Discover Peace,
Perspective, and
Healing. From a human

perspective, God often appears to be an intruder. He presumes, invades, and infringes upon our lives. At times, God encroaches with gentle, subtle reminders - at others, with sudden, devastating

judgement. God is not tucked away in some far corner of the universe, uncaring, unfeeling, unthinking...uninvolved . You can count on it - He is intimately involved with the tiniest details of your existence. Learn how His constant presence can bring peace, perspective, and healing into the puzzling and chaotic circumstances of your life.

Life doesn't have to be so complicated. Join Bible teacher Lisa Whittle as she shows you how to grow deep roots of faith and walk strong on a journey to put Jesus first. We all want to live simpler lives and to put Jesus first—but we struggle

with doing both. While we are busy strategizing new ways to streamline our calendars and clean the clutter out of our closets, what really needs attention is actually the secret to long-term clarity and lasting peace: putting Jesus over everything in our lives. In a culture that carries the confusion of overindulgence, endless options and influencer voices, the Jesus-first life clears our minds and hearts of noise so our souls can find true meaning and rest. In *Jesus Over Everything*, Lisa offers a close look at the eight choices you can make to help you grow in your understanding of what it means to put Jesus first amid the craziness of the day-to-day. Discover the joy of

choosing: Commitment over mood Real over pretty Steady over hype Holiness over freedom Service over spotlight Wisdom over knowledge Honesty over hiding Jesus Over Everything is a practical, compelling picture of what we crave and yet struggle to define as we seek to give God his rightful place in our everyday lives. Packed with tools to equip and motivate you, the Jesus-over-everything journey will help you reprioritize your faith first in order to reprioritize your daily life.

Chaos to Calm

NavPress

"I form light and create darkness; I make well-being and create calamity; I am the LORD, who does all these things." Isaiah 45:7 When God

created the world, he brought perfect order out of what was "without form and void." But with human rebellion against God leading to God's curse, disorder was introduced into creation—disorder that we still see all around us today. Tracing the chaos to cosmos theme from Genesis 1 to Revelation 22, pastor-scholar Sidney Greidanus reveals how God is restoring his creation through Jesus Christ, who has already begun to shine light into the darkness and will one day return to bring peace, order, and restoration once and for all. With discussion questions at the end of each chapter and a fourteen-session reading plan, this book is ideal for small groups as well as

individual study.

Jesus' Final Warning

Thomas Nelson

"It's hard to have a God complex when your kids expect you to play garbage truck every night. This is the game where I lie on the floor as the boys stuff trucks, action figures, and plastic dinosaurs into my shirt. When the garbage truck is full to the point of overflowing, I go to the town dump by standing up. This is repeated ad nauseum. On any given day, I might find myself absolving sins in the name of the Church one moment and serving the cause of waste management the next." Do you believe God can be found in both the miraculous and the mundane? Through 40 insightful and engaging essays, Tim Schenck

helps us encounter God through the chaos of everyday life. The divine presence weaves its way into a family room fish tank, a child's probing questions, the town pool, and the drive-thru window of the local fast food chain.

The Chaos of Cults

Multnomah

Life is hard. We often find ourselves walking through stories that don't feel like they should be ours. And yet here we are. We wonder where our good God is in the midst of it. But we are not left without hope. In fact—we have the greatest hope of all. Through vulnerable stories and rich insight, Paula Rinehart and Connally Gilliam point to the Larger Story that carries all the anxiety, longing, and beauty of

your life. The backdrop of the big gospel story—creation (how life ought to be), the fall (how life is), redemption (how life can be), and restoration (how life will be one day)—gives context to our lives and hope for walking forward. The grand story of the gospel of Jesus Christ frames our every step. Discover renewed strength and joy in the middle of your ache . . . and the goodness of God that will give you the courage to remain yet undaunted.

