“[H]aunting and harrowing.” —Booklist

(starred review) “Vivid, distressing, and all too real.” —Kirkus Reviews In this 20th anniversary edition of Todd Strasser’s gut-wrenching and critically acclaimed *Give a Boy a Gun*, two boys bring guns to school in search of revenge against their classmates. For as long as they can remember, Brendan and Gary have been mercilessly teased and harassed by the jocks who rule Middletown High. But not anymore. Stealing a small arsenal of guns from a neighbor, they take their classmates

hostage at a school dance. In the panic of this desperate situation, it soon becomes clear that only one thing matters to Brendan and Gary: revenge. This special 20th anniversary edition includes updated backmatter and statistics on school shootings—a topic that is now more relevant than ever. *The Myth of Power and the Self* Vintage Individual country Banking Associations are often facilitators between market participants, regulators, government

and consumers. Their role in some periods was sometimes ignored in recent times, but nowadays they receive more attention in the marketplace. *Antichrista* Simon and Schuster The “beautiful and haunting” (San Francisco Chronicle) tale of an orphan’s search for love, for his unknown father, and for the key to the elusive riddle of his fate, from the author of the forthcoming *4 3 2 1: A Novel* Marco Stanley Fogg is an orphan, a child of

the sixties, a quester tirelessly seeking the key to his past, the answers to the ultimate riddle of his fate. As Marco journeys from the canyons of Manhattan to the deserts of Utah, he encounters a gallery of characters and a series of events as rich and surprising as any in modern fiction. Beginning during the summer that men first walked on the moon, and moving backward and forward in time to span three generations, Moon Palace is propelled by coincidence and memory,

and illuminated by marvelous flights of lyricism and wit. Here is the most entertaining and moving novel yet from an author well known for his breathtaking imagination. From New York Times bestselling author Paul Auster (The New York Trilogy).

**Six Contes** Simon and Schuster  
Die Bildungs- und Unterrichtsreformen nach der Jahrtausendwende sind nicht spurlos am allgemeinbildenden Pädagogikunterricht vorbeigegangen. Die

sukzessive Standardisierung, die outputorientierte Steuerung und Entwicklung sowie eine Mobilisierung der Fachlehrerschaft für die Qualitätsverbesserung und für die Unterrichtsentwicklung sind die Forderungen dieser Reformen. Eine umfassende Veröffentlichung, welche die Reformentwicklungen zum Pädagogikunterricht rund um Kompetenzorientierung, Zentralabitur, Kernlehrplan und

schulinterne Lehrpläne thematisiert, ist längst überfällig. Der vorliegende Sammelband soll diese Lücke schließen. Zum einen werden die Veränderungen kritisch analysiert. Zum anderen werden sowohl Umsetzungs- als auch im Hinblick auf die Probleme dieser Reformen Lösungsperspektiven entworfen. Ein wichtiges Anliegen der Autorinnen und Autoren ist es, werdende und beruflich aktive Lehrerinnen und Lehrer darauf hinzuweisen, dass es bei

der Standardisierung und Steuerung des Unterrichts auch auf ihr pro-aktives Engagement ankommt, bestehende fachdidaktische Gestaltungsspielräume intelligent auszunutzen, sich im Sinne ihrer Professionalität für den Erhalt solcher Spielräume sowie für die mitbestimmende Unterrichtsentwicklung einzusetzen und zu engagieren.

 As humans re-negotiate their boundaries with the nonhuman world of

animals, inanimate entities and technological artefacts, new identities are formed and a new epistemological and ethical approach to reality is needed. Through twelve thought-provoking, scholarly essays, this volume analyzes works by a range of modern and contemporary Italian authors, from Giacomo Leopardi to Elena Ferrante, who have captured the shift from anthropocentrism and postmodernism to posthumanism. Indeed, this is the first academic

volume investigating narrative configurations of posthuman identity in Italian literature and film.

Lee Spinks prepares readers for their first encounter with Nietzsche's most influential texts, enabling them to begin to apply his thought in studies of literature, art and contemporary culture.

*A Handful of Manhood*  
Daimon

Caroline Webb knows what it means to lose the person you love most.

Twenty years ago, her five-year-old daughter, Hayley, was the light of her life, her treasure, her angle. Then came the terrible day when Hayley was kidnapped from her favorite swing. More than a month passed before her burned, lifeless body was found. All that remained was the silence of Caroline's heartache-- and her guilt... Now, Caroline has started over with a new husband. She even has another precious daughter, Melinda. She thinks she has put the ghosts of her past behind

her. But without warning, those ghosts once again start to echo in the night. Suddenly, Hayley's favorite doll reappears...strange murders rock the Webbs' small town...Caroline even claims she has heard the voice of the little girl she lost all those years ago. Could Hayley still be out there somewhere, somehow? Now a killer waits in the wings-- waiting to make Caroline live her worst nightmare yet...

