**Applying Communication Theory for Professional Life** Bloomsbury Publishing  
**Confronting Urban Legacy** fills a critical lacuna in urban scholarship. As almost all of the literature focuses on global cities and megacities, smaller, secondary cities, which actually hold the majority of the world's population, are either critically misunderstood or unexamined in their entirety. This neglect not only biases scholars' understanding of social and spatial dynamics toward very large global cities but also maintains a void in students' learning. This book specifically explores the transformative relationship between globalization and urban transition in Hartford, Connecticut, while including crucial comparative chapters on other forgotten New England cities: Portland, Maine, along with Lawrence and Springfield, Massachusetts. Hartford's transformation carries a striking imprint of globalization that has been largely missed: from its 17th century roots as New England first inland colonial settlement, to its emergence as one of the world's most prosperous manufacturing and insurance metropolises, to its present configuration as one of America's poorest post-industrial cities, which by still retaining a globally lucrative FIRE Sector is nevertheless surrounded by one of the nation's most prosperous metropolitan regions. The myriad of dilemmas confronting Hartford calls for this book to take an interdisciplinary approach. The editors' introduction places Hartford in a global comparative perspective; Part I provides rich historical delineations of the many rises and (not quite) falls of Hartford; Part II offers a broad contemporary treatment of Hartford by dissecting recent immigration and examining the demographic and educational dimensions of the city-suburban divide; and Part III unpacks Hartford's current social, economic, and political situation and discusses what the city could become. Using the lessons from this book on Hartford and other underappreciated secondary cities in New England, urban

scholars, leaders, and residents alike can gain a number of essential insights—both theoretical and practical.

**Confronting Urban Legacy** \*Frommers Red Sox vs. Yankees: The Great Rivalry covers nearly a century's worth of epic battles on and off the baseball field between these age-old rivals. Featuring exclusive interviews with former governors Mario Cuomo of New York and Michael Dukakis of Massachusetts, former press secretary Ari Fleischer, former New York City Mayor Rudy Giuliani, congressmen, reporters, broadcasters, and especially players, coaches, managers and front-office execs from the Red Sox and Yankees including Don Zimmer, Nomar Garciaparra, Derek Lowe, Jason and Jeremy Giambi, Lou Meroni, Dwight Evans, and Theo Epstein. Two unique features of the book are a Rivalry Timeline and a "Talkin' Rivalry" section, a free-for-all in print among fans, journalists, and players who all have something to say. Other chapters include "Marker Moments," in-depth profiles of Joe DiMaggio and Ted Williams, Fenway Park and Yankee Stadium. More than two years in the making, this coffee-table book will have nearly 256 pages of text and more than 125 photos, some in color, some archival. A perfect book for Yankee fans, Red Sox fans, and all baseball fans.

**Nationalism in Modern Europe** John Wiley & Sons

Applying Communication Theory for Professional Life: A Practical Introduction, Second Edition is the first communication theory textbook to provide practical material for career-oriented students. The inclusion and analysis of real-world case studies illustrate the application of theory in a variety of professional settings. Whereas other communication theory texts have a more academic focus on theory or research methods, this book is specifically designed to introduce communication theory in a tangible way. The featured theories are those that have strong pragmatic value and clear applicability to communication and business practitioners. Particular emphasis is placed on theories of intrapersonal communication, interpersonal interaction, intercultural encounters, persuasion, leadership, group communication, organizational behavior, and mass communication.

*Frommer's Istanbul* \*Frommers  
 Nationalism has been, without question, one of the most potent political and cultural forces within Europe since the late-18th century. Placing particular emphasis on transnational and comparative links, *Nationalism in Modern Europe* provides a clear and accessible history of the development of nationalism in Europe from the French Revolution to the present. The book situates nationalist ideas and movements in Europe firmly within the context of other signifiers of identity and belonging – such as religion, race, and gender – while also providing comprehensive geographic coverage across Europe. It incorporates recent historiographical trends and debates as part of the discussion and includes 13 images, 9 maps and a range of primary source excerpts for classroom use. It is an essential volume for all students of the history of nationalism in modern Europe and a useful text for anyone seeking to know more about modern European history in general.

