DOMINIK SILAS

Indological and Buddhist Studies Simon and Schuster
Collection of poetry and song lyrics by Detroit rocker Carolyn Striho. Striho's most recent album, *Afterthought*, was on the GRAMMY(R) Awards 2018 First Ballot for Best Rock Album of the Year. Carolyn has won 11 Detroit Music Awards and a Billboard Magazine Award for her songwriting, albums, musicianship and live performances. Carolyn also has toured overseas six times in Europe, and also had a two-month tour of Japan. She's played many national and international

festivals including Lollapalooza, Rome Italy's *Donne In Musica*, London U.K. *Meltdown*, and many more.

[The Teachings of Padmasambhava](#) BRILL
Images and texts document the legendary Department of Media Study at SUNY Buffalo when it set the world standard; a history of the program and examples of work by "Buffalo heads" James Blue, Tony Conrad, Hollis Frampton, Gerald O'Grady, Paul Sharits, Steina, Woody Vasulka, and Peter Weibel. Twentieth-century art history is not just a history of individuals, but of collectives, groups. Universities and colleges have had much to do with this through their support of artistic communities

and creative interactions. In the 1920s and 1930s, the Bauhaus was known for this. In the 1940s, Black Mountain College became a leader in community-based visual art practice and education. And in the 1970s and 1980s, the Department of Media Study at the State University of New York at Buffalo was the place to be. It was there, in 1973, well before any other university had a program explicitly devoted to media art, that Gerald O'Grady founded a media study program that is now legendary. Artists—including avant-garde filmmakers Hollis Frampton, Tony Conrad, and Paul Sharits, documentary maker James Blue, video artists

Woody Vasulka and Steina, and Viennese action artist Peter Weibel—investigated, taught, and made media art in all forms, and founded the first Digital Arts Laboratory. These Buffalo faculty members were not just practicing artists, but also theorists who wrote and spoke on issues raised by their work. They set the terms for the development of media art and paved the way for the triumph of video installation art in the 1990s. The images and texts in *Buffalo Heads* bear witness to the groundbreaking events at the Buffalo Center for Media Study. The book presents not just a tribute to a famous media department finally receiving its due; it is a rich inventory of primary texts (many never before published), works that will improve our understanding of media, amplify our cultural memory, and offer a perspective on contemporary issues.

Skitter Random House Trade Paperbacks
This compilation from *Film Culture* magazine—the pioneering periodical in avant-garde film commentary—includes contributors like Charles Boultenhouse, Erich von

Stroheim, Michael McClure, Stan Brakhage, Annette Michelson, Arthur Miller, Dylan Thomas, Andrew Sarris, Rudolph Arnheim, Jonas Mekas, and Parker Tyler. This collection covers a range of topics in twentieth century cinema, from the Auteur Theory to the commercial cinema, from Orson Welles to Kenneth Anger.

Structural Film Anthology

Once upon no time there was a Little Soul . . . And this Little Soul wanted to understand forgiveness. Except the Little Soul didn't just want to understand forgiveness--the Little Soul wanted to experience forgiveness and know what it felt like to forgive another. So God

helped in the best of all possible ways: by putting the Little Soul in the body of Meghan, a newborn baby just beginning to explore all the magic the world had to offer. But God never sends any Little Soul to Earth all alone. God sent along Melvin, a guardian angel, and a promise that God would always be there--even if the Little Soul forgot from time to time. Experience the world through the eyes of the Little Soul in her first few moments on Earth as Meghan meets her mommy and daddy, learns about love, and begins to figure out what it means--and how it feels--to be human. The Little Soul and the Earth is a delightful, vividly told and illustrated tale from the team that created *The Little Soul and the Sun*. The first of a new series of Little Soul adventures, it exemplifies the vital truth that God is with us always, no matter where our own adventures lead and no matter how many times we may forget that truth. Gently reminding us that beauty and love are all around, the world of the joyous Little Soul is a place your child will want to visit again and again. *God Shock* Milkweed Editions

Named a Best Book of the Year: Vogue * TIME * Real Simple * Kirkus Reviews A New York Times Book Review Editors' Choice For fans of Sally Rooney's *Normal People*: A sharply intelligent and intimate debut novel about a secret society of hungry young women who meet after dark and feast to reclaim their appetites--and their physical spaces--that posits the question: If you feed a starving woman, what will she grow into? Roberta spends her life trying not to take up space. At almost thirty, she is adrift and alienated from life. Stuck in a mindless job and reluctant to pursue her passion for food, she suppresses her appetite and recedes to the corners of rooms. But when she meets Stevie, a spirited and effervescent artist, their intense friendship sparks a change in Roberta, a shift in her desire for more. Together, they invent the Supper Club, a transgressive and joyous collective of women who gather to celebrate, rather than admonish, their hungers. They gather after dark and feast until they are sick; they break into private buildings and leave carnage in their wake;

they embrace their changing bodies; they stop apologizing. For these women, each extraordinary yet unfulfilled, the club is a way to explore, discover, and push the boundaries of the space they take up in the world. Yet as the club expands, growing in both size and rebellion, Roberta is forced to reconcile herself to the desire and vulnerabilities of the body--and the past she has worked so hard to repress. Devastatingly perceptive and savagely funny, *Supper Club* is an essential coming-of-age story for our times.