The Other Side of Chaos Crossway First Place, Inspirational category ACP Excellence in Publishing Awards, 2012 From satisfying work to sudden unemployment. From a happy marriage to a

hurtful divorce. From caring for the kids to caring for an aging parent. These are just a few of the countless ways that life hurls us into the chaos of change, where our certainties are shaken and our faith may even begin to falter. But what if we saw the chaos—the “mess”—of our lives not as something to fear or eschew, but as something to be embraced? In The Other Side of Chaos, best-selling author Margaret Silf looks closely at the subject of chaos—and the intrinsic transition it brings—through the lens of Christian spirituality. Through Scripture stories and verses, personal accounts, and other anecdotes, Silf helps us develop an authentic

“spirituality of transition” that leads us to live out life’s changes constructively, creatively, and confidently. Ultimately, *The Other Side of Chaos* gives us the courage to trust God when life is breaking down and to see our messes not as something to be rescued from, but as something that will help us break through to a place where God makes all things new.

One Thing Thomas Nelson

Do you enter every holiday wanting it to be meaningful, only to find that it feels chaotic with no direction? We set New Year’s goals we can’t keep, struggle to love or be loved on Valentine’s Day, and find it hard to celebrate the risen Jesus when

we are searching for the perfect Easter dress. Our summer and back-to-school seasons are whirlwinds, even as adults; we aren’t quite sure what to do with Halloween as Christians; and we feel less than grateful at Thanksgiving because it is sometimes full of complicated people. Even Christmas becomes a challenge, as celebrating Jesus gets lost behind twinkling lights and a mountain of gifts. Holidays are meant to be more than chaos with glimpses of grace; they are meant to draw us closer to God and one another. We want all the whimsy and joy the holidays held when we were children, before life crowded it out. We want the holidays to reflect our love for Jesus and

reveal the grace that has been lavished on us, but life is so busy that setting a game plan just doesn't happen. No more. It's time to stop trying to survive the holidays or over indulge the whimsy, and instead live in the abundant life God called us to live. *Sacred Holidays* is part book and part resource: meant to help you avoid what has tripped you up in the past and give you insights, tips, and tools to make your holidays less chaotic and more about loving Jesus and others. Don't let your holidays be marked by regret, whirlwinds, or survival mindset. Let's celebrate every holiday together purposefully and worshipfully—loving Jesus and others well in every moment.
Millions Now Living

May Never Die Church Publishing, Inc.

This book explores the implications of an atheistic worldview through the fictional story of a student named Zach--helping readers to see that Christianity is the best explanation for life as we know it.

God, Order, and Chaos
Kregel Publications

Over the years, John Ntui has written so many articles on Christian apologetics and defense from false teachers. On his journey, he became increasingly aware that Christianity is being ravaged by the prosperity gospels, so John decided, as a theologian and pastor, to confront the heresy of his age where Christianity is being reduced by a group of sophist to a mere meal

ticket. He then decided to write in order to correct the influence of a defective Christianity in the minds of those who truly desire to know God. Join Pastor John on a ride to uncover the tricks of these false prophets who are ravaging the Gospel for their own gain and taking the lead of spreading the gospel from Africa to ends of the earth. Americans, in their quest for a flamboyant lifestyle, invented the prosperity gospels; and Nigerians, consumed by their lust, are spreading it to the ends of the earth (John Ntui-Abung).

Clearing Up the Confusion: The Cup; The Cross; And the Chaos! Cruciform Press
In Jesus and the Chaos of History, James

Crossley looks at the way the earliest traditions about Jesus interacted with a context of social upheaval and the ways in which this historical chaos of the early first century led to a range of ideas which were taken up, modified, ignored, and reinterpreted in the movement that followed. Crossley examines how the earliest Palestinian tradition intersected with social upheaval and historical change and how accidental, purposeful, discontinuous, contradictory, and implicit meanings in the developments of ideas appeared in the movement that followed. He considers the ways seemingly egalitarian and countercultural ideas

co-exist with ideas of dominance and power and how human reactions to socio-economic inequalities can end up mimicking dominant power. In this case, the book analyzes how a Galilean "protest" movement laid the foundations for its own brand of imperial rule. This evaluation is carried out in detailed studies on the kingdom of God and "Christology," "sinners" and purity, and gender and revolution.

