## KARSYN JAYLIN

*Most Dangerous Book in the World* Penguin

From one of America's most popular short story writers and an Academy Award nominee: the O. Henry Award-winning tale that inspired the movie *The Hunt*. A subject of mysterious rumors and superstition, the deserted Caribbean Island was shrouded in an air of peril. To Sanger Rainsford, who fell off a yacht and washed up on its shores, the abandoned isle was a welcome paradise. But unknown to the big-game hunter, a predator lurked in its lush jungles—one more dangerous than any he had ever encountered: a human. First published in 1924, this suspenseful tale "has inspired serial killers, films and stirred controversy in schools. A century on, the story continues to thrill" (*The Telegraph*). "[A] tense, relentless story of man-against-man adventure, in which the hunter Sanger Rainsford learns, at the hands of General Zaroff, what it means to be hunted." —Criterion

*The Pocket Dangerous Book for Boys: Things to Do* William Morrow

In an idyllic community of wealthy California families, new teacher Molly Nicoll becomes intrigued by the hidden lives of her privileged students. Unknown to Molly, a middle school tragedy in which they were all complicit continues to reverberate for her students. Theirs is a world in which every action may become public: postable, shareable, viral.

*Pretzel* Harper Collins

*The Pocket Dangerous Book for Boys* World Health Organization

Frederick Busch has an enduring love affair with great books, and here he brilliantly communicates his passion to us all. Whether expounding on Melville or Dickens, or celebrating Hemingway or O'Hara, he explains what literature can ineffably reveal about our own lives. For Busch, there was no other recourse save the "dangerous profession;" it was to be his calling, and in these piercing essays, he demonstrates that we as a culture ignore the fundamental truths about fiction only at our own peril. With keen ruminations that recall the critics of yore- Edmund Wilson, Lionel Trilling, and Irving Howe-Busch, in this era of moral indirection, has revealed how the literature of our past is the key to our survival in the future.

*My Life with Bob* Houghton Mifflin Harcourt

*The Pocket Dangerous Book for Boys* Simon and Schuster

This eBook edition features exclusive bonus content, Conn Iggulden's original short story "Fig Tree." One of history's most notorious assassinations sets the stage for a riveting tale of political intrigue, epic battle, and righteous retribution in a new novel of ancient Rome from #1 New York Times bestselling author Conn Iggulden. THE BLOOD OF GODS Julius Caesar has been cut down. His blood stains the hands of a cabal of bold conspirators, led by famed general Marcus Brutus—whom Caesar once called a friend. Have these self-proclaimed liberators bravely slain a power-mad tyrant or brutally murdered the beloved Father of Rome? Hailed as heroes by a complicit Senate and granted amnesty, the killers eagerly turn toward plotting the empire's future under their control. But Caesar's death does not rest easily with all of Rome. For two men whose bonds of friendship, family, and fidelity to the emperor are unbreakable, the shocking assassination is nothing less than treason. And those responsible must pay with their lives. Through countless battles and years of peace, Marc Antony has wielded a sword and raised a cup at Caesar's side. Now, in the wake of the cold-blooded coup, he is powerless against the political might of Brutus and his treacherous senators. Yet with no weapons other than eloquence and outrage, Antony will turn the tide of public opinion and spark a rebellion that will set the streets of Rome ablaze. At the same time, Gaius Octavian, adopted son and chosen heir of Caesar, has gained wealth and influence beyond imagining. But the soul-deep wound of his father's death will never be healed by gold or power. He will rest only with the blood of the killers on his blade. Drawn together by their common cause, Antony and Octavian marshal their forces into an avenging army on a mission to reunite all that Caesar's fall has torn asunder. Even as his cohorts flee for their lives—or fall prey to vigilantes—a defiant Brutus vows never to relinquish what his ruthless ambition has won him. As opposing legions join in mortal combat, the destiny of Rome will turn on which of their commanders is the mightiest and most cunning. Marking the author's triumphant return to the setting of his celebrated Emperor series, *The Blood of Gods* unfolds with unmatched power, electric with the high-adventure storytelling, captivating historical detail, and stirring battle scenes for which Conn Iggulden is renowned. Praise for Conn Iggulden's Empire series "Dramatic historical fiction to keep adults turning pages like enthralled kids . . . [Iggulden] is a grand storyteller. . . . A spirited, entertaining read."—USA Today "Exhilarating . . . Words like 'brilliant,' 'sumptuous' and 'enchanting' jostle to be used, but scarcely convey the way Iggulden brings the schoolbook tale to life, or the compelling depictions of battle, treachery and everyday detail in a precarious world well lost but vividly re-created."—Los Angeles Times "What Robert Graves did for Claudius, Conn Iggulden now does for the most famous Roman emperor of them all—Julius Caesar."—William Bernhardt, author of *Criminal Intent* "[Iggulden] excels at describing battle scenes both small-scale and epic."—The Seattle Times "Utterly marvelous . . . Solid research and a real knack for character development bring [Julius Caesar] to life in a truly magical,