The Copperhead New York : Holt, Rinehart, Winston

This pioneering study sheds new light on the development of Buddhist ideas as introduced by the visionary Padmasambhava. It is based on primary source material and highlights the experiential aspects of process-oriented thinking. [Language and Style of the Vedic Rsis](#) Cooper Square Press

This book is primarily intended to be an investigation into the meaning and religious significance of the important Vedic term *dhi*, which has been variously and often inadequately

translated.

Runaway Horse Springer
Sia Jane Lloyd's vibrant and heartfelt new book, *Wanderlust*, is a thoughtful collection of candid and provocative poetry articulating the human experience of growth and transformation. Borne of raw emotion and an earnest yearning to tell the truth, the poems map the journey through the dynamics of gender and sexual identity, to the haunting, graphic depiction of alcoholism and depression, to the rich palpable lust and longing of unrequited love. *Wanderlust* is an unapologetic poetry memoir of the moments that strike at the heart and the tangible hungering for more. *Ars Scribendi* Simon and Schuster
Jonathan Langley's life took a devastating turn when he lost his eyesight to a rare illness. Once a successful painter and printmaker, Jonathan now lives in complete darkness, rarely leaving his apartment and angry at the world. When he encounters his precocious 11-year-old neighbor, Lupe, the two form an unlikely friendship. Her cheerful presence shatters his hardened

exterior, revealing a gentle man struck by tragedy. Lupe leads him to a fresh perspective by showing him the power of kindness, compassion, and love. Based on the celebrated teachings of Louise Hay, *Painting the Future* explores the power of positive thinking in healing past struggles and learning to live a joyful, heart-centered life.

When She Was Good Hay House, Inc

In Sawgamet, a gold mining village gone bust, the cold of winter breaks the glass of the schoolhouse

thermometer, and the dangers of working in the cuts are overshadowed by the mysteries and magic lurking in the woods. On the eve of his mother's funeral, Stephen, a priest, sits to write her eulogy. It is thirty years since his grandfather returned to Sawgamet with a bundle of bones in search of his beloved, long-dead wife. As the evening turns into night and memories of his childhood begin to haunt him, like his grandfather Stephen must confront the losses of his - and Sawgamet's - past.

"[The] Ukrainian American heroine of this sweet-bitter debut is a wisecracking fatalist who can be counted on to say the inappropriate thing, a tendency that becomes more pronounced as doomed crushes and family crises pile up on the road to adulthood."—O: The Oprah Magazine When Oksana and her family move from the Ukraine to Florida to begin a new American life, her physicist father delivers pizza at night to make ends meet, her cranky mother sits at home all day worrying, and her flamboyant grandmother relishes the attention she gets from men. All Oksana wants is to be as far away from her family as possible, to have friends, and to be normal—and though she constantly tries to do the right thing, she keeps getting in trouble. As she grows up, she continues to misbehave, from somewhat accidentally maiming the school-bus bully, to stealing the much-coveted key to New York City's Gramercy Park, to falling in love with a married man. After her grandmother moves back

to Ukraine, Oksana longs for the motherland that looms large in her imagination but is a country she never really knew. When she visits her grandmother in Yalta and learns about her romantic past, Oksana comes to a new understanding of how to live without causing harm to the people she loves. But will Oksana ever quite learn to behave? Praise for Oksana, Behave!

"Tragicomic and bittersweet . . . an immigrant's coming-of-age tale done with brio."—Kirkus Reviews "What luck for readers that Oksana can't behave! Little devil, infinite imbecile, poor futureless child—all the names her displaced, loving family give to her as she crashes and burns and wanders the wilderness of her inheritance, fit perfectly. As outrageous as she is, as funny and as awful as she can be, though, in Oksana, Maria Kuznetsova has also created a character of great passion and depth—of tragedy, even, too—the very sort that populate the stories of Chekhov and Tolstoy, the poems of Anna Akhmatova, and all the other Russian writers Oksana looks to for comfort and company and

some sort of bearing in this absurd world. This novel is a stark, hilarious delight."—Paul Harding, Pulitzer Prize-winning author of *Tinkers*

Rig-Veda-sanhita St. Martin's Griffin

This 44-card deck offers comforting and uplifting messages, to set a positive and healing tone for the day. It also functions as a divination tool, as you can ask a question and find the message that gives you guidance and answers. This work is designed to help you stay centered in peacefulness throughout the day, and to remember that your angels are always beside you, ready to help you with every area of your life.