Chaos Zondervan

It's no secret that we are addicted to control. We work to control our time, our TVs, our weight, and even our faith lives. We strive for efficiency and quantifiable results. But all that control, we soon find out, is exhausting. And it is

contrary to God's plan for us. In *Chaos and Grace*, Mark Galli offers readers freedom from the need for control and order by reintroducing them to the mysterious work of the Holy Spirit. In this insightful book, Galli exposes our individual mistakes and the church's foibles and points the way to grace--which, as it happens, usually lies through chaos and crisis. Through Scripture he shows us that this problem is not unique to modern believers and helps us learn from the stories of God's people through the ages as they gave up and gave in to the transforming work of the Holy Spirit. **Knowing God's Voice** Wipf and Stock Publishers
Do you realize that you

are a daughter of the King? You need to live, hope, and dream as if this were true—because it is! You don't need to be paralyzed with fear, frozen by the chaos you feel inside. Instead, you must choose to stand on the truth of who God says you are. In *The Storm Inside*, an 8-session, video-based small group Bible study (DVD/digital video sold separately), popular teacher and author Sheila Walsh unpacks the stories of women from the Bible who faced seemingly insurmountable problems—regret, shame, insecurity, and heartbreak. And just like the women from the Bible, you can overcome the lies the enemy uses to torment you. You too can rely on the truth of God's

word so you can stand during the strongest storms of your life. This study guide will lead you and your group deeper into the video content (sold separately) with session-by-session discussion topics, personal reflection, and between-session studies to enhance the group experience. Sessions include: From Shame to Love From Disappointment to Hope From Fear to Joy From Heartbreak to Strength From Regret to Rest From Insecurity to Confidence From Insignificant to Courage From Despair to Faith Designed for use with *The Storm Inside Video Study* 9781401677619 (sold separately). *The Storm Inside Study Guide* NavPress Publishing Group

Surviving the coming Chaos A 21st Century Prophecy In daily visits in 1990-92, Charles Bartlett and Jesus talked about things going on in Charles' life and the Ministry he had been given. In addition, Jesus revealed that an economic collapse is soon coming to our country and the world. The collapse is imminent because we have drifted so far from God and His truth. At the time these things were revealed to Charles, they didn't have an impact, but in recently rereading what Jesus had said coupled with things currently happening in our country and in the world, they became relevant. Charles is convinced that Jesus wants His words on surviving the upcoming

chaos to be communicated. In the coming economic darkness, the only thing that can get any of us through it is a close personal relationship with Jesus Christ, where we hear His voice and talk with Him on a regular basis so that He can guide us through the tough times ahead. This book is a warning that time is running short on developing that kind of relationship.

____ Charles Bartlett is a graduate of North Georgia College with a BS degree in Business Administration. For 30 years, he worked in Sales at Blue Bird Body Company, an international manufacturer of busses. His last position there was

Vice-President, Corporate Marketing. In 1986, Charles took early retirement at age 55 to pursue a faith-based Christian Counseling Ministry into which God had led him. For the past 23 years, Charles has worked with hundreds of clients, assisting them in getting in touch with God in order for them to find healing. In 1996, his book about the Ministry, "Visions, Dreams and Healing, the Making of a Christian Counselor" was published.

Glorious Intruder

Harper Collins

If you are doing all of the talking, it is likely that you will not hear what others have to say, let alone gain from their counsel, insight and wisdom—if this is true with humans, isn't

it even more so with God? It is difficult sometimes, in our era of financial collapse, ongoing war and increasing alienation from each other, to feel confident that the Almighty takes a personal interest in our lives. Knowing God's Voice is the assurance so many people are waiting for: God is interested. He has a lot to say! Readers will learn to discern God's voice from the background noise of internal anxiety and external circumstances, and to trust His guidance and revelation even in trying times. God is speaking to His people, if only they will have ears to hear!