Shakespeare's Romeo and Juliet Wayne State

University Press

A literary masterpiece, a reclusive author and a war-time mystery. Gabriel Hirschfelder is a literary icon, his book an acknowledged masterpiece. He is living out his days in Southend-on-Sea. But fame has come at a price. He fled Vienna shortly before the outbreak of war, and in 1940 he was classified an undesirable alien and sent to a camp with other internees on the Isle of Man. The friends he made there changed his life forever. Who were Lomnitz

and Ossovsky? And who was the fourth man, Harrasser? Was he really deported to Canada or was he murdered? What happened on the Isle of Man to haunt Hirschfelder to his dying day? After his death, a young woman happens to meet his third and last wife and her curiosity is aroused. Her own ex-husband was obsessed with Hirschfelder, so she already knows a little bit about him. But now she feels impelled to make contact with the other women in his life. Her

search brings to light many surprises as she uncovers a story with far-reaching implications for Hirschfelder's posthumous reputation. The English Years is a brilliant novel which combines the literary invention of Paul Auster with the European cultural sensibility of W.G. Sebald."

*The Truth About Lorin Jones* Penguin

'If Duchamp or maybe Magritte wrote a novel it might look something like this remarkable little book of Padgett Powell's: immensely readable,

ingenious, witty, and ultimately important-feeling in a way you can't quite describe but don't need to' Richard Ford Are your emotions pure? Are your nerves adjustable? How do you stand in relation to the potato? Should it still be Constantinople? Does a nameless horse make you more nervous or less nervous than a named horse? In your view, do children smell good? ... Does your doorbell ever ring? Is there sand in your craw? Is it a novel? Whatever it is, The

Interrogative Mood is stubbornly memorable. Through a seemingly random but infinitely artful series of questions this small masterpiece mysteriously, elusively, hilariously, compellingly lights up life. Numerical Structural Analysis Vintage From the Booker Prize-winning author of *The Remains of the Day* and *When We Were Orphans*, comes an unforgettable edge-of-your-seat mystery that is at once heartbreakingly tender and morally courageous

about what it means to be human. Hailsham seems like a pleasant English boarding school, far from the influences of the city. Its students are well tended and supported, trained in art and literature, and become just the sort of people the world wants them to be. But, curiously, they are taught nothing of the outside world and are allowed little contact with it. Within the grounds of Hailsham, Kathy grows from schoolgirl to young woman, but it's only when she and her friends Ruth

and Tommy leave the safe grounds of the school (as they always knew they would) that they realize the full truth of what Hailsham is. *Never Let Me Go* breaks through the boundaries of the literary novel. It is a gripping mystery, a beautiful love story, and also a scathing critique of human arrogance and a moral examination of how we treat the vulnerable and different in our society. In exploring the themes of memory and the impact of the past, Ishiguro takes on the idea of a possible

future to create his most moving and powerful book to date.

**Thorns of Truth** Vintage Ransom, Jay McInerney's second novel, belongs to the distinguished tradition of novels about exile. Living in Kyoto, the ancient capital of Japan, Christopher Ransom seeks a purity and simplicity he could not find at home, and tries to exorcise the terror he encountered earlier in his travels—a blur of violence and death at the Khyber Pass. Ransom has managed to regain

control, chiefly through the rigors of karate. Supporting himself by teaching English to eager Japanese businessmen, he finds company with impresario Miles Ryder and fellow expatriates whose headquarters is Buffalo Rome, a blues-bar that satisfies the hearty local appetite for Americana and accommodates the drifters pouring through Asia in the years immediately after the fall of Vietnam. Increasingly, Ransom and his circle are threatened, by everything

they thought they had left behind, in a sequence of events whose consequences Ransom can forestall but cannot change. Jay McInerney details the pattern of adventure and disillusionment that leads Christopher Ransom toward an inevitable reckoning with his fate—in a novel of grand scale and serious implications. *Driving Miss Daisy* Waxmann Verlag  
 DIV Nearly five decades after they were swapped at birth, two women change each other's lives

/divDIV/divDIV Sylvie Rosenthal is dying, and one great mistake still weighs on her soul. In 1943, as a new mother in a Bronx maternity ward, she feared for her life. What would happen when her husband saw their new daughter, whose dark hair and black eyes proved she wasn't his own? Sylvie couldn't bear to find out, and during a terrifying hospital fire fled the building with another woman's child in her arms./divDIV  
 /divDIV Decades later, she told her real daughter the

truth, but asked Rose to keep her secret, lest it destroy Rachel, the girl Sylvie raised as her own. Then, after years of silence, the two women's lives, intertwined in more ways than one, are once more turned upside down. In this sequel to the blockbuster *Garden of Lies*, Rose and Rachel, bound forever by a secret that only one of them understands, must both find the courage to face the truth./divDIV

