Bryan Stevenson's incredible fight to end mass incarceration, excessive punishment, and racial inequality comes to life in this young adult adaptation of the acclaimed, #1 New York Times bestseller that was adapted into a major motion picture starring Michael B. Jordan, Jaime Foxx, and Brie Larson. In this very personal work--adapted from the original #1 bestseller, which the New York Times calls "as compelling as *To Kill a Mockingbird*, and in some ways more so"--renowned lawyer and social justice advocate Bryan Stevenson offers a glimpse into the lives of the wrongfully imprisoned and his efforts to fight for their freedom as the founder of the Equal Justice Initiative. Stevenson's story is one of working to protect basic human rights for the most vulnerable people in American society--the poor, the wrongly convicted, and those whose lives have been marked by discrimination and marginalization. Through this adaptation, young people of today will find themselves called to action and compassion in the pursuit of justice. A portion of the proceeds of this book will go to charity to help in Stevenson's important work to benefit the voiceless and the vulnerable as they attempt to navigate the broken U.S. justice system. Written for a young audience, this intense memoir explores the harsh realities of life on the streets

in contemporary North Korea. Every *Falling Star* is the memoir of Sungju Lee, who at the age of twelve was forced to live on the streets of North Korea and fend for himself. To survive, Sungju creates a gang and lives by thieving, fighting, begging, and stealing rides on cargo trains. Sungju richly recreates his scabrous story, depicting what it was like for a boy alone to create a new family with his gang, "his brothers," to daily be hungry and to fear arrest, imprisonment, and even execution. This riveting memoir allows young readers to learn about other cultures where freedoms they take for granted do not exist.

Revolution in Our Time: The Black Panther Party's Promise to the People Ember

A searing new work of nonfiction from award-winning author Brandy Colbert about the history and legacy of one of the most deadly and destructive acts of racial violence in American history: the Tulsa Race Massacre. Winner, Boston Globe-Horn Book Award. In the early morning of June 1, 1921, a white mob marched across the train tracks in Tulsa, Oklahoma, and into its predominantly Black Greenwood District—a thriving, affluent neighborhood known as America's Black Wall Street. They brought with them firearms, gasoline, and explosives. In a few short hours, they'd razed thirty-five square blocks to the ground, leaving hundreds dead. The Tulsa Race Massacre is one of the most devastating acts of racial violence in US history. But how did it come to pass? What exactly happened? And why are the events unknown to so many of us today? These are the questions that award-winning author Brandy Colbert seeks to answer in this unflinching nonfiction account of the Tulsa Race Massacre. In examining the tension that was brought to a boil by many factors—white resentment of Black economic and political advancement, the resurgence of white supremacist groups, the tone and perspective of the media, and more—a portrait is drawn of an event singular in its devastation, but not in its kind. It is part of a legacy of white violence that can be traced from our country's earliest days through Reconstruction, the Civil Rights movement in the mid-twentieth century, and the fight for justice and accountability Black Americans still face today. The Tulsa Race Massacre has long failed to fit into the story Americans like to tell themselves about the history of their country. This book, ambitious and intimate in turn, explores the ways in which the story of the Tulsa Race Massacre is the story of America—and by showing us who we are, points to a way forward. "No matter how many Holocaust stories one has read, this one is a must, for its impact is so powerful."--School Library Journal, starred I did not ask myself, "Should I do this?" but "How will I do this?" Through this intimate and compelling memoir, we are witness to the growth of a hero. Much like *The Diary of Anne Frank*, *In My Hands* has become a profound testament to individual courage. You must understand that I did not become a resistance fighter, a smuggler of Jews, a defier of the SS and the Nazis, all at once. When the war began, Irene Gut was just seventeen: a student nurse, a Polish patriot, a good Catholic girl. Forced to work in a German officers' dining hall, she learns how to fight back. One's first steps are always small: I had begun by hiding food under a fence. Irene eavesdropped on the German's plans. She smuggled people out of the work camp. And she hid twelve Jews in the basement of a Nazi major's home. To deliver her friends from evil, this young woman did whatever it took--even the impossible.

Transport yourself to the idyllic hills of mid-century Crete in this tale of peril and intrigue, from the original queen of romantic suspense and author of *Madam, Will You Talk?* 'Mary Stewart is magic' New York Times 'One of the great British storytellers of the 20th century' Independent While on a walking holiday through the beautiful, deserted hills of Crete, Nicola Ferris stumbles across a critically injured Englishman, guarded by a fierce Greek. Nicola cannot abandon them and so sets off on a perilous search for their lost companion - all the while being pursued by someone who wants to make sure none of them leave the island . . . A National Book Award Finalist A Coretta Scott King Author Award Honor Book A Michael L. Printz Honor Book A Walter Dean Myers Honor Book With passion and precision, Kekla Magoon relays an essential account of the Black Panthers—as militant revolutionaries and as human rights advocates working to defend and protect their community. In this comprehensive, inspiring, and all-too-relevant history of the Black Panther Party, Kekla Magoon introduces readers to the Panthers' community activism, grounded in the concept of self-defense, which taught Black Americans how to protect and support themselves in a country that treated them like second-class citizens. For too long the Panthers' story has been a footnote to the civil rights movement rather than what it was: a revolutionary socialist movement that drew thousands of members—mostly women—and became the target of one of the most sustained repression efforts ever made by the U.S. government against its own citizens. *Revolution in Our Time* puts the Panthers in the proper context of Black American history, from the first arrival of enslaved people to the Black Lives Matter movement of today. Kekla Magoon's eye-opening work invites a new generation of readers grappling with injustices in the United States to learn from the Panthers' history and courage, inspiring them to take their own place in the ongoing fight for justice.
