When the Enemy Strikes P & R Publishing

If marriage shows us the shape of the gospel, singleness shows us its sufficiency. Much of what we commonly assume about singleness—that it is primarily about the absence of good things like intimacy, family, or meaningful ministry—is either flat-out untrue or, at the very least, shouldn't be true. To be single, we often think, is to be alone and spiritually hindered. But the Bible paints a very different picture of singleness: it is a positive gift and blessing from God. This book seeks to help Christians—married and unmarried alike—value singleness as a gift from God so that we can all encourage singles to take hold of the unique opportunities their singleness affords and see their role in the flourishing of the church as a whole.

7 Myths about Singleness Tyndale House Publishers, Inc.

Una parábola de permanencia . . . Reflexionando sobre cuarenta años de matrimonio, John Piper enaltece el sentido bíblico del matrimonio por encima de la emoción, exhortando a las parejas a mantener su pacto por las razones correctas. Incluso cuando la gente comúnmente permaneció casada "hasta que la muerte nos separe", nunca hubo una generación cuya perspectiva del matrimonio fue lo suficientemente alta, dice el pastor John Piper. Esto es todavía más cierto en nuestra informal época. Comprender el diseño de Dios según su Palabra puede despertar una gloriosa visión capaz de liberar a todas las personas de perspectivas que ignoran a Cristo y están intoxicadas por el romance. El matrimonio es fundamentalmente, más que nada, la

obra de Dios. Y, en última instancia, el matrimonio es la demostración de Dios. De una manera mejor que ningún otro evento o institución, en el matrimonio se muestra al mundo el mantenimiento del pacto de amor entre Cristo y su pueblo. El matrimonio, por lo tanto, no se trata principalmente de estar enamorado. Es, sobre todo, decir la verdad con nuestras vidas. Y permanecer casados no se trata de permanecer enamorados. Se trata de mantener el pacto y demostrar la gloria del amor fiel de Cristo. A Parable of Permanence . . . Reflecting on 40 years of matrimony, John Piper exalts the biblical meaning of marriage over its emotion, exhorting couples to keep their covenant for the right reasons. Even when people commonly stayed married "till death do us part," there has never been a generation whose view of marriage was high enough, says Pastor John Piper. That is all the more true in our casual times. Understanding God's design according to his Word can awaken a glorious vision capable of freeing every person from small, Christ-ignoring, romance-intoxicated views. As Piper explains: "Most foundationally, marriage is the doing of God. And ultimately, marriage is the display of God. It displays the covenant-keeping love between Christ and his people to the world in a way that no other event or institution does. Marriage, therefore, is not mainly about being in love. It's mainly about telling the truth with our lives. And staying married is not about staying in love. It is about keeping a covenant and putting the glory of Christ's covenant-keeping love on display."

In the last few years, 9/11, a tsunami, Hurricane Katrina, and many other tragedies have shown us that the vision of God in today's churches in relation to evil and suffering is often frivolous. Against the overwhelming weight and seriousness of the Bible,

many Christians are choosing to become more shallow, more entertainment-oriented, and therefore irrelevant in the face of massive suffering. In *Suffering and the Sovereignty of God*, contributors John Piper, Joni Eareckson Tada, Steve Saint, Carl Ellis, David Powlison, Dustin Shramek, and Mark Talbot explore the many categories of God's sovereignty as evidenced in his Word. They urge readers to look to Christ, even in suffering, to find the greatest confidence, deepest comfort, and sweetest fellowship they have ever known.

Recuerda que el pecado de la inmoralidad deshumaniza, pero la Gracia devolverá la cordura y la verdadera humanidad. Usualmente utilizo metáforas para ilustrar la realidad de una cultura pornográfica, tales como un pozo que te mete en el oscurantismo del anonimato, la accesibilidad y la asequibilidad. Incluso la pornografía es como un monstruo que te atrapa y se burla del telos (objetivo) de nuestra humanidad. También puede ser como un cáncer, bien sabemos que en dicho caso las células empiezan a crecer sin control y van formando nuevas células que se desplazan a las células normales y crean tumores. Ahora, la pornografía empieza a crear tumores en los diferentes ángulos de la vida, no solo sofoca el alma, pero incluso también causa una fractura en la plasticidad cerebral. En este libro trato de articular de que el problema principal es un problema del Corazón humano, aun así, la biblia nos enseña que la Gracia de Dios actúa con el fin de devolver nuestra cordura y nuestra verdadera humanidad. En dicha acción divina somos transformados paulatinamente de gloria en gloria según la imagen de Cristo.

