standards by those they serve, and the more this ideal of women in leadership is expected, the more we turn up the intensity in the pressure cooker that is life in ministry. In LEADING AND LOVING IT, Lori Wilhite and Brandi Wilson offer a support system to help women make connections to get the encouragement that sustains them and become equipped for the ministry God has called them to pursue. They give readers tools for understanding that external pressures and expectations are only important if they fall in line with what God intends for your life and ministry and they give answers for how to deal with criticism, isolation, finding your personal calling, and what happens when you reach a place of burn-out, and more.

What Really Happened to the Dinosaurs? Simon and Schuster

Life is painful. Everyone's story comes with unique challenges, difficulties, bumps, and bruises that leave you lost and drowning in their wake. It could be a financial disaster, a health issue, a broken relationship, or the loss of a loved one. Dr. Tony Evans, bestselling author and pastor of Oak Cliff Bible Fellowship, understands life's hardships firsthand. In a span of less than two years, he lost his brother, sister, brother-in-law, two nieces, father, and wife. At the same time, both of his daughters received cancer diagnoses. In the wake of all this pain, Dr. Evans had to put into practice, at the deepest levels, the truths he has preached about God for more than forty years. God's Word doesn't promise us a life free from pain and trouble. It promises us something else--Someone else. Someone who will walk with us through all of life's trials and troubles. There is hope for the hurting: His name is Jesus.

Truth for Life (Gift Edition) Thomas Nelson

Queen Esther is brave! When she hears of an evil plan to hurt the Jews in the kingdom, the queen must go to the king and fight for her people. Will her faith and trust in God give her the courage to ask for help? This is a Level Two I Can Read! book, which means it's perfect for children learning to sound out words and sentences. It aligns with guided reading level J and will be of interest to children Pre-K to 4th grade.

Living Well Children's Workbook FaithWords

"Proscriptive how-to advice ranges over a wide number of subjects (e.g., sex, band photos, etc.) and can be seen both as skewering the cultural idolatry associated with rock and as genuine counsel. Verdict: Svenonius's sociopolitical analysis of rock and roll is intellectually interesting, as when he posits that the genre was 'brought about by the industrial revolution, the harnessing of electricity, and the miscegenation of various poor, exploited, and indentured cultures in the USA.'" --Library Journal "So much of the allure here is in watching Svenonius skirt absurdity. He's always seemed delighted by the fact that the profound and the preposterous can sound awfully alike, a realization that puts him in line with an avant-garde tradition that stretches back before rock 'n' roll crystallized this fact...Svenonius has the spirit of a long-gone punk past, but his book has more to tell us about rock's here-and-now than about its hereafter. Neither bourgeois nor prestigious, Supernatural Strategies may be the rare book by a rock musician to retain any power or threat." --Los Angeles Review of Books "Like its author, Supernatural Strategies is part tongue-in-cheek, part deadly serious--a satire of rock's consumerist origins but also a thoughtful treatise on what it means to devote yourself to a collective...Drawing from the wisdom of rock 'n' roll's most famous ghosts, Svenonius' advice ranges from hilarious to cryptic to surprisingly useful." --Pitchfork "Svenonius has walked the walk...Even today--as the frontman of Chain & The Gang and the host of the online talk show Soft Focus--he remains cool, cryptic, and impeccably dressed, a mod magician with a trick always lurking up his tailored sleeve." --The Onion AV Club "If 'write what you know' is one of authorship's prime dictates, then Ian F. Svenonius seems uniquely qualified...Svenonius' contrarian, anti-establishment rhetoric is his greatest gift...Strategies plays to these same strengths by allowing him to run roughshod riot over hallowed ground he's already trod--and sometimes paved--more than a few times." --Baltimore City Paper Ian F. Svenonius's experience as an iconic underground rock musician--playing in such highly influential and revolutionary outfits as The Make-Up and The Nation of Ulysses--gives him special insight on techniques for not only starting but also surviving a rock 'n' roll group. Therefore, he's written an instructional guide, which doubles as a warning device, a philosophical text, an exercise in terror, an aerobics manual, and a coloring book. This volume features essays (and black-and-white illustrations) on everything the would-be star should know to get started, such as Sex, Drugs, Sound, Group Photo, The Van, and Manufacturing Nostalgia. Supernatural Strategies will serve as an

indispensable guide for a new generation just aching to boogie.