And Yet, Undaunted
B&H Publishing Group
Chaos to Glory! Here comes a book that

approach the subject of sexual abuse head-on while well balanced with the Word of God. Pastor Solomon, been a victim as well, described how much he suffered mentally, spiritually and psychologically until when He knew the Truth in God's Word and he was able to live victoriously. It is a life challenging book written with simplicity that is going to help every individual desiring to overcome past pains. Pastor Solomon's enthusiasm, courage and compassion in the face of horrifying events in his life vibrate and flow smoothly in every page while seasoned with the Word of God. He is the Founder of Hope Christ Ministries (HCM) in USA. He is happily married to his beloved

wife Susan Mungai living in Kent, WA, USA. He is an Assistant Pastor with Jubilee Covenant Ministries, Tacoma, WA. Born and raised in Nakuru, Kenya, Pastor Solomon has traveled extensively and preached the gospel of Jesus Christ in Kenya and USA with great manifestation of God's power and glory since 1991.

Charismatic Chaos

Baker Books

Chaos to Calm . . .

Fulfilling Life's Purpose Through Worship is a guiding light for those who are searching and disillusioned in their lack of fulfillment and purpose in life. It seeks to lead the discontented, dissatisfied, and unfulfilled down the only life-fulfilling passageway. A

passageway leading to the only true Light and Giver of contentment and purpose—Jesus Christ—the One our hearts were created to worship. Before true worship can occur, we must first understand what worship is and to whom it is to be offered. Worship is not exclusively a Sunday morning activity. True worship encompasses every aspect of our lives: work, play, and church. Everything we say and do, every minute of every day, is to be offered as our worship. We must also realize that we do not come before a gentle Shepherd, but before the mighty terrifying King of Ezekiel and Revelation. As we see Jesus for who He truly is, we will then begin to “walk in the fear of the Lord.” Only as we see

Jesus in His rightful state and walk in the fear of the Lord will we be able to express true worship and experience the fulfillment and purpose our hearts desire. For the believer, who in the midst of all his service and church related activities can find no relief from the discontentment of life, Chaos to Calm offers enlightenment in the knowledge that true contentment will never be ours until we fill the emptiness of our lives with Jesus Christ.

Through Him alone were we created to be satisfied. Through Him alone all worship belongs.

From Chaos to Cosmos Chick

Publications

Jesus rebuked the wind and said to the sea, "Hush, be still." And it

became perfectly calm. (Mark 4:39) Since creation to now people have been searching for ways to be still. Our lives are crammed with meetings, appointments, phone calls, traffic, confrontations, and general busyness. How can you keep your faith in a world of chaos? The same way Elijah did when faced with an uncertain future. He listened for the still, small voice of God. One Thing is a collection of refreshing moments to help you hear from the Lord and press on. These faith-stirring stories and principles will shower you with fresh strength, empowering you to step out once again into the world to fulfill the destiny God designed especially for you. Shh...listen...He's

speaking to you today. *Chaos and Grace* Ambassador International The ideas of Rene Girard are having a profound effect on Christian theology. This book offers a critical introduction to his thought and then uses it to interpret the Book of Revelation. The result is a reading of extraordinary relevance for the contemporary world. Readers of the Apocalypse are often disturbed by the images of destruction in the book and are unsure why these are unleashed after the exaltation of Jesus. This study examines past approaches to these texts and uses Girard's theories to revive some old ideas and propose some new ones. Seen in this light the

Apocalypse becomes the story of the ultimate vindication of the victim, a source of hope, and a resource that can be used both to encourage resistance to the destructive forces within culture, and to help the church and the poor to engage constructively with the issues of our day.

Sacred Chaos Loyola Press

Is Christianity irrational? Atheists often say that it is. But does such a charge really stand up to close scrutiny? This book follows the story of Thomas, a junior in college, as he wrestles with the claims of those who think the Christian faith is nothing more than a collection of ancient myths with little

connecting to reality. Whether you are facing objections to your faith for the first time, discussing your faith with unbelieving friends, or doubting your faith altogether, you might be surprised to discover that Christianity actually provides a more compelling explanation of what it means to be human than atheism could ever hope to offer.

Chaos of Miracles

eLectio Publishing
Charismatic Chaos thoughtfully and carefully shines the light of Scripture on teaching that is not only gaining massive and loyal television followin, but also leading to disunity on a worldwide scale and promising to fuel controversy for years to come.