This Momentary Marriage Crossway

Marriage is the union of two people who arrive at the altar toting some surprisingly large luggage. Often it gets opened right there on the honeymoon, sometimes it waits for the week after. The Bible calls it sin and understanding its influence can make all the difference for a man and woman who are building a life together. *When Sinners Say "I Do"* is about encountering the life-transforming power of the gospel in the unpredictable journey of marriage. --from publisher description

Your enemy is strong. The battle is real. Prepare for victory. Fear, discouragement, loneliness, anger, temptation. These struggles are common to every human. Yet not all circumstances or negative emotions originate within. They could be the result of a willful, coordinated assault of Satan. In *When the Enemy Strikes*, best-selling author Dr. Charles Stanley explores the often-overlooked reality of spiritual warfare—the tactics used by Satan to taunt, confuse, slander, and harm. Your adversary wants to crush your will, delay your promise, hinder your destiny, destroy your relationships, and lead you into sin. Dr. Stanley reveals how

you should respond. The most important component of warfare, says Dr. Stanley, is the supremacy of God—both His sovereignty and His power. Practically, this means the battles you face are ultimately allowed by God to bring you to a place of greater reliance on Him. His strength crushes the enemy. This is a world of conflict between good and evil, of powers beyond the merely human. The battle is unavoidable, but take heart! God has given you the strength to stand.

Temporal Endeavor Thomas Nelson

Gain a knowledge of counseling methods that are practical and consistent with Christian theological convictions. What do the Scriptures say about counseling? What is the biblical basis for using Scriptures in counseling? What does it mean to think biblically about counseling-related issues? At the root of this book is the confidence that Christ and his Word are not only sufficient for effectively handling the personal and interpersonal challenges of life but are superior to the resources found in the world. The practice of psychological counseling is a ministry and should not belong only to the realm of humanistic and secular theories of the mind. Written to pastors, elders, deacons, seminary students, and laypeople; well-known pastor John MacArthur and contributors present a system of biblical truth that brings together people, their problems, and the living God. This kind of counseling is based on the convictions that: God's Word should be our counseling authority. Counseling is a part of the basic discipling ministry of the local church. God's people can and should be trained to counsel effectively. *Counseling: How to Counsel Biblically* provides biblical guidelines to counsel people who are struggling. The contributors represent some of America's leading biblical teachers and counselors, including: Ken L. Sarles, David Powlison, Douglas Bookman, David B. Maddox, Robert Smith, William W. Goode, and Dennis M. Swanson.

A Compassionate Call to Counter Culture in a World of Same-Sex Marriage Crossway

Hasta hace relativamente poco tiempo, las parejas se constituían siguiendo un guión preestablecido, que se ajustaba a conceptos, regulaciones y hasta rituales socialmente determinados, de modo que quien contraía matrimonio, sabía exactamente qué pasos debía seguir y a dónde le llevarían, al igual que el menú de un restaurante establece y limita la clase y secuencia de los platos que se sirven, sin más posibilidad de elección. Sin embargo, en la situación actual de inestabilidad social y personal, los cambios de criterio moral, la laxitud en los compromisos y el centramiento en

los objetivos egoístas y hedonistas a corto plazo han introducido nuevas variables y preferencias personales a la hora de concebir y establecer los vínculos conyugales. Así, los contrayentes ya no se ajustan a los parámetros predeterminados por el "menú" religioso o social para formar una pareja esponsal, si no que escogen "a la carta" tanto los ingredientes como los componentes de la misma, de acuerdo con la modalidad conceptual y vivencial de pareja que quieran constituir. Este libro va dirigido a quienes se plantean con perplejidad el sentido de la vida en pareja. Aspira a servirles de mapa para que consigan situarse en él con mayor conocimiento de causa, en función de sus propias elecciones y con la convicción de que la vida en pareja será el resultado de lo que las personas que la componen decidan que sea.
