Things I Care About: Beer and Cricket Independently Published  
An inside look at how craft beer makers and IPA devotees come

together to brew, taste, and enjoy fine ale while also building a sense of community in Las Vegas Equally reviled and revered as Sin City, Las Vegas is both exceptional and emblematic of contemporary American cultural practices and tastes. Michael Ian Borer takes us inside the burgeoning Las Vegas craft beer scene to witness how its adherents use beer to create and foster not just a local culture but a locals' culture. Through compelling, detailed first-hand accounts and interviews, *Vegas Brews* provides an unprecedented look into the ways that brewers, distributors, bartenders, and drinkers fight against the perceived and preconceived norm about what "happens in Vegas" and lay claim to a part of their city that is too often overshadowed by the bright lights of tourist sites. Borer shows how our interactions with the things we care about—and the ways that we care about how they're made, treated, and consumed—can lead to new senses of belonging and connections with and to others and the places where we live. In a world where people and things move around at an extraordinary pace, the folks Borer spent time talking (and drinking) with remind us to slow down and learn how to taste the "good life," or at least a semblance of it, even in a city where style is often valued over substance.

A hilarious and indispensable guide to the weirdness of the workplace from Esquire editor and Entrepreneur etiquette columnist Ross McCammon Ten years ago, Ross McCammon made an incredible and unexpected transition from working at an in-flight magazine in suburban Dallas to landing his dream job at Esquire in New York. What followed was a period of almost debilitating anxiety and awkwardness—interspersed with minor instances of professional glory—as McCammon learned how to navigate the workplace while feeling entirely ill-equipped for achieving success in his new career. *Works Well with Others* is McCammon's "relentlessly funny and soberingly insightful"\* journey from impostor to authority, a story that reveals the workplace for what it is: an often absurd landscape of ego and fear guided by social rules that no one ever talks about. By mining his own experiences at the magazine, McCammon provides advice on everything from firm handshakes to small talk in elevators to dealing with jerks and underminers. Here is an inspirational new way of looking at your job, your career, and success itself; an accessible guide for those of us who are smart, talented, and ambitious but who aren't well-"leveraged" and don't quite feel prepared for success . . . or know what to do once we've made it. \*Entertainment Weekly