America's #1 bestselling travel series  
 Written by more than 175 outspoken travelers around the globe, Frommer's Complete Guides help travelers experience places the way locals do. More annually updated guides than any other series 16-page color section and foldout map in all annual guides  
 Outspoken opinions, exact prices, and suggested itineraries  
 Dozens of detailed maps in an easy-to-read, two-color design  
 Completely updated every year (unlike most of the competition), Frommer's Florida 2009 is more comprehensive, detailed, and reliable than other available guides. Our author has inspected countless accommodations and selected the very best: lavish golf resorts, spas, stunning B&Bs, beachfront motels, and family-friendly condos. No matter what your budget is, this guide can help you design a memorable Florida vacation. Frommer's covers Florida's highlights from a resident's perspective: the South Beach club scene, the state's best restaurants, dive sites in the Keys, baseball spring training, theme parks, the Kennedy Space Center, world-class golf courses, and beaches, water sports, and lots of beach bars. Learn about all the latest developments at Disney and Universal Studios, and get insider tips about airfare bargains and package deals. You'll even get a free color fold-out map.

Directories in Print Prentice Hall

With almost 100 pages of maps, here in one volume is the very best America has to offer. The best hotels and restaurants throughout the country are rated, and a special-interest vacation planner points readers to the nation's best outdoor adventures in and out of the national parks.

**Frommer's Chile & Easter Island**  
 Frommermedia

Many of today's social problems—poverty, crime, racism, sexism, drug abuse, unequal access to quality health care or education, threats to the environment, over-population—can seem intractable. James A. Crone's *How Can We Solve Our Social Problems?*, Third Edition is designed to give students studying these types of social problems a sense of hope. Unlike the standard survey texts that focus heavily on the causes and consequences of problems, this book is devoted to analyzing possible solutions. It maintains a sense of sociological objectivity throughout, and without moralizing, describes what could be done in America and on a global scale, through government policies, private sector initiatives, and the collective actions of citizens, to address even our most pervasive social problems.  
**Frommer's Boston** Prentice Hall Travel  
 If you're passionate about eating well, you couldn't ask for a better travel companion than Alexander Lobrano's charming, friendly, and authoritative *Hungry for Paris*, the fully revised and updated guide to this renowned culinary scene. Having written about Paris for almost every major food and travel magazine since moving there in 1986, Lobrano shares his personal selection of the city's best restaurants, from bistros featuring the hottest young chefs to the secret spots Parisians love. In lively prose that is not only informative but a pleasure to read, Lobrano reveals the ambience, clientele, history, and most delicious dishes of each establishment—alongside helpful maps and beautiful photographs that will surely whet your appetite for Paris. Praise for *Hungry for Paris* "Hungry for Paris is required reading and features [Alexander Lobrano's] favorite 109 restaurants reviewed in a fun and witty way. . . . A native of Boston, Lobrano moved to Paris in 1986 and never looked back. He served as the European correspondent for *Gourmet* from 1999 until it closed in 2009 (also known as the greatest job ever that will never be a job again). . . . He also updates his website frequently with restaurant reviews, all letter graded."—Food Republic  
 "Written with . . . flair and . . . acerbity is the new, second edition of Alexander Lobrano's *Hungry for*

*Paris*, which includes rigorous reviews of what the author considers to be the city's 109 best restaurants [and] a helpful list of famous Parisian restaurants to be avoided."—The Wall Street Journal  
 "A wonderful guide to eating in Paris."—Alice Waters  
 "Nobody else has such an intimate knowledge of what is going on in the Paris food world right this minute. Happily, Alexander Lobrano has written it all down in this wonderful book."—Ruth Reichl  
 "Delightful . . . the sort of guide you read before you go to Paris—to get in the mood and pick up a few tips, a little style."—Los Angeles Times  
 "No one is 'on the ground' in Paris more than Alec Lobrano. . . . This book will certainly make you hungry for Paris. But even if you aren't in Paris, his tales of French dining will seduce you into feeling like you are here, sitting in your favorite bistro or sharing a carafe of wine with a witty friend at a neighborhood hotspot."—David Lebovitz, author of *The Sweet Life in Paris*  
 "Hungry for Paris is like a cozy bistro on a chilly day: It makes you feel welcome."—The Washington Post  
 "This book will make readers more than merely hungry for the culinary riches of Paris; it will make them ravenous for a dining companion with Monsieur Lobrano's particular warmth, wry charm, and refreshingly pure joie de vivre."—Julia Glass  
 "[Lobrano is] a wonderful man and writer who might know more about Paris restaurants than any other person I've ever met."—Elissa Altman, author of *Poor Man's Feast*
