Japanese Short Stories for
Beginners Independently
Published

Do you know what the hardest thing for a Japanese learner is? Finding PROPER reading material that they can handle...which is precisely the reason we've written this book! You may have found the best teacher in town or the most incredible learning app around, but if you don't put all of that knowledge to practice, you'll soon forget everything you've obtained. This is why being engaged with interesting reading material can be so essential for somebody

wishing to learn a new language. Therefore, in this book we have compiled 20 easy-to-read, compelling and fun stories that will allow you to expand your vocabulary and give you the tools to improve your grasp of the wonderful Japanese language. How Japanese Short Stories for Beginners works: - Each chapter possesses a funny, interesting and/or thought-provoking story based on real-life situations, allowing you to learn a bit more about the Japanese culture. - Having trouble understanding Japanese characters? No problem - we provide you with the English translation below each paragraph, allowing you to fully grasp what you're reading! - The summaries

follow a synopsis in Japanese and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. Use them if you're having trouble. - At the end of those summaries, you will be provided with a list of the most relevant vocabulary from that chapter, as well as slang and sayings that you may not have understood at first glance! Do not get lost trying to understand or pronounce it all, either, as all of the vocabulary words are Romanized for your ease of learning! - Finally, you'll be provided with a set of tricky questions in Japanese, allowing you the chance to prove that you learned something in the story. Whether it's

true or false, or if you're doing the single answer questions, don't worry if you don't know the answer to any - we will provide them immediately after, but no cheating! We want you to feel comfortable while learning Japanese; after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further! Pick up your copy of Japanese Short Stories for Beginners and level up your Japanese language skills right now!

 NEW! In addition to the
 1,445 MP3s of each
 Vocabulary and Example
 Sentence, we now added
 eight "chapter" MP3s
 which combine the
 Japanese vocabulary
 word, the example
 sentence, and then the
 English translation. We
 put these eight MP3s
 together so you can listen
 while driving, while
 walking the dog, or while
 going through the
 book. The FREE download
 link is found on the last
 page. Taking the Japanese
 Language Proficiency Test
 is a great way to not only
 assess your Japanese
 skills, but also to give
 yourself a concrete goal
 for your learning. I am a
 firm believer in setting
 goals. It is the quickest
 way to make
 progress. Unfortunately,
 with goal-setting, there is
 usually the problem of
 maintaining motivation.
 By paying money and
 making plans to sit in a
 test (usually) in a different
 city; however, you are
 making a major
 investment of time and
 money. There are few

pressures in life that can
 motivate better than time
 or money. That's why we
 always recommend any
 serious student of
 Japanese to sign up and
 study for the
 JLPT. Japanese Vocabulary
 for JLPT N5 covers all the
 vocabulary needed to
 pass the Japanese
 Language Proficiency Test
 level N5. This is the
 easiest of the test levels
 and is suitable for
 beginners who have
 mastered hiragana. Add
 the 1,445 MP3s to your
 MP3 player, iPhone, or
 computer and listen while
 studying the book. Eight
 large MP3 files are also
 included. These have
 each word followed by the
 example sentence for
 sequential learning.