Detroit (Maiden Energy) Tundra Books

Whites latest work is an extraordinary hybrid of intimate autobiography, social commentary, live literary theory, geopoetic fieldwork, oceanic poem, quiet cultural manifesto, all rolled into one. His account of his journey up through England to Scotland is not only a humorous sociological analysis, it is a heartfelt homecoming, accompanied by the opening up of new intellectual and cultural perspectives.

Wanderlust Vintage

"Wake up man, you just slept through Armageddon," she said, roughly shaking the deadweight Saladin by the shoulders. He came awake with the bleary eyed reluctance of a teenage boy being torn from a wet dream into a hangover. --- The coroner surveyed the charred collection of bones and pronounced it, with astounding professional accuracy, dead. What the coroner failed to ascertain with accuracy was the true cause of death. On the file it all looked very convincing "Death by incineration", but in fact the onus for Rutherford's death lay with a man whose cranium he had recently sawn into. --- Athena is an info-merc. She gets paid to sift. Intelligent software crafted in her fibre-optic nest, her sift engines and AI spiders have gained her a healthy profit. A client has just made the mistake of paying her too well for a score. Curiosity overtakes caution and drops her hard into an adventure that stretches from the madness within, to the drug-induced climax of the human species. A fast epic, *God Shock* follows Athena inside an institute where

reality is detuned; through a hidden city where pleasure has been tweaked into a weapon against the frightening assault of boredom; to the beautiful and twisted landscape of a diseased intranet; all the way to the threshold of her sanity. Luckily her sense of humor is well intact. --- 'From thought-provoking to cynical to downright funny... all-in-all *God Shock* is a good mind-bending trip.' - Locus Magazine

The Christ Myth National Geographic Books

Elizarenkova, perhaps the greatest living scholar of the Rgveda and certainly its greatest linguist, explains here the relationships between a very complicated grammatical system and the peculiarities of style of the archaic religious poetry. The laudatory hymn is treated as an act of verbal communication between the poet Rsi and the deity, with the hymn itself transmitting certain information from man to god. From this viewpoint, the hymn is used as a means to maintain a circular exchange of gifts between the Rsis and their gods. Many peculiarities of the functioning of the grammatical system of

the Rgveda are interpreted in connection with the model of the universe of the Vedic Aryan. For example, the concept of time as a circular process bears closely on the use of the verbal grammatical categories of tense and mood; the personification of some abstract forces can explain some irregularities in the functioning of the nominal category of gender; and the idea of magical power attributed to the Sacred Speech in general, and to the name of a god in particular, underlies the magical grammar of this religious poetry.

Touch Createspace Indie Pub Platform

This volume provides new insights into gendered interactions over the past two centuries between Germany and Asia, including India, China, Japan, and previously overlooked Asian countries including Vietnam, the Philippines, Thailand, and Korea. This volume presents scholarship from academics working in the field of German-Asian Studies as it relates to gender across transnational encounters in the nineteenth and twentieth centuries. Gender has been a lens of

analysis in isolated published chapters in previous edited volumes on German-Asian connections, but nowhere has there been a volume specifically dedicated to the analysis of gender in this field. Rejecting traditional notions of West and East as seeming polar opposites, their contributions to this volume attempts to reconstruct the ways in which German and Asian men and women have cooperated and negotiated the challenge of modernity in various fields.

The Lobster Kings: A Novel Willow

Books/Aquarius Press
The first modern Chinese middle grade series to be translated and brought to the English-speaking market, from bestselling author Chen Jiatong. A young white fox dreams of being human. When his parents are taken from him, long-held secrets and a legend about a miraculous treasure rise to the surface in this perilous quest for self-discovery. When a young white fox named Dilah discovers a human family, he begins to dream of being human himself. But when his parents are assassinated, long-held secrets and a legend

about a miraculous treasure rise to the surface. A treasure with the power to make animals human... The clues to its location are contained in a moonstone buried beneath their den. But evil blue foxes seek the treasure too and Dilah must race to find it first. Along the way, he meets all sorts of other creatures: a friendly seal, an ancient tortoise, and a fierce leopard -- but can he stay one step ahead?

The Cinema of Poetry

Dedalus European Classics

From the bestselling author of Good Girl, Bad Girl and When You Are Mine comes a gripping thriller featuring the brilliant forensic psychologist Cyrus Haven as he becomes embroiled in an explosive murder case with disturbing origins. Criminal psychologist Cyrus Haven and Evie Cormac return in this "powerhouse of a novel" (Booklist, starred review) from internationally bestselling author Michael Robotham, a writer Stephen King calls "an absolute master...with heart and soul." Who is Evie, the girl with no past, running from? She was discovered hiding in a secret room in the aftermath of a terrible

crime. Her ability to tell when someone is lying helped Cyrus crack an impenetrable case in Good Girl, Bad Girl. Now,

the closer Cyrus gets to uncovering answers about Evie's dark history, the more he exposes Evie to danger, giving her no choice but to run.

Ultimately, both will have to decide if some secrets are better left buried and some monsters should never be named...