 Continuing the phenomenal story in *The Betsy*, *The Stallion* reintroduces the Hardeman family and the cutthroat world of their vast automobile empire, where the stakes are high and every man, and woman, is a gambler. Loren Hardeman, known as "Number One," is gradually transferring control of Bethlehem Motors to his grandson,

Loren Hardeman III—a man possessed with his father's cunning, but sadly lacking in his ability to go for the kill. So when Angelo Perino, an outsider previously nurtured by Number One, threatens the position held by Hardeman III, what ensues is a battle of wills in which integrity takes a backseat to animal instinct, and in which there can only be one winner. Bursting with huge ingredients of lust, greed, sex, and intrigue—and a plot full of twists and double-

crosses—this is Harold Robbins at his sizzling best.  
*Landeskunde* Springer Science & Business Media  
 An historical novel like none before it, *A Star Called Henry* has marked a new chapter in Booker Prize-winner Roddy Doyle's writing. A subversive look behind the legends of Irish republicanism, at its centre a passionate and unforgettable love story, this novel is a triumphant work of fiction. Born in the slums of Dublin in 1902, his father a one-legged

whorehouse bouncer and settler of scores, Henry Smart has to grow up fast. By the time he can walk he's out robbing, begging, charming, often cold, always hungry, but a prince of the streets. At fourteen, already six foot two, Henry's in the General Post Office on Easter Monday 1916, a soldier in the Irish Citizen Army, fighting for freedom. A year later he's ready to die for Ireland again, a rebel, a Fenian, and, soon, a killer. With his father's wooden leg as his weapon, Henry

becomes a republican legend - one of Michael Collins' boys, a cop killer, an assassin on a stolen bike, a lover.

**The First Man** Peter Lang

In this comedy by a Pulitzer Prize-winning author, a biographer out to vindicate a neglected female artist learns that the truth is never tidy. Polly Alter is through with men. Recovering from her divorce, she has taken a year off from her museum job to write a biography of Lorin Jones, a sensitive painter who died young

and nearly forgotten. Polly is determined to bring the artist the public acclaim she deserves, making up for the neglect and exploitation Lorin suffered from the men in her life. The only problem with the story of Lorin's victimhood is that it may not be true. And as Polly wades deeper into her research, growing more attached to her subject, and more lost in the world of two decades past, she begins to realize that no life story is as simple as a biographer might wish. The National Book

Award-shortlisted author of Foreign Affairs writes a daring and “relentless comedy” that novelist Edmund White calls “one of the most entertaining novels I've read in a long time” (The New York Times). This ebook features an illustrated biography of Alison Lurie including rare images from the author’s collection.

From The Man Booker International Prize finalist Robert Seethaler comes a tender, heartbreaking

story of one young man and his friendship with Sigmund Freud during the Nazi occupation of Vienna. Seventeen-year-old Franz Huchel journeys to Vienna to apprentice at a tobacco shop. There he meets Sigmund Freud, a regular customer, and over time the two very different men form a singular friendship. When Franz falls desperately in love with the music hall dancer Anezka, he seeks advice from the renowned psychoanalyst, who admits that the female sex is as big a mystery to

him as it is to Franz. As political and social conditions in Austria dramatically worsen with the Nazis’ arrival in Vienna, Franz, Freud, and Anezka are swept into the maelstrom of events. Each has a big decision to make: to stay or to flee? Falling Man Harper Collins The Myth of Power and the Self brings together Walter Sokel's most significant essays on Kafka written over a period of thirty-one years, 1966-1997.

**The American Military Government of United**

**States Occupied Zones of Post World War II Germany in Relation to Policies Expressed by Its Civilian Governmental Authorities at Home, During the Course of 1944/45 Through 1949**

St. Martin's Paperbacks  
"A perfect book"—and basis for the Maggie Smith film—about a teacher who makes a lasting impression on her female students in the years before World War II (Chicago Tribune). "Give me a girl at an impressionable age, and

she is mine for life!" So asserts Jean Brodie, a magnetic, dubious, and sometimes comic teacher at the conservative Marcia Blaine School for Girls in Edinburgh. Brodie selects six favorite pupils to mold—and she doesn't stop with just their intellectual lives. She has a plan for them all, including how they will live, whom they will love, and what sacrifices they will make to uphold her ideals. When the girls reach adulthood and begin to find their own destinies, Jean Brodie's

indelible imprint is a gift to some, and a curse to others. The Prime of Miss Jean Brodie is Spark's masterpiece, a novel that offers one of twentieth-century English literature's most iconic and complex characters—a woman at once admirable and sinister, benevolent and conniving. This ebook features an illustrated biography of Muriel Spark including rare photos and never-before-seen documents from the author's archive at the National Library of

Scotland.