electrifying way."—The Telegram (St. John's, Newfoundland)

*What to Do and how to Do it* Macmillan

The greatest leaders and geniuses in history were mischief makers. They were the brave women who looked at how unfair the world was and said, "I can do better than that." They were the stalwart men who saw stupidity and asked, "Why do we have to do it that way?" And they were the delightful children who ganged up on the neighborhood bully and hit him with wet noodles until he said, "Uncle!" Yes, history's mischief makers had the courage to point out that things like slavery, global warming, and turtleneck sweaters are bad. And they also pulled off some of the greatest hoaxes and practical jokes of all time. Their achievements include the Boston Tea Party, the "War of the Worlds" radio broadcast of 1938, and the Cheese Whiz Disaster of 2008. In honor of them, we introduce *The Pocket Guide to Mischief*, the perfect addition to any prankster's collection, as well as a fun-filled how-to for the budding troublemaker in all of us.

*The Blood of Gods* Gibbs Smith

*The Pocket Dangerous Book for Boys* Macmillan

A brave and beautiful story that will make readers laugh, and break their hearts at the same time. Now with a special note from the author! Steven has a totally normal life (well, almost). He plays drums in the All-City Jazz Band (whose members call him the Peasant), has a crush on the hottest girl in school (who doesn't even know he's alive), and is constantly annoyed by his younger brother, Jeffrey (who is cuter than cute - which is also pretty annoying). But when Jeffrey gets sick, Steven's world is turned upside down, and he is forced to deal with his brother's illness, his parents' attempts to keep the family in one piece, his homework, the band, girls, and Dangerous Pie (yes, you'll have to read the book to find out what that is!).

*The Dangerous Book for Boys Yearbook* William Morrow

The bestselling book for every boy from eight to eighty, covering essential boyhood skills such as building tree houses\*, learning how to fish, finding true north, and even answering the age old question of what the big deal with girls is. In this digital age there is still a place for knots, skimming stones and stories of incredible courage. This book recaptures Sunday afternoons, stimulates curiosity, and makes for great father-son activities. The brothers Conn and Hal have put together a wonderful collection of all things that make being young or young at heart fun—building go-carts and electromagnets, identifying insects and spiders, and flying the world's best paper airplanes. The completely revised American Edition includes: *The Greatest Paper Airplane in the World* *The Seven Wonders of the Ancient World* *The Five Knots Every Boy Should Know* *Stickball Slingshots* *Fossils*

 reference guide is filled with endless hours of hands-on activities that boys will want to take  
 everywhere.

*The Dangerous Book of Heroes* HarperCollins

In this shocking exposé, investigative researcher and author S. K. Bain reveals the truth behind the  
 mass-murdering psychopaths responsible for the events of September 11, 2001, and reconstructs  
 the occult-driven script for this Global Luciferian MegaRitual. As Bain uncovers, the framework for  
 the entire event was a psychological warfare campaign built upon a deadly foundation of black  
 magick and high technology. The book details the sinister nature of the defining event of the 21st  
 century and explains the vast scope of the machinery of oppression that has been constructed  
 around us.