Censorship Now!! Tyndale House Pub

"Karen Armstrong is a genius."—A. N. Wilson As the foundation stone of the Jewish and Christian scriptures, The Book of Genesis unfolds some of the most arresting stories of world literature—the Creation; Adam and Eve; Cain and Abel; the sacrifice of Isaac. Yet the meaning of Genesis remains enigmatic. In this fascinating volume, Karen Armstrong, author of the highly acclaimed bestseller *A History of God*, brilliantly illuminates the mysteries and profundities of this mystifying work. BONUS: This edition contains an excerpt from Karen Armstrong's *Twelve Steps to a Compassionate Life*. "A lyrical chronicle of one woman's wrestling with Genesis that can serve as a guide to others . . . As notable for its scholarship as it is for its honesty and vulnerability."—Publishers Weekly "Armstrong can simplify complex ideas, but she is never simplistic."—The New York Times Book Review

Hip Hop Raised Me Gospel Light Publications

You've felt that tug... A friend, co-worker, family member, or someone you just met is talking and you sense God nudging you to say something. But what do you say? What don't you say? How can you bring God into the conversation without shutting it down? Welcome to God Space. Where the Holy Spirit can do amazing things through everyday conversations. Where honesty and transparency allow for discovery and deep connection. Where lives are challenged and changed. Connect with these real-life stories of how ordinary people learned how to engage others in rich spiritual conversations that open doors instead of slamming them shut. You'll find fresh insights and practical tools for connecting with others about the things that matter most. "Christ-followers everywhere are struggling to figure out how to have spiritual conversations and this lack of confidence and competence has silenced many Christians. God Space emboldens God's people to re-engage in these conversations in natural and winsome ways." -- Josh D. McDowell Author and speaker

The Armor of God is a seven-session Bible study for teens (7th-12 grade) that focuses on Ephesians 6.

Swallowed by a Fish B&H Publishing Group

Women desire to live well. However, living well in this modern world is a challenge. The pace of life, along with the new front porch of social media, has changed the landscape of our lives. Women have been told for far too long that being on the go and accumulating more things will make their lives full. As a result, we grasp for the wrong things in life and come up empty. God created us to walk with him; to know him and to be loved by him. He is our living well and when we drink from the water he continually provides, it will change us. Our marriages, our parenting, and our homemaking will be transformed. Mommy-blogger Courtney Joseph is a cheerful realist. She tackles the challenge of holding onto vintage values in a modern world, starting with the keys to protecting our walk with God. No subject is off-limits as she moves on to marriage, parenting, and household management. Rooted in the Bible, her practical approach includes tons of tips that are perfect for busy moms, including: Simple Solutions for Studying God's Word How to Handle Marriage, Parenting, and Homemaking in a Digital Age 10 Steps to Completing Your Husband Dealing With Disappointed Expectations in Motherhood Creating Routines that Bring Rest Pursuing the Discipline and Diligence of the Proverbs 31 Woman There is nothing more important than fostering your faith, building your marriage, training your children, and creating a haven for your family. *Women Living Well* is a clear and personal guide to making the most of these precious responsibilities.

The Armor of God Akashic Books

This resource is a companion to *Living Well*: Christian practices for everyday life. It is designed for parents to use with their children or for older children to use alone. Each of the chapters presents a Christian practice through activities, Bible passages, and practical ideas that children can do alone or with their family to make the practice an integral part of everyday life.
