*If I Ain't Got You Sheet Music* Hal Leonard Publishing Corporation

For Jethro Tull, 1975 would prove to be a fascinating year. With Aqualung and Thick As A Brick behind them, and with A Passion Play and War Child having been met with a mixed critical reception, their next album, Minstrel In The Gallery is the product of a band who kept on going and who weren't afraid to explore. Minstrel In The Gallery is abundant in innovative musical ideas and insightful lyrics. Recorded in sunny Monte Carlo and described by Sounds as "a pleasant surprise", the album is a fascinating combination of acoustic and heavy rock teamed with a strings section, and of course, flute. In this book, author Laura Shenton MA LLCM DipRSL offers an in depth perspective on Minstrel In The Gallery from a range of angles including how the album came to be, how it was presented and received at the time (live as well as on record), and what it means in terms of Jethro Tull's legacy today.

*Jethro Tull!* Hal Leonard Corporation

It's almost impossible to discuss the history of rock music without praising the monumental quality, impact, variety, and boldness of Britain's Jethro Tull. Named after an eighteenth-century agriculturalist - and not after their striking front-man Ian Anderson - the group almost immediately became one of the most ambitious, and significant acts in two subsections of the genre: progressive and folk rock. Officially formed in 1967, mastermind Anderson, guitarist Martin Barre and company initially forged a blues course before veering in a more diverse, and expansive direction. Their 1970s period - which is often considered their peak-took them close to progressive rock via iconic albums like Aqualung and Songs From The Wood plus lengthy narrative suites Thick as a Brick and A Passion Play, all hit albums on both sides of the Atlantic. Like numerous peers at the time (including ELP, Rush, Yes, and King Crimson), Tull then embraced the more commercially accessible demands of the 1980s - complete with a fair share of both synthesizers and hard rock. Album by album, this book examines the behind-the-scenes circumstances and motivations for each release via a track-by-track analysis to acutely observe why Jethro Tull were - and always will be - of invaluable 'benefit' to rock music.

*Please Kill Me* Hal Leonard Corporation

(Artist Books). The All Music Guide calls John Coltrane's A Love Supreme "easily one of the most important records ever made," and Coltrane has

referred to it as his "gift to God." This exceptional songbook presents exact note-for-note tenor saxophone transcriptions for every piece on this landmark album. Includes: Acknowledgement (Part I) \* Resolution (Part II) \* Pursuance (Part III) \* Psalm (Part IV).

*Big Book of Flute Songs* Hal Leonard Corporation

Author Jerry Ewing (Editor of 'Prog' magazine and the founder of 'Classic Rock' magazine) tells the in-depth history of Prog, from the origins of the genre to the highs of the 60's and 70's, to its contemporary resurgence with artists such as Steven Wilson and Opeth, not to mention the prog influences on art-rock bands such as Muse and Radiohead. Highlights include the story of the 'big six' of Progressive Rock - Pink Floyd, Yes, King Crimson, Jethro Tull, Emerson Lake and Palmer and Genesis.

*101 Popular Songs for Flute* Hal Leonard Publishing Corporation

The wildly entertaining story of progressive rock, the music that ruled the 1970s charts—and has divided listeners ever since. The Show That Never Ends is the definitive story of the extraordinary rise and fall of progressive (“prog”) rock. Epitomized by such classic, chart-topping bands as Yes, Genesis, Pink Floyd, Jethro Tull, and Emerson Lake & Palmer, along with such successors as Rush, Marillion, Asia, Styx, and Porcupine Tree, prog sold hundreds of millions of records. It brought into the mainstream concept albums, spaced-out cover art, crazy time signatures, multitrack recording, and stagecraft so bombastic it was spoofed in the classic movie This Is Spinal Tap. With a vast knowledge of what Rolling Stone has called “the deliciously decadent genre that the punks failed to kill,” access to key people who made the music, and the passion of a true enthusiast, Washington Post national reporter David Weigel tells the story of prog in all its pomp, creativity, and excess. Weigel explains exactly what was “progressive” about prog rock and how its complexity and experimentalism arose from such precursors as the Beach Boys’ Pet Sounds and the Beatles’ Sgt. Pepper. He traces prog’s popularity from the massive success of Procol Harum’s “Whiter Shade of Pale” and the Moody Blues’ “Nights in White Satin” in 1967. He reveals how prog’s best-selling, epochal albums were made, including The Dark Side of the Moon, Thick as a Brick, and Tubular Bells. And he explores the rise of new instruments into the prog mix, such as the synthesizer, flute, mellotron, and—famously—the double-neck guitar. The Show That Never Ends is filled with the candid reminiscences of prog’s celebrated musicians. It also features memorable portraits of the vital contributions of producers, empresarios, and technicians such as Richard Branson, Brian Eno, Ahmet Ertegun, and Bob Moog. Ultimately, Weigel defends prog from the enormous derision it has received for a generation, and he reveals the new critical respect and popularity it has achieved in its contemporary resurgence.

*The Very Best of James Galway (Songbook)* Soundcheck Books

Pocket Essentials is a dynamic series of books that are concise, lively, and easy to read. Packed with facts as well as expert opinions, each book has all the key information you need to know about such popular topics as film, television, cult fiction, history, and more. Looking at each and every Jethro Tull album from a comprehensive perspective, as well as including concert trivia and biographical information and a look at the solo careers of band members past and present, this book for both the casual and hard-core fan offers insights that will enhance one's listening pleasure.

*The Flute Book* Hal Leonard Corporation

»Award-Winner of the National Flute Association's Newly Published Music Competition« The Blocki Flute Method Book 1 is an award-winning method designed to the give beginners an excellent foundation in beautiful tone, embouchure flexibility, rhythm and technique. This comprehensive and step-by-step approach was written to ensure success and also includes theory and composition projects. The method is designed so students can play in both octaves without having to read the notes in both octaves. This is an incredibly important aspect of teaching beginners. The Blocki Flute Method's unique approach to teaching Five-Note patterns has proven to consistently help even the youngest students develop exceptional technical abilities. Five-note patterns are used as the foundation for teaching new notes, technique, moving between beat levels, simple transposition and fun and easy ear training. Because of the combination of a systematic approach to note reading, fun composition projects, ear training games, and basic theory, this book is also an excellent supplementary book for Suzuki students. As of August 2010: The Blocki Flute Method has been completely updated with the Third Edition. Listen to Samples Katelyn After One and a Half Years of Lessons - YouTube Video What's New in the Third Edition? After using the method for over 10 years, we knew which pieces the students loved and which one were just "okay." Anything that was just "okay" has been replaced with kid tested exciting pieces. There are many new duets and since students love trills we've included many more. These trills have transformed boring octave exercises into motivating pieces such as Half Pipe Stunts, Trampoline Tricks, and Bungee Jumping A's. Other new favorites include the Yankee Doodle Theme and Variations, The Sad Singing Swan, and the Daring Detective.

*Essential Songs for Flute* John Wiley & Sons

Originally formed by singer-songwriter Ian Anderson in psychedelic 1968, the band Jethro Tull has been recording its own kind of rock and roll and touring the globe for more than three decades. This is a history of the band through the present, written by an acquaintance of several of its members. The book includes a chronology of all of the band's recordings and information on all accompanying tours, with the author's critiques as well as the band's own reminiscences and opinions of each album. Also included are previously unpublished interviews with founder Ian Anderson, long-time band member David Pegg, other band members Glenn Cornick, Andy Giddings and Doane Perry, and more.
